

Global Media Coverage of the Palestinian-Israeli Conflict Nouredine Miladi, 2023-07-13 The attempts to evict Palestinian residents of Sheikh Jarrah in May 2021 caught the attention of the world. While this small Palestinian neighbourhood in East Jerusalem had long been central to the Israel-Palestinian conflict, the planned expulsions pushed the situation back into the spotlight. This book discusses the complexity of the media war that took place at the same time. Across 20 chapters, it compares Israeli, Western, Palestinian and Arab media to understand how different narratives were discussed, supported and challenged. In particular, the book captures how social media became a site of online activism and alternative war narratives. The volume is unique in focusing on a specific event from many different perspectives and with material from different countries and media platforms. Case studies include the Spanish press; the African press; the BBC; Al-Jazeera English; TRT World Television; and digital media such as TikTok and Facebook, as well as the impact of social media activism. In doing so, the book also comments on the extent that citizen journalists challenge the propaganda war.

The Palestine Strategic Report 2020-2021 Prof. Dr. Mohsen Mohammad Saleh, 2022-08-01 Al-Zaytouna Centre is pleased to present to its readers the Palestine Strategic Report (PSR) 2020-2021, the 12th PSR to be published. With an academic methodology and comprehensive objective approach, the report details the developments concerning the Palestine issue and provides the latest information and data available at the end of 2021, along with analyses and forecasts. This report is the result of collaborative work of 15 experts and researchers. In eight chapters, it addresses the internal Palestinian scene; Palestinian demographic and economic indicators; the situation in Jerusalem and the holy sites; the specifics of Israeli aggression, Palestinian resistance and the peace process; the internal situation in Israel, politically, economically and militarily; and Palestine's Arab, Islamic, and international relations. The PSR now occupies a prominent position as an indispensable reference, integral to Palestine studies and research. Al-Zaytouna Centre hopes the PSR will continue to make valuable contributions in this field.

Kids Speak Chaim Walder, 1995 Young people in Israel write about their experiences dealing with personal problems, handicaps, fears, and relationships with parents and others.

Palestine and Rule of Power Alaa Tartir, Timothy Seidel, 2018-12-22 This book explores how the rule of power relates to the case of occupied Palestine, examining features of local dissent and international governance. The project considers expressions of the rule of power in two particular ways: settler colonialism and neoliberalism. As power is always accompanied by resistance, the authors engage with and explores forms of everyday resistance to the logics and regimes of neoliberal governance and settler colonialism. They investigate wide-ranging issues and dynamics related to international governance, liberal peacebuilding, statebuilding, and development, the claim to politics, and the notion and practice of resistance. This work will be of interest for academics focusing on modern Middle Eastern politics, international relations, as well as for courses on contemporary conflicts, peacebuilding, and development.

Digital Disruption and Transformation Daniel R. A. Schallmo, Abayomi Baiyere, Frank Gertsen, Claus Andreas Foss Rosenstand, Christopher A. Williams, 2024 In an era marked by relentless digital disruption, where every interaction - whether it's a click, a tap, or a swipe - shapes the structure of our interconnected world, the need for transformative action becomes notably clear. This collection brings together a dynamic compilation of insights, carefully selected from leading experts in the field, ready to navigate the uncharted waters of this digital revolution. The collection comprises submissions from two ISPIM (International Society for Professional Innovation Management) events, along with additional contributions. It offers an extensive view that encompasses the various challenges and opportunities brought about by the tumultuous waves of digital disruption and transformation, spanning a wide range of aspects in contemporary business and society. The primary aim of this collection is to emphasize the idea that the emerging global digital economy urgently requires a comprehensive perspective on digitalization, making it central for all institutions. Contributions in this collection shed light on important subjects, including, but not limited to, The Evolution of Digital Transformation, Skills and Knowledge Requirements in the Era of Digital Transformations, and Data-Driven Foresight. Within the boundaries of this scholarly endeavor, a deep understanding of the intricate network of digitalization and its consequences is nurtured. As the relentless surge of digitalization continues, this collection serves as an invaluable guide for discerning scholars and practitioners alike, inviting them to navigate this transformative period with wisdom and expertise. .

