How to Decorate a Dump Philip Almeida, 1983 Gives practical advice on fixing up tenement apartments, shows how to disguise damaged walls and ceilings, and includes tips on light, storage space, windows, and use of color

How to Decorate Shannon Fricke, 2013-08-27 If you dream of decorating (or redecorating) your home but have no idea where to begin, this decorating workshop-in-a-book decodes an interior designer's thought process on creating a stylish home with vision and flow. The secret to those

gorgeous interiors in the magazines lies not in the things that fill the rooms, but in the decorating story or point of view that the designer has applied to the space. With *How to Decorate*, learn how to create your own design concept and implement it with color, furniture, fabrics, lighting, accessorizing, and styling. This book also helps solve a decorator's biggest challenges, from working around a home's existing architecture and organizing a space, to mixing patterns and editing collections. Best of all, 150 color photographs and charming watercolor illustrations--and even a bookplate for personalizing this guide--provide inspiration that makes this book as useful as it is beautiful. Among the insider tips is information on: -Finding a dedicated space where you can organize paint samples, fabric swatches, and magazine clippings -Choosing a sofa wisely -Determining appropriate wall finishes and textures -Identifying what fabrics are right for you -Styling your decor to reinvigorate your space -Plus, the best suppliers for rugs, linens, accessories, and more Interior design should be about telling a personal story, and Shannon Fricke has nailed it on the head with *How to Decorate*. Her genius tips ring true for novice and professional decorators alike, and her decorating workshop-in-a-book organization helps simplify what can be a very intimidating process. This book will empower and motivate you to tell your personal story through your home decor. Bravo, Shannon! -Jenny Komenda, designer and founder of Little Green Notebook *How to Decorate* throws out stuffy notions of doing things the 'right' way and instead invites us to imagine our homes as playgrounds for authentic self-expression. Fricke promotes the idea of decorating at its best, as a means of creating surroundings that reflect who we really are and what we love . . . while having a blast in the process! --Camille Styles, event designer and editor of

CamilleStyles.com Shannon strikes the elusive balance between visual inspiration and practicable action. This is a book you'll both display and put to constant use. --Anne Sage, blogger and founder of The City Sage

Undecorate Christiane Lemieux, Rumaan Alam, 2011-03-08 Jettison the old rulebooks about home décor and “undecorate” your space. As the founder and creative director of DwellStudio—which is famous for its brightly colored, graphic textile designs for home furnishings—designer Christiane Lemieux challenges tradition in a quintessentially American way, championing a fresh, unconventional approach to creating a beautiful and comfortable home. Lemieux emboldens readers to push aside stuffy, professionally-designed décor, showing them instead how to infuse their own personality into their home. Undecorate profiles twenty homes from all over the country, revealing their owners’ love of imperfection and penchant for surprise and unusual juxtapositions while inspiring readers to follow their own whimsy and practicalities in their personal spaces. An anglophile creates an English manor in Hollywood, mixing British flea-market finds with midcentury furniture. A car fanatic turns a vintage Airstream trailer into a master bedroom and situates it in the middle of a vast industrial loft in downtown Chicago. A couple transforms a log house in Nashville, Tennessee, by blending their modern and eclectic styles with the home’s rustic charm. Though the designs differ widely, the spaces all express an open-

minded attitude. Some homes embrace their contexts, while others transcend them. All are shaped by instinct and imagination and share innovative ideas that readers can use to organically and elegantly create their home to match their lifestyle and tastes. Lemieux gets to the essence of the homeowners' distinctive styles, pinpointing the transformative ideas, thoughtful details, and useful solutions that make each home memorable. With more than 200 full-color photographs, Undecorate will both inspire and guide homeowners to a new outlook on home design.

Along the way, Justina also shares personal narratives, practical advice, and nuanced insight into how she lives in her own space—how she reconnects with nature, how she plays and stays inspired, how she gives herself permission to feel free and wild, and how readers can do the same. Jungalow is the term coined by Justina for the brand that embodies her wild, but cozy and homey, style. Copycats abound, but there is no other book like this one—offering Justina's authentic, encouraging voice and approachable, signature style.
