What Did Jesus Look Like? Joan E. Taylor, 2018-02-08 Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

Jesus > Religion Jefferson Bethke, 2013-10-14 Abandon dead, dry, religious rule-keeping and embrace the promise of being truly known and deeply loved. Jefferson Bethke burst into the cultural conversation with a passionate, provocative poem titled *Why I Hate Religion, But Love Jesus*. The 4-minute video became an overnight sensation, with 7 million YouTube views in its first 48 hours (and 23+ million in a year). Bethke's message clearly struck a chord with believers and nonbelievers alike, triggering an avalanche of responses running the gamut from encouraged to enraged. In his New York Times bestseller *Jesus > Religion*, Bethke unpacks similar contrasts that he drew in the poem--highlighting the difference between teeth gritting and grace, law and love, performance and peace, despair, and hope. With refreshing candor, he delves into the motivation behind his message, beginning with the unvarnished tale of his own plunge from the pinnacle of a works-based, fake-smile existence that sapped his strength and led him down a path of destructive behavior. Along the way, Bethke gives you the tools you need to: Humbly and prayerfully open your mind Understand Jesus for all that he is View the church from a brand-new perspective Bethke is quick to acknowledge that he's not a pastor or theologian, but simply an ordinary, twenty-something who cried out for a life greater than the one for which he had settled. On this journey, Bethke discovered the real Jesus, who beckoned him with love beyond the props of false religion. Praise for *Jesus > Religion*: Jeff's book will make you stop and listen to a voice in your heart that may have been drowned out by the noise of religion. Listen to that voice, then follow it--right to the feet of Jesus. --Bob Goff, author of New York Times bestsellers *Love Does* and *Everybody, Always* The book you hold in your hands is Donald Miller's *Blue Like Jazz* meets C. S. Lewis's *Mere Christianity* meets Augustine's *Confessions*. This book is going to awaken an entire generation to Jesus and His grace. --Derwin L. Gray, lead pastor of Transformation Church, author of *Limitless Life: Breaking Free from the Labels That Hold You Back*

They Like Jesus but Not the Church Dan Kimball, 2009-05-26 Many people today, especially among emerging generations, don't resonate with the church and organized Christianity. Some are leaving the church and others were never part of the church in the first place. Sometimes it's because of misperceptions about the church. Yet often they are still spiritually open and fascinated with Jesus. This is a ministry resource book exploring six of the most common objects and misunderstandings emerging generations have about the church and Christianity. The objections come from conversations and interviews the church has had with unchurched twenty and thirty-somethings at coffee houses. Each chapter raises the objection using a conversational approach, provides the biblical answers to that objection, gives examples of how churches are addressing this objection, and concludes with follow-through projection suggestions, discussion questions, and resource listings.

The Universal Christ Richard Rohr, 2019-03-05 NEW YORK TIMES BESTSELLER • From one of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called "Christ," and how this forgotten truth can restore hope and meaning to our lives. "Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book."—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus's last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant, unfolding work in the world. "God loves things by becoming them," he writes, and Jesus's life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator's presence all around us, and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.

The Color of Christ Edward J. Blum, Paul Harvey, 2012 Explores the dynamic nature of Christ worship in the U.S., addressing how his image has been visually remade to champion the causes of white supremacists and civil rights leaders alike, and why the idea of a white Christ has endured.

Making Sense of God Timothy Keller, 2016-09-20 We live in an age of skepticism. Our society places such faith in empirical reason, historical progress, and heartfelt emotion that it's easy to wonder: Why should anyone believe in Christianity? What role can faith and religion play in our modern lives? In this thoughtful and inspiring new book, pastor and New York Times bestselling author Timothy Keller invites skeptics to consider that Christianity is more relevant now than ever. As human beings, we cannot live without meaning, satisfaction, freedom, identity, justice, and hope. Christianity provides us with unsurpassed resources to meet these needs. Written for both the ardent believer and the skeptic, *Making Sense of God* shines a light on the profound value and importance of Christianity in our lives.

