Justin Guitar - Note Reading for Guitarists Justin Sandercoe, Dario Cortese, 2017-03-01 (Music Sales America). This book has been specially created for any guitarist who wants to learn note reading, be they beginners or more advanced players who have neglected this part of their musicianship. It starts with the very basics of written music and progressively introduces notes on each string one at a time until all notes in the open position (first five frets) of the guitar have been mastered, and up to 8th note rhythm subdivisions have been learned and applied. Also covered are sharps, flats, key signatures, accidentals, repeats and more. Each step includes practical exercises, handy tips and tricks and a simple repertoire for students to put their reading skills into practice. Spiral open so it lays flat no matter what page you're on.

Chords For Kids Jake Jackson,2009-11-01 Chords for Kids is a handy resource for children and early learners of guitar and keyboard. Chords are one of the most important ways that children can learn about music. They provide a fast route into playing with others and encourage a feeling for structure and composition. The simple and clean layout provides chord diagrams on each spread, for both guitar and keyboard, allowing a parent or teacher to explain easily. Using a simple tab-per-key approach, it covers all of the basic chords in each key, including majors, minors, triads, fourths, sixths, sevenths and ninths. Some variations are included at the back for further exploration.