The Palestine Strategic Report 2016-2017 Dr. Mohsen Mohammad Saleh , 2018-11-19 This annual referential report, has become an essential classic in the academic realm of Palestinian Studies. It includes the latest and most recent statistical and analytic data on the various developments related to the Palestinian issue. **

Ally Michael B. Oren, 2015-06-23 NEW YORK TIMES BESTSELLER • Includes a new afterword about the Iran nuclear agreement, the 2016 presidential race, and the future of the U.S.-Israel alliance Michael B. Oren's memoir of his time as Israel's ambassador to the United States—a period of transformative change for America and a time of violent upheaval throughout the Middle East—provides a frank, fascinating look inside the special relationship between America and its closest ally in the region. Michael Oren served as the Israeli ambassador to the United States from 2009 to 2013. An American by birth and a historian by training, Oren arrived at his diplomatic post just as Benjamin Netanyahu, Barack Obama, and Hillary Clinton assumed office. During Oren's tenure in office, Israel and America grappled with the Palestinian peace process, the Arab Spring, and existential threats to Israel posed by international terrorism and the Iranian nuclear program. Forged in the Truman administration, America's alliance with Israel was subjected to enormous strains, and its future was questioned by commentators in both countries. On more than one occasion, the friendship's very fabric seemed close to unraveling. Ally is the story of that enduring alliance—and of its divides—written from the perspective of a man who treasures his American identity while proudly serving the Jewish State he has come to call home. No one could have been better suited to strengthen bridges between the United States and Israel than Michael Oren—a man equally at home jumping out of a plane as an Israeli paratrooper and discussing Middle East history on TV's Sunday morning political shows. In the pages of this fast-paced book, Oren interweaves the story of his personal journey with behind-the-scenes accounts of fateful meetings between President Obama and Prime Minister Netanyahu, high-stakes summits with the Palestinian leader Mahmoud Abbas, and diplomatic crises that intensified the controversy surrounding the world's most contested strip of land. A quintessentially American story of a young man who refused to relinquish a dream—irrespective of the obstacles—and an inherently Israeli story about assuming onerous responsibilities, Ally is at once a record, a chronicle, and a confession. And it is a story about love—about someone fortunate enough to love two countries and to represent one to the other. But, above all, this memoir is a testament to an alliance that was and will remain vital for Americans, Israelis, and the world.

The Shadow President Michael D'Antonio, Peter Eisner, 2018-08-28 It presents an entirely damning portrait of Pence. You've seen his colors before, but not so vividly and in this detail. —Frank Bruni, The New York Times Producing a biography of a living, controversial politician is always difficult. D'Antonio and Eisner have succeeded in this well-documented, damning book. Cue the outrage from Sean Hannity et al. —Kirkus Reviews (starred review) In this well-rounded, deeply-investigated biography, the first full look at the vice president, two award-winning journalists unmask the real Mike Pence. Little-known outside his home state until Donald Trump made him his running mate, Mike Pence—who proclaims himself a Christian first, a conservative second, and a Republican third—has long worn a carefully-constructed mask of Midwestern nice. Behind his self-proclaimed humility and self-abasing deference, however, hides a man whose own presidential ambitions have blazed since high school. Pence's drive for power, perhaps inspired by his belief that God might have big plans for him, explains why he shocked his allies by lending Christian credibility to a scandal-plagued candidate like Trump. In this landmark biography, Pulitzer Prize-winner Michael D'Antonio and Emmy-nominated journalist Peter Eisner follow the path Pence followed from Catholic Democrat to conservative evangelical Republican. They reveal how he used his time as rightwing radio star to build connections with powerful donors; how he was a lackluster lawmaker in Congress but a prodigious fundraiser from the GOP's billionaire benefactors; and how, once he locked in his views on the issues—anti-gay, pro-gun, anti-abortion, pro big-business—he became laser-focused on his own pursuit of power. As THE SHADOW PRESIDENT reveals, Mike Pence is the most important and powerful Christian Right politician America has ever seen. Driven as much by theology as personal ambition, Pence is now positioned to seize the big prize—the presidency—and use it to fashion a nation

more pleasing to his god and corporate sponsors.

Video Verification in the Fake News Era Vasileios Mezaris, Lyndon Nixon, Symeon Papadopoulos, Denis Teyssou, 2019-09-17 This book presents the latest technological advances and practical tools for discovering, verifying and visualizing social media video content, and managing related rights. The digital media revolution is bringing breaking news to online video platforms, and news organizations often rely on user-generated recordings of new and developing events shared in social media to illustrate the story. However, in video, there is also deception. In today's fake news era, access to increasingly sophisticated editing and content management tools and the ease with which fake information spreads in electronic networks, require the entire news and media industries to carefully verify third-party content before publishing it. As such, this book is of interest to computer scientists and researchers, news and media professionals, as well as policymakers and data-savvy media consumers.