But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty,

iGods Craig Detweiler, 2013-11-19 Today the world is literally at our fingertips. We can call, text, email, or post our status to friends and family on the go. We can carry countless games, music, and apps in our pocket. Yet it's easy to feel overwhelmed by access to so much information and exhausted from managing our online relationships and selves. Craig Detweiler, a nationally known writer and speaker on media issues, provides needed Christian perspective on navigating today's social media culture. He interacts with major symbols, or iGods, of our distracted age--Google, Facebook, Amazon, Apple, Pixar, YouTube, and Twitter--to investigate the impact of the technologies and cultural phenomena that drive us. Detweiler offers a historic look at where we've been and a prophetic look at where we're headed, helping us sort out the immediate from the eternal, the digital from the divine.

Reflections of Christ Mark Mabry, 2008 What if you could have been there the night of Christ's birth? Or the day of His baptism? This first-of-a-kind book showcases twenty-five scenes of the life of Christ. love. It is a book that Christian families will be proud to have in their homes.

Nobody Left Out Michael Murray,2020-11-12 When Jesus walked this earth, he spent time with the messes. A lonely thief. An unwelcome dinner guest. A death-row criminal facing his final hours on earth. What do all of these people have in common? They all faced the messiness of life. Some made the mess themselves. Some were thrown headfirst into a mess through no fault of their own. Then something changed. It wasn't that they suddenly became unmessy. But they each came face to face with Jesus, and he invited them to be part of God's story. He didn't leave them out. This 40-day devotional looks at eight encounters Jesus had with messy, broken people. In short, daily readings, you'll explore each story and see how Jesus met each person in their mess. The eight stories we'll be walking through together are: Jesus Meets The Lonely Thief Jesus Meets The Know-It-All Jesus Meets The Unwelcome Dinner Guest Jesus Meets The Woman Who Was Exploited Jesus Meets The Sick Woman & The Dead Girl Jesus Meets The Blind Man With Perfect Vision Jesus Sees The Invisible Widow Jesus Meets The Honest Criminal Whether you've been following Jesus your whole life or have never cracked open a Bible, Nobody Left Out: Jesus Meets the Messes will remind you that God's love is big enough for everyone.... He doesn't want anyone left out!

Singing the Congregation Monique M. Ingalls,2018-09-17 Contemporary worship music shapes the way evangelical Christians understand worship itself. Author Monique M. Ingalls argues that participatory worship music performances have brought into being new religious social constellations, or modes of congregating. Through exploration of five of these modes--concert, conference, church, public, and networked congregations--Singing the Congregation reinvigorates the analytic categories of congregation and congregational music. Drawing from theoretical models in ethnomusicology and congregational studies, Singing the Congregation reconceives the congregation as a fluid, contingent social constellation that is actively performed into being through communal practice--in this case, the musically-structured participatory activity known as worship. Congregational music-making is thereby recast as a practice capable of weaving together a religious community both inside and outside local institutional churches. Congregational music-making is not only a means of expressing local concerns and constituting the local religious community; it is also a powerful way to identify with far-flung individuals, institutions, and networks that comprise this global religious community. The interactions among the congregations reveal widespread conflicts over religious authority, carrying far-ranging implications for how evangelicals position themselves relative to other groups in North America and beyond.

Finding God's Life for My Will Mike Donehey,2019-08-06 ECPA BESTSELLER • The lead singer, songwriter, and guitarist for award-winning contemporary Christian band Tenth Avenue North shows readers that by seeking God first and focusing on serving Him, we can live daily in His will. Perhaps God isn't giving me the plan because He wants to be the plan. This was the aha moment for Mike Donehey after years of wrestling with his obsession to know God's specific plans for his life. He came to the realization that waiting for absolute certainty from God before making decisions may seem uberspiritual, but it can lead to a life of intense stress, paralyzing fear, and crushing regret--just the opposite of the freedom granted to those living a Christ-filled life. This is my story...how I gave up begging to know God's will and began to ask His life to come and change my will. With his signature humor and relentless hunger for God, Mike will show you that discovering the Father's purpose and plan for our lives is not the shell game that we all too often make it out to be. If you're unsure what to do next, take heart and accept the ultimate invitation: learn to see God as the plan, not simply the formula to the plan.
