Alex Martelli,Anna Martelli Ravenscroft,Steve Holden,Paul McGuire

Each Night, I Die: Reload Cheese,2016-01-30 EACH NIGHT I DIE is the authors true story about how he and his family coped as best they could with his confused and destructive leap into manhood until one by one, they could cope no more. On the other hand, it shows that an absent father, a poor working mother, neighborhood of despair, inadequate education and destructive streets do not have to determine the fate of every urban child in America; that fate lies within. The authors life is a microcosm of many southern families who migrated North in search of a better life. This book is for everyone, regardless of ethnicity or background; and relates to all human emotions: Its about tragedy and triumph, hope and hopelessness, addiction and recovery, faith and fear, life and death, choices and consequences, so it appeals to a diverse audience. A man is not finished when he is defeated; he is only finished when he himself throw in the towel. The author believes his message is a timely one, and our past is over, and should not enslave us for the rest of our lives. No one is beyond the power of redemption, and I believe my life was spared to tell my story, as I remember all of the many lives lost to drugs, prison, and violence; not to mention, the potentials that ended all too soon in a cold, damp grave.

**Reload** David McCaleb,2017-08-29 A special ops veteran is pulled into a dangerous North Korean mission to protect his family in this military thriller by the author of Recall. To save his family—and the free world—Red Harmon is back in the line of fire . . . A sinister enemy is stalking elite military operator Red Harmon and his loved ones. Turning the hunter into his prey, Red uncovers a plot that spans nations and draws him into the remote snow-covered ravines of North Korea. His objective: penetrate the darkest prisons of this mysterious nation to restore national security—and save all he holds dear. Caught in the danger . . . Red’s not the only one who’s been living with secrets. His wife Lori is a lot more than the typical suburban soccer mom she appears to be, and she’s stumbled onto something massive. The future of world peace depends on them—and on an enemy soldier with a powerful personal agenda. If Red’s mission fails, the balance of superpowers may never recover . . . Praise for Reload “David McCaleb delivers with Reload! Red Harmon is a gritty hero who comes through in the clutch and McCaleb’s gripping plot is the stuff of today's headlines. A must read for all fans of thriller fiction!” —A. J. Tata, national bestselling author of Three Minutes to Midnight