Normative Power Europe Meets Israel Sharon Pardo, 2015-08-21 This book elucidates the tension between the European Union's normative and empirical dimensions underlying Israeli-European Union relations, and uses this uneasy relationship as a case study through which to bridge the theoretical gap between "Normative Power Europe" scholarship and European Union external perceptions studies.

Global Media Coverage of the Palestinian-Israeli Conflict Nouredine Miladi, 2023-08-10 The attempts to evict Palestinian residents of Sheikh Jarrah in May 2021 caught the attention of the world. While this small Palestinian neighbourhood in East Jerusalem had long been central to the Israel-Palestinian conflict, the planned expulsions pushed the situation back into the spotlight. This book discusses the complexity of the media war that took place at the same time. Across 20 chapters, it compares Israeli, Western, Palestinian and Arab media to understand how different narratives were discussed, supported and challenged. In particular, the book captures how social media became a site of online activism and alternative war narratives. The volume is unique in focusing on a specific event from many different perspectives and with material from different countries and media platforms. Case studies include the Spanish press; the African press; the BBC; Al-Jazeera English; TRT World Television; and digital media such as TikTok and Facebook, as well as the impact of social media activism. In doing so, the book also comments on the extent that citizen journalists challenge the propaganda war.

The Aleppo Codex Matti Friedman, 2013-05-14 Winner of the 2014 Sami Rohr Prize for Jewish Literature A thousand years ago, the most perfect copy of the Hebrew Bible was written. It was kept safe through one upheaval after another in the Middle East, and by the 1940s it was housed in a dark grotto in Aleppo, Syria, and had become known around the world as the Aleppo Codex. Journalist Matti Friedman's true-life detective story traces how this precious manuscript was smuggled from its hiding place in Syria into the newly founded state of Israel and how and why many of its most sacred and valuable pages went missing. It's a tale that involves grizzled secret agents, pious clergymen, shrewd antiquities collectors, and highly placed national figures who, as it turns out, would do anything to get their hands on an ancient, decaying book. What it reveals are uncomfortable truths about greed, state cover-ups, and the fascinating role of historical treasures in creating a national identity.

Nasty Politics Massicotte, Thomas Zeitzoff, 2023 A novel explanation for why politicians insult, accuse, and threaten their opponents, even though voters say they don't like it. Why do politicians engage in nasty politics? Why do they use insult, accusations, intimidation, and in rare cases violence against their domestic political opponents? In *Nasty Politics*, Thomas Zeitzoff answers these questions by examining this global political trend in the US, Ukraine, and Israel and looking at how key leaders such as Trump, Zelensky, and Netanyahu use it. Drawing on surveys, case studies, in-depth interviews, databases of nasty politics, and large social media datasets, Zeitzoff shows that across all three countries, the public generally doesn't like nasty politics and it increases the threat of political violence. But it can also be a way to signal toughness to voters, which is especially important in threatening times. Featuring a powerful theory of why nastiness takes hold in democratic polities, *Nasty Politics* highlights how it influences the kinds of politicians who run for office and deepens our understanding for why so many politicians now rely on outsized anger and withering insults for political gain.

Advances in Crowdfunding Rotem Shneor, 2020 This open access book presents a comprehensive and up-to-date collection of knowledge on the state of crowdfunding research and practice. It considers crowdfunding models and their different manifestations across a variety of geographies and sectors, and explores the perspectives of fundraisers, backers, platforms, and regulators. Gathering insights from a wide range of influential researchers in the field, the book balances concepts, theory, and case studies. Going beyond previous research on crowdfunding, the contributors also investigate issues of community, sustainability, education, and ethics. A vital resource for anyone researching crowdfunding, this book offers readers a deep understanding of the characteristics, business models, user-relations, and behavioural patterns of crowdfunding.

Fear and Insecurity Jonathan G. Leslie, 2022-12-13 To observers of the Iran-Israel conflict, its vitriolic rhetoric might suggest an ancient hatred between Jews and Muslims—a biblical feud dating back hundreds, or thousands, of years. But this rivalry is a far more modern development. In this authoritative study, Jonathan G. Leslie examines the origins of the conflict. Drawing on extensive archival and open-source research, he concludes that—despite the animosity surrounding the Iran-Israel relationship—the twenty-first century's hostilities are not inevitable consequences of these nations' history, nor of contemporary political events. The intensification of tensions has been largely the product of one nation's efforts, with Israel viewing Iran as a far greater danger than Iran does Israel. Using a novel theoretical approach considering the power of narrative within historical context, Leslie outlines how Israel's leaders successfully reimagined their erstwhile ally Iran as an existential threat. Former Prime Minister Benjamin Netanyahu took this further, employing populist strategies in an attempt to rewrite history, depict Iran as a global menace, and recruit allies against the JCPOA nuclear deal. *Fear and Insecurity* provides important new insights into the history of the Iran-Israel conflict, and offers fresh prospects for defusing the tensions threatening both global and regional security.

