Includes helps on how to present important Christian concepts to children and to enhance their understanding. A new addition joins this beloved series of biblically-based classics from author Ken Ham. Using rhyme to present the memorable account, N is for Noah provides structured learning enhanced with important words, biblical concepts, and verses. The easel-book format makes it easy to teach, with text for the child on one side and detailed information for the parent or educator on the back. *Noah* Bruce A. McDowell,2014-03-21 The importance of Noah and the Flood account is indicated in Scripture by the amount of space dedicated to it. Just the account of the Deluge (Gen. 6:9--8:22) covers as much in the Genesis narrative as the millennia from Adam to Noah (4:1--6:8) or from Noah to Abraham (9:1--11:26). The call of Noah, similar to the call of Abraham, indicates the importance of his place in the history of God's redemption of humanity. His life covers the transition from one major epoch to the next in God's dealings with humankind. Noah is one of various patriarchs who were a type of Christ. His life and ministry are in the Scriptures to bless us.

**Noah's Ark** Publications International Ltd. Staff,2005-01-01 More than 50 flaps, casebound board book.

The Story of Noah's Ark Kenny E. Rettore,2004 This charming and colorful three-dimensional padded cloth toy is shaped like Noah's ark and filled with little stuffed-fabric animals. They come in pairs of two, exactly like they are in the bible story of Noah and the ark. Kids will find pairs of horses, giraffes, sheep, elephants, and others--12 miniature animals in all. There is also a stuffed-cloth Noah, who smiles over all the animals. A skylight flap opens on the ark's roof to show a picture of Noah's wife and children, and a door at the ark's stern unfolds, becoming a ramp on which the animals can board the ark. When kids want to take all the animals out of the ark they can lift the roof and open it from its Velcro tab. A delightful extra feature is an eight page illustrated cloth book (size 4 1/2 x 4 1/4) that tells the story of Noah and the flood in easy words. (Ages Infant to 1/23)

*Noah and the Ark Vol 1* Mellie Harp,2020-10-16 Based on the biblical story of Noah and The Ark. A giant named OG becomes Noah's best friend. There once was a little boy by the name of Noah. Noah started walking upright at the young age of 9 months. He was running around everywhere and

getting into everything that wasn't tied down or locked up. To give Noah something to play with, his daddy caught him a small rabbit and Noah promised not to hurt the little animal; his daddy believed him. Little Noah and the tiny rabbit had so much fun playing together that Mommy and Daddy were overjoyed. One day, a big giant came along that was very hungry. He was over 10 feet tall! Kneeling down, it snatched up the little rabbit and swallowed it whole in one great big bite. Noah started screaming. Mama ran from the house and picked up her baby, scolding the big giant, with tears streaming down her surprised face. Another smaller giant, about 8 feet tall, had seen what the bigger giant had done. He grabbed the 10 foot giant and slammed him onto the ground with a mighty blow to his big body. The 10 foot giant toppled, completely knocked out! Little Noah, delighted and unafraid, jumped out of Mama's arms and kissed the 8 foot giant on his bruised knuckles. The 8 foot giant was surprised, but well pleased. He picked up little Noah and gently hugged him. From that day on, he was known as Og, Noah's Giant. Continue reading...

Now with Agents searching for him and age pressing down upon him time seems to be running out for the old man. Yet in this darkest hour God has delivered a child of wonders to him. **The Story of Glops** Betty Reeves, Elayne M. Hoover-Sims, 2018-04-10 In the early days of our world when God made animals, he also made creatures known as 'glops.' Have you ever seen 'glops' or heard about them? Well, I am going to tell you their story. So begins this book about how glops lived and how they tried to reach Noah's Ark before the Great Flood. Did they make it there? Read The Story of Glops to find out.

From Adam to Noah in Coloring Pages Peshie Zinjiba-Nyakutya, 2012-10 The children's book From Adam to Noah in Coloring Pages: Genesis 1 to 9 provides a captivating way to introduce little ones to the Bible. Each story is told completely in pictures so even small children can understand. Meet the clever serpent deceiving Eve, the angry Cain killing Abel, and see Noah's ark floating on the great waters. The book's first story centers on God and explains the principle that God made everything. In the second tale, jealousy leads Cain to kill his brother. And in the third story, Noah is the main

character. God repays Noah's obedience by allowing Noah to find safety in the great flood. Born in Zimbabwe, first-time author Peshie Zinjiba-Nyakutya is now a physiotherapist in Botswana. A Sunday school teacher, she found it difficult to find material that would appeal to her students. I have made similar books following the books of the Bible and for now am up to Leviticus. I plan to do the whole Bible and create a series. Publisher's website: <http://sbpra.com/PeshieZinjiba-Nyakutya>
