Greater Than a Tourist- Hydra, Attica, Greece by Caroline Walter offers the inside scoop on Hydra. Most travel books tell you how to travel like a tourist. Although there is nothing wrong with that, as part of the Greater Than a Tourist series, this book will give you travel tips from someone who has lived at your next travel destination. In these pages, you will discover advice that will help you throughout your stay. This book will not tell you exact addresses or store hours but instead will give you excitement and knowledge from a local that you may not find in other smaller print travel books. Travel like a local. Slow down, stay in one place, and get to know the people and culture. By the time you finish this book, you will be eager and prepared to travel to your next destination. Inside this travel guide book you will find: Insider tips from a local. Bonus tips 50 Things to Know About Packing Light for Travel by bestselling author Manidipa Bhattacharyya. Packing and planning list. List of travel questions to ask yourself or others while traveling. A place to write your travel bucket list. Our Story Traveling is a passion of the Greater than a Tourist series creator. Lisa studied abroad in college, and for their honeymoon Lisa and her husband toured Europe. During her travels to Malta, an older man tried to give her some advice based on his own experience living on the island since he was a young boy. She was not sure if she should talk to the stranger but was interested in his advice. When traveling to some places she was wary to talk to locals because she was afraid that they weren't being genuine. Through her travels, Lisa learned how much locals had to share with tourists. Lisa created the Greater Than a Tourist book series to help connect people with locals. A topic that locals are very passionate about sharing.

Milwaukee Television History Dick Golembiewski, 2008 Milwaukee – not New York, Chicago or Los Angeles was the scene of a number of television firsts: The Journal Company filed the very first application for a commercial TV license with the FCC in 1938. The first female program director and news director in a major market were both at Milwaukee stations. The city was a major battleground in the VHF vs. UHF war that began in the 1950s. The battle to put an educational TV station on the air was fought at the national, state and local levels by the Milwaukee Vocational School. WMVS-TV was the first educational TV station to run a regular schedule of colorcasts, and WMVT was the site of the first long-distance rest of a digital over-the-air signal. This detailed story of the rich history of the city's television stations since 1930 is told through facts, anecdotes, and quotations from the on-air talent, engineers, and managers who conceived, constructed, and put the stations on the air. Included are discussions of the many locally-produced shows – often done live – that once made up a large part of a station's broadcast day. Through these stories – some told here for the first time – and the book's extensive photographic images, the history of Milwaukee television comes alive again for the reader. From the first early tests using mechanical scanning methods in the 1930s, through the first successful digital television tests, the politics, conflicts, triumphs, and failures of Milwaukee's television stations are described in fascinating detail. --Book Jacket.

Inventing Paradise Edmund Keeley, 2002 In the looming shadow of an oppressive dictatorship and imminent world war, George Seferis and George Katsimbalis, along with other poets and writers from Greece's fabled Generation of the 1930s, welcomed Henry Miller and Lawrence Durrell to their homeland. Together, as they spent evenings in Athenian tavernas, explored the Peloponnese, swam off island beaches, and considered the meaning of Greek life and freedom and art, they seemed to be inventing paradise. In a lyrical blend of personal memoir, literary criticism, and interpretative storytelling, Edmund Keeley takes readers on a journey into the poetry, friendships, and politics of this extraordinary time. A remarkable work of cultural history and imaginative criticism, his book recreates a lost paradise of immediate charm, literary greatness, and mythic reach.

The Colossus of Maroussi Henry Miller, 2010-05-18 Henry Miller's landmark travel book, now reissued in a new edition, is ready to be stuffed into any vagabond's backpack. Like the ancient colossus that stood over the harbor of Rhodes, Henry Miller's *The Colossus of Maroussi* stands as a seminal classic in travel literature. It has preceded the footsteps of prominent travel writers such as Pico Iyer and Rolf Potts. The book Miller would later cite as his favorite began with a young woman's seductive description of Greece. Miller headed out with his friend Lawrence Durrell to explore the Grecian countryside: a flock of sheep nearly tramples the two as they lie naked on a beach; the Greek poet Katsimbalis, the "colossus" of Miller's book, stirs every rooster within earshot of the Acropolis with his own loud crowing; cold hard-boiled eggs are warmed in a village's single stove, and they stay in hotels that "have seen better days, but which have an aroma of the past."

