Five Little Indians Michelle Good, 2020-04-14 WINNER: Canada Reads 2022 WINNER: Governor General's Literary Award for Fiction WINNER: Amazon First Novel Award WINNER: Kobo Emerging Author Prize Finalist: Scotiabank Giller Prize Finalist: Atwood Gibson Writers Trust Prize Finalist: BC & Yukon Book Prize Shortlist: Indigenous Voices Awards National Bestseller; A Globe and Mail Top 100 Book of the Year; A CBC Best Book of the Year; An Apple Best Book of the Year; A Kobo Best Book of the Year; An Indigo Best Book of the Year Taken from their families when they are very small and sent to a remote, church-run residential school, Kenny, Lucy, Clara, Howie and Maisie are barely out of childhood when they are finally released after years of detention. Alone and without any skills, support or families, the teens find their way to the seedy and foreign world of Downtown Eastside Vancouver, where they cling together, striving to find a place of safety and belonging in a world that doesn't want them. The paths of the five friends cross and crisscross over the decades as they struggle to overcome, or at least forget, the trauma they endured during their years at the Mission. Fuelled by rage and furious with God, Clara finds her way into the dangerous, highly charged world of the American Indian Movement. Maisie internalizes her pain and continually places herself in dangerous situations. Famous for his daring escapes from the school, Kenny can't stop running and moves restlessly from job to job—through fishing grounds, orchards and logging camps—trying to outrun his memories and his addiction. Lucy

finds peace in motherhood and nurtures a secret compulsive disorder as she waits for Kenny to return to the life they once hoped to share together. After almost beating one of his tormentors to death, Howie serves time in prison, then tries once again to re-enter society and begin life anew. With compassion and insight, *Five Little Indians* chronicles the desperate quest of these residential school survivors to come to terms with their past and, ultimately, find a way forward.

I AM Howard Falco, 2010-09-02 *I AM* is a fascinating, in-depth and eye-opening look at the very essence of how each of our lives are created in every moment. - Hale Dwoskin, author of the New York Times bestseller, *The Sedona Method* and featured teacher in *The Secret* For centuries humankind has been asking fervent questions about the meaning of life. As Howard Falco learned, the answers to these questions can ultimately be found in the answer to just one: Who am I? In late 2002, in the middle of an ordinary life, Falco—a thirty-five-year-old investment manager with a wife and two children—sought the answer to this powerful question and remarkably this quest resulted in a sudden and all-encompassing shift in his awareness that revealed more about life and how we each create it than he ever imagined knowing. Startled by this new understanding and its implications for his own life and the lives of all others, Falco set out to share his discoveries. The stunning result is this book. *I AM* takes readers on a life-changing journey in which they will discover the incredible power they have over their experience of life, finding that the doorway to eternal peace, happiness, and fulfillment lies in one of the shortest sentences in the written word but the most powerful in the universe: *I AM*.

The Wolf of Wall Street Jordan Belfort,2007-09-25 NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Martin Scorsese and starring Leonardo DiCaprio By day he made thousands of dollars a minute. By night he spent it as fast as he could. From the binge that sank a 170-foot motor yacht and ran up a \$700,000 hotel tab, to the wife and kids waiting at home and the fast-talking, hard-partying young stockbrokers who called him king, here, in Jordan Belfort's own words, is the story of the ill-fated genius they called the Wolf of Wall Street. In the 1990s, Belfort became one of the most infamous kingpins in American finance: a brilliant, conniving stock-chopper who led his merry mob on a wild ride out of Wall

Street and into a massive office on Long Island. It's an extraordinary story of greed, power, and excess that no one could invent: the tale of an ordinary guy who went from hustling Italian ices to making hundreds of millions—until it all came crashing down. Praise for *The Wolf of Wall Street* “Raw and frequently hilarious.”—*The New York Times* “A rollicking tale of [Jordan Belfort’s] rise to riches as head of the infamous boiler room Stratton Oakmont . . . proof that there are indeed second acts in American lives.”—*Forbes* “A cross between Tom Wolfe’s *The Bonfire of the Vanities* and Scorsese’s *GoodFellas* . . . Belfort has the Midas touch.”—*The Sunday Times (London)* “Entertaining as pulp fiction, real as a federal indictment . . . a hell of a read.”—*Kirkus Reviews*
