How My Blog Got 1 Million Visits in 7 Months Patric Morgan, 2015-07-10 Blogging has never been bigger. For some, blogging is a pastime, a hobby, something to fulfil a creative need. But some take blogging one step further. Many individuals, with no special training, are using their blog/s as a part-time or even a full-time job. You may already have a blog that could do with a few more visitors. Or maybe you're thinking of setting up a blog but are not sure where to start. The question most people ask me is 'How do I get visitors to my blog?' It's like setting up a shop on the High Street and facing the challenge of getting people in the door. The good news is - I have answers that will see your visitor count lift substantially. All you need is a computer, an internet connection and a brain (your own preferably). Here's what you don't need: money. This book answers your blogging questions in a practical and straightforward way. *How My Blog Got 1 Million Visits In 7 Months* has been designed to

show you how to drive people to your blog - and how to keep them coming back, time after time. It's designed for bloggers and for those who have websites that could do with more traffic. I'm a multi-award winning blogger and publisher and have been for over eight years. When I first started blogging, I got very excited to see that one person kept visiting my site. That was until I realised that the analytics was, in fact, counting me as a visitor. I've learned a lot since. My latest blog broke through the 1,000,000 visit mark after just 7 months. As a result, my blog is now a profitable business. I haven't spent a penny on advertising and I spend about 30 minutes a day blogging at most. I've picked up a large-scale book deal as a direct result of my blog. In this book, I'll show you the basics of setting up your blog; how to write content that people will just want to click on and share with their friends; how to create viral posts that will see your visitor statistics balloon; how to write content for your website that will sell your services or products; how to optimise your posts for search engines and how to make money from your blog. My promise to you is this - if you use the tips and tricks that I am about to show you, your site will get more traffic and you can start making money from it. These are proven techniques that you can start implementing on your blog straight away. Run the kind of blog that other bloggers envy. Be the kind of blogger that people marvel at. It'll make you feel pretty good, I guarantee it. Find out how right now. *** Patric Morgan's *How My Blog Got 1 Million Visitors in 7 Months* makes me sick! I've got 15,000+ people on my combined social media and I've never gotten even close to a million visits on my site. Screw you, Patric! However - I have read through his book and have found some cool tricks to steal and apply. Shh...don't tell him. Vicki Abelson, Author of 'Don't Jump', published October '15 from Carl Reiner's Random Content. What an absolutely incredible 'How to Guide'. This book will give you the tools you need to increase your web traffic and create a viral sensation from your blog or website.
