Black Man with a Gun Reloaded Kenn Blanchard,2013-10-01 When many in America hear the phrase black man with a gun, they immediately think negatively. Is that an irrational fear or do the facts bear it out? If you've ever wondered what it's like to be a conservative black man in America, then this is the book for you. Kenn Blanchard takes you behind the scenes to places and perspectives you could never go unchaperoned. He has been involved in the gun rights fight since 1991. He breaks through the racial divide by destroying negative stereotypes about the black community and how they view guns and how they view traditionally white institutions like the NRA. The good reverend answers all these questions and more. You can't put Kenn Blanchard in a box; there's just too much of him. He's a preacher, a motorcycle rider, a Marine veteran, a loving husband and father, and a retired CIA officer. Hear his plea as he reaches out to his brothers and sisters in the African-American community in his best attempt at bringing them into the armed American fold. Black Man with a Gun Reloaded is not color blind. Rather, it takes the bull by the horns and rips its head clean off!