Beautiful Animals Lawrence Osborne, 2017-07-18 Let's not mince words. This is a great book. Truly difficult to put down... sophisticated, smart and uncomfortable, and the story is cracking. –Lionel Shriver, Washington Post

Startlingly good...Osborne has been described as an heir to Graham Greene, and he shares with Greene an interest in what might be called the moral thriller." - Katie Kitamura, New York Times Book Review A seductively menacing new thriller by Lawrence Osborne...who unites Graham Greene's fondness for foreign soil with Patricia Highsmith's fascination with the nastier coils of the human psyche." -NPR's "Fresh Air FINANCIAL TIMES SUMMER PICK 2017 GUARDIAN BEST HOLIDAY READS 2017 On a hike during a white-hot summer break on the Greek island of Hydra, Naomi and Samantha make a startling discovery: a man named Faoud, sleeping heavily, exposed to the elements, but still alive. Naomi, the daughter of a wealthy British art collector who has owned a villa in the exclusive hills for decades, convinces Sam, a younger American girl on vacation with her family, to help this stranger. As the two women learn more about the man, a migrant from Syria and a casualty of the crisis raging across the Aegean Sea, their own burgeoning friendship intensifies. But when their seemingly simple plan to help Faoud unravels all must face the horrific consequences they have set in motion. In this brilliant psychological study of manipulation and greed, Lawrence Osborne explores the dark heart of friendship, and shows just how often the road to hell is paved with the best of intentions.

The Sea Change Elizabeth Jane Howard,2016-06-07 A young Englishwoman-akin to a Jane Austen heroine-transforms the lives of a couple who has suffered tragic loss in this story of love and redemption Fourteen years after her death, the ghost of their baby daughter, Sarah, haunts world-famous playwright Emmanuel Joyce and his fragile, embittered wife, Lillian. They have each learned to cope in their own way: Emmanuel seduces his secretaries and Lillian keeps photos of her lost child on the dressing table of every hotel they visit. They're always on the move as they travel from city to city accompanied by Emmanuel's orphaned, hero-worshipping manager, Jimmy. But now a minor crisis looms: Emmanuel's latest secretary has taken a near-lethal dose of drugs on the eve of the Joyces' departure for New York to cast his new play. They need to hire a replacement immediately. Enter stage right: Alberta Young. A clergyman's daughter from Dorset, Alberta arrives for the interview clutching a copy of Middlemarch. She is unlike anyone Emmanuel, Lillian, or Jimmy has ever known. And little by little, she will transform all their lives. Narrated by four main characters, The Sea Change moves from London to New York to Athens and, finally, to the Greek island of Hydra. The bestselling author of the Cazalet Chronicles delivers a novel about learning to move beyond the past without giving up our memories, and how we can change and grow.

The Greek Islands Lawrence Durrell,2011-12-15 Lose yourself in this dazzling travelogue of the idyllic Greek Islands by the king of travel writing and real-life family member of The Durrells in Corfu. 'Incandescent.' André Aciman 'Invades the reader's every sense ... Remarkable.' Victoria Hislop 'Nobody knows the Greek islands like Durrell.' New York Times White-washed houses drenched in pink bougainvillea; dazzling seascapes and rugged coastlines; colourful harbours in quaint fishing villages; shady olive and cypress groves; terraces bathed in the Aegean sun ... The Greek islands conjure up a treasure-chest of images - but nobody brings them to life as vividly as the legendary travel writer Lawrence Durrell. It was during his youth in Corfu - which his brother Gerald fictionalised in My Family and

Other Animals, later filmed as *The Durrells In Corfu* - that his love affair with the Mediterranean began. Now, in this glorious tour of the Greek islands, he weaves evocative descriptions of these idyllic landscapes with insights into their ancient history, and shares luminous personal memories of his time in the local communities. No traveller to Greece or admirer of Durrell's magic should miss it. 'Masterly ... Casts a spell.' Jan Morris 'Our last great garlicky master of the vanishing Mediterranean.' Richard Holmes 'Like long letters from a civilized and very funny friend - the prose as luminous as the Mediterranean air he loves.' Time
