Music News ,1926

Cooking Thin with Chef Kathleen Kathleen Daelemans,2006 The chef of a luxury spa restaurant in Hawaii presents a collection of healthy recipes for breakfasts, side and main dishes, and desserts that helped her to lose seventy-five pounds, and offers shortcuts, variations, and tips.

Chromophobia David Batchelor,2000-09 Batchelor coins the term chromophobia--A fear of corruption or contamination through color--in a meditation on color in western culture. Batchelor analyzes the history of, and the motivations behind, chromophobia, from its beginnings through examples of nineteenth-century literature, twentieth-century architecture and film to Pop art, minimalism and the art and architecture of the present day. He argues that there is a tradition of resistance to colour in the West, exemplified by many attempts to purge color from art, literature and architecture. Batchelor seeks to analyze the motivations behind chromophobia, considering the work of writers and philosophers who have used color as a significant motif, and offering new interpretations of familiar texts and works of art.

Edible Schoolyard Alice Waters,2008-12-17 Offers a look at an organic garden on school grounds, which are tended and harvested by students and the benefits that arise from it.