Fraternal Enemies Clive Jones, Yoel Guzansky, 2020-02-01 Relations between Israel and the Gulf states are not anything new. In the immediate aftermath of the 1993 Oslo Accords, both Qatar and Oman established low-level yet open diplomatic ties with Israel. In 2010, Ha'aretz reported that the former Israeli foreign minister, Tzipi Livni, was on friendly terms with Shaykh Abdullah Ibn Zayed, her counterpart from the UAE, despite the absence of formal diplomatic ties between the two states. The shared suspicion towards the regional designs of Iran that undoubtedly underpinned these ties even extended, it was alleged, to a secret dialogue between Israel and Saudi Arabia, led by the late Meir Dagan, the former head of Mossad. Cooperation between Israel and Saudi Arabia in thwarting Iran's regional ambitions also casts light on Washington's lack of strategic leadership, which had previously been the totem around which Israel and the Gulf states had based regional security strategies. Jones and Guzansky contend that, at the very least, ties between Israel and many of its Gulf counterparts are now more vibrant than hitherto realized. They constitute a tacit security regime which, while based on hard power interests, does not preclude competition in other areas. Ultimately, these relations are helping shape a new regional order in the Middle East.

COVID-19 and Well-being Life in the Pandemic OECD, 2021-11-25 COVID-19 and Well-being: Life in the Pandemic explores the immediate implications of the pandemic for people's lives and livelihoods in OECD countries. The report charts the course of well-being – from jobs and incomes through to social connections, health, work-life balance, safety and more – using data collected during the first 12-15 months of the pandemic.

Routledge Handbook of EU-Middle East Relations Dimitris Bouris, Daniela Huber, Michelle Pace, 2021-12-30 EU-Middle East relations are multifaceted, varied and complex, shaped by historical, political, economic, migratory, social and cultural dynamics. Covering these relations from a broad perspective that captures continuities, ruptures and entanglements, this handbook provides a clearer understanding of trends, thus contributing to a range of different turns in international relations. The interdisciplinary and diverse assessments through which readers may grasp a more nuanced comprehension of the intricate entanglements in EU-Middle East relations are carefully provided in these pages by leading experts in the various (sub)fields, including academics, think-tankers, as well as policymakers. The volume offers original reflections on historical constructions; theoretical approaches; multilateralism and geopolitical perspectives; contemporary issues; peace, security and conflict; and development, economics, trade and society. This handbook provides an entry point for an informed exploration of the multiple themes, actors, structures, policies and processes that mould EU-Middle East relations. It is designed for policymakers, academics and students of all levels interested in politics, international and global studies, contemporary history, regionalism and area studies.

Broadcasting Change Joseph Braude,2017-11-30 Following the Arab Spring, some Arab autocrats are seeking to promote reform. Looking at Saudi Arabia, Bahrain, Egypt, and Algeria, the chapters describe the political situation, the major players, the trends in media activity, the (limited) role of the US in the political and media landscape, and the opportunities for action.

USA Russia & China in the Middle East Iakovos Alhadeff,2016-02-15 There is a rumor that it is very difficult to understand the Middle East. However this is not true. It is difficult to understand the Middle East only when the emphasis is not on oil and natural gas. If oil and natural gas are taken into account it is very easy to analyze the Middle East. Because the Middle East is simply a region where the local players are fighting to sell their oil and natural gas, and the foreign players are fighting to buy this oil and natural gas. It might sound naïve, but that’s what the Middle East is about. It is only academics and specialists that need to know more about the Middle East. For the general reader who simply wants to understand the Middle East wars, oil and natural gas will do the trick. And that’s what this booklet is about. It clearly explains how the US, Russia and China are trying to control the oil and natural gas of the Middle East, and how Saudi Arabia, Iran, Qatar and Iraq are trying to sell their oil and natural gas. After reading the booklet, the reader will know the exact causes of the wars in Syria, Iraq and Libya. No prior knowledge is required.

Right here, we have countless books **I24news** and collections to check out. We additionally find the money for variant types and with type of the books to browse. The okay book, fiction, history, novel, scientific research, as without difficulty as various other sorts of books are readily simple here.

I24news Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free I24news PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free I24news PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of I24news free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across

different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About I24news Books

What is a I24news PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a I24news PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a I24news PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a I24news PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a I24news PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
