I Just Couldn't Wait to Meet You Kate Ritchie,2015-04 Much-loved actor and radio host Kate Ritchie's first book is a beautiful tribute to the joy and anticipation of expecting a child. When you were still a treasured bump, tucked safe away inside, I thought about you night and day and in my sleep - it's true. My heart was full of hope and love. I just couldn't wait to meet you. A heartwarming story to share with the children in your family.

I'll Meet You There Heather Demetrios,2015-02-03 If seventeen-year-old Skylar Evans were a typical Creek View girl, her future would involve a double-wide trailer, a baby on her hip, and the graveyard shift at Taco Bell. But after graduation, the only thing standing between straightedge Skylar and art school are three minimum-wage months of summer. Skylar can taste the freedom—that is, until her mother loses her job and everything starts coming apart. Torn between her dreams and the people she loves, Skylar realizes everything she's ever worked for is on the line. Nineteen-year-old Josh Mitchell had a different ticket out of Creek View: the Marines. But after his leg is blown off in Afghanistan, he returns home, a shell of the cocksure boy he used to be. What brings Skylar and Josh together is working at the Paradise—a quirky motel off California's dusty Highway 99. Despite their differences, their shared isolation turns into an unexpected friendship and soon, something deeper.

**Meet You in the Middle** Devon Daniels,2021-02-02 What happens when the person you find most impossible becomes impossible to resist? The Hating Game meets The West Wing in this hilarious across-the-aisle romantic comedy debut about America's least likely couple. There's just one thing standing between liberal Senate staffer Kate Adams and passage of the landmark legislation she's been fighting for all year: Ben Mackenzie, intimidating gatekeeper for one of DC's most powerful conservative senators. After Kate and Ben lock horns in a meet-not-so-cute, they vow to take each other down—by any means necessary. Their ensuing power struggle gives new meaning to the term office politics: prank mail, spying, bets gone awry—nothing's off limits in their battle of wills. She thinks he's arrogant (and doesn't deserve those gorgeous green eyes). He thinks she's too quick to judge (and irresistibly distracting). But as their endless game of one-upmanship becomes Kate's favorite part of the day, she starts to wonder if her feelings for Ben are closer to attraction than animosity...and maybe their sparring is flirting. When Kate realizes there's more to Ben than meets the eye, she's forced to confront her biggest fear: In her sworn enemy, she may have found her perfect match. Perfect for fans of Sally Thorne and Jasmine Guillory, Meet You in the Middle is a modern, heartfelt and hopeful romance that hilariously explores what happens when you fall in love with your political polar opposite.

K. Choi and Rainbow Rowell. —Julia Lynn Rubin, author of Burro Hills Daphne and Oliver have almost nothing in common... Seventeen-year-old Daphne Bowman, a bookish drama nerd in public school, might never have crossed paths with Oliver, the popular, outgoing mascot for his private school's football team, but one event has bound them inextricably. Daphne's older sister, Emily, and Oliver's older brother, Jason, who were high school sweethearts, died by suicide together seven years earlier. When Daphne uncovers Emily and Jason's bucket list—a list comprised of their Top Ten places to visit before they die—she knows she has to tell someone. The one person who might actually get what she's going through and who might not think it's silly that she wants to complete the list, is also someone she's never spoken to—Oliver Pagano. Throwing caution to the wind, Daphne sends Oliver a Facebook message that will come to change the course of both of their senior years—and maybe their entire lives. Tackling grief with a wry voice and an unflinching eye, So Glad to Meet You tells the story of two people who, in searching for what they've lost, end up finding what they never knew they needed—each other.

**I Came All This Way to Meet You** Jami Attenberg,2022-01-11 A Most Anticipated Title from: USA Today \* The Guardian \* Alma \* Fodor's \* AV Club \* Vogue \* KatieCouric.com \* BookRiot \* Lithub \* BuzzFeed From New York Times bestselling author Jami Attenberg comes a dazzling memoir about unlocking and embracing her creativity—and how it saved her life. In this brilliant, fierce, and funny memoir of transformation, Jami Attenberg—described as a “master of modern fiction” (Entertainment Weekly) and the “poet laureate of difficult families” (Kirkus Reviews)—reveals the defining moments that pushed her to create a life, and voice, she could claim for herself. What does it take to devote oneself to art? What does it mean to own one's ideas? What does the world look like for a woman moving solo through it? As the daughter of a traveling salesman in the Midwest, Attenberg was drawn to a life on the road. Frustrated by quotidian jobs and hungry for inspiration and fresh experiences, her wanderlust led her across the country and eventually on travels around the globe. Through it all she grapples with questions of mortality, otherworldliness, and what we leave behind. It is during these adventures that she begins to reflect on the experiences of her youth—the trauma, the challenges, the risks she has taken. Driving across America on self-funded book tours, sometimes crashing on couches when she was broke, she keeps writing: in researching articles for magazines, jotting down ideas for novels, and refining her craft, she grows as an artist and increasingly learns to trust her gut and, ultimately, herself. Exploring themes of friendship, independence, class, and drive, I Came All This Way to Meet You is an inspiring story of finding one's way home—emotionally, artistically, and physically—and an examination of art and individuality that will resonate with anyone determined to listen to their own creative calling.

**Meet Me at the Summit** Mandi Lynn,2021-08-31 For most 19-year-olds, a cross-country trip is an offer you can't refuse, but for Marly, it's the last thing she wants after losing both her parents in a car accident. Nine months after their death, Marly would rather stay home working the retail job she hates, than deal with her loss. It isn't until family and friends corner her into driving her mom's renovated 1978 VW bus from Washington to New Hampshire that Marly is forced to face her grief and understand the guilt she feels over her parents' death. Skeptical, Marly goes on the trip, warily exploring the life her parents knew she always wanted-hiking mountains and living out her photography dreams. On the way, she'll discover places and people who'll test her emotions and a guy who pushes at the walls she's so carefully built around herself. Marly must decide: can she face her deepest wounds and reclaim the life she thought was gone forever? Meet Me at the Summit is an intimate tale of grief, finding yourself after deep loss, and coming to terms with how life changes when you least expect it. *Lucky To Meet You* Yun YunZhongSheng,2020-10-16 How long has it been since you last did it? Do you want it? The first time we met, he circled around my waist and charmingly asked me in my ear. Until a long time later, I wondered if I had fallen in love with him, or if I had simply fallen in love with the lust he had given me and was unable to extricate myself. He was the shiny fifth brother of the Diamond King. He wanted what kind of woman he didn't want, but he had to force his way through a married woman like me. His enthusiasm made me feel like a moth to a flame, and I didn't care even if my body was smashed to smithereens ...

Dying to Meet You B. Robert Anderson,2001-07-02 Dying to Meet You revolves around a signature killing, in fact around several killings. Why the signature? Who is using someone else's identity? Stephen Eliot lived by the cliché. He also died that way. Again, Lieutenant RC Frane and his partner, Sergeant Greta Rogers track much of the mystery through the food industry, but in a new direction. Thousands of canned tomato products destined to top pizzas in Philadelphia. Food broker, Stephen Eliot also has some interesting needs, before he is murdered.
