**Hugs From My Heart** T.S. Kuginskie, 2014-04-04 Hugs From The Heart began as autobiographical bedtime story 'memories' meant to lighten the moods of dear friends, many of whom spend their lives providing care and support for others. A collection of memories from my past, observations from my own perspective, and encouragement for those darker moments everyone has every now and then, I've been told I 'write the way I talk', which I take as a compliment. This is my way of saying, I love you. You're special. You deserve to be cared for. You are MINE and I'm here for you.

*100 Hugs* Sandy Gingras, 2013-11-05 There are times in life when all you need to find solace is a small gesture of consolation. 100 Hugs, a collection of everyday comforts, offers such solace. Each hug is a reminder to slow down and take comfort in the little things, from indulging in warm cookies and milk to watching fireflies on a summer evening. Sandy Gingras's "hugs" are the beacons of light that shine through the fog of everyday life. Sandy Gingras's uplifting words illustrated with her original watercolor art create pretty little "hugs." These hugs are perfect to give as a gift or to keep for your own personal growth. They are nourishment for the body, mind, and soul, reminding you to take a step back and become that flourishing version of you again.

**The 10 Essential Hugs of Life** Roy Spence, 2013-11-05 Roy Spence was raised in a family of huggers. When his dad—Big Roy, the biggest hugger of them all—passed away at the age of ninety-five, Roy Jr. started the healing process and discovered a more profound purpose behind the power of hugs. Roy inherited his dad's way of greeting both friends and strangers alike with a hug. In his journey from small-town Texas boy to CEO of a nationally acclaimed advertising agency, he hugged heads of state and CEOs, waitresses and receptionists, the famous and the salt of the earth. And he used hugs to mend fences, to get over it and get on with it, and to spread a little good in the world. In the 10 Essential Hugs of Life, Roy shares the inspiring lessons he has learned from practicing what his dad taught him—anyone worth meeting is worth hugging—with the hope that others will take up the call to put a little more joy in the lives of those we touch, including our own. We simply need to hug ourselves first, hug our faith and our flags, our friends and family, our fears and failures, our firsts, our futures, and our finals. When we embrace all of the people and events that make us who we are, we discover deep wells of love. With warm Texas charm and stirring artwork, *The 10 Essential Hugs of Life* reveals a path to healing, to goodness, to a future full of love and hope.

*Hugs for the Holidays* John William Smith, John Smith, 1997-10 This beautiful gift book is filled with : Heartwarming stories by the beloved storyteller, John William Smith, which will refresh your heart each time you read them. Personalized Scriptures by LeAnn Weiss, founder of the Encouragement Company, that bring fresh perspective to timeless biblical wisdom. Inspirational messages by someone who wishes to be known only as an anonymous disciple to uplift and encourage you time and time again.

*Grammy's Hugs* Barbara Adoff, 2015-10-16 Grammy thought she knew everything to know about love until her beautiful granddaughter came along. On that first day the grandmother promised she would hug her for the rest of her life-and so she did. Hugging her as a baby was a piece of cake, but as the little beauty grew older the Grandmother's hugs became a bit...intrusive. On the soccer field, in school, at the prom and even on her job interviews! But a promise is a promise and the hugs would have to be there. And so they were. But when it was not possible for the Grandmother to be at her side, the hugs would still be there. They'd be hugs of the heart. A funny, heart-warming story for all grandparents to share with their grandchildren, or any adult who wants to assure their little ones that they are always loved-whether you can be with them or not.

Doctors say he must stay inside, along with everyone else, to stop the spread of a dangerous disease. Audie understands how important it is to protect his loved ones, but he misses hugs! He cannot hug his grandparents or friends and not even his big brother who comes to visit and leaves gifts on the porch.
