No Respect Gerard Malanga,2001 In 1964, at age 21, Gerard Malanga was already a celebrity poet-photographer in Andy Warhol's Factory; he'd starred in Warhol movies and his poetry had appeared in such prestigious literary magazines as Poetry, Art & Literature, Partisan Review and The New Yorker. This monumental retrospective volume includes all the major highlights of Malanga's previously published work, plus many new or rediscovered poems appearing here in book form for the first time.

Crow Blue Adriana Lisboa,2013-01-01 The latest novel from a rising star of Brazilian literature, Crow Blue spins a far-reaching story of the search for one's roots.

The Piano Cemetery Jos ?Lus? Peixoto,José Luís Peixoto,2011-08-01 The Lázaro family are carpenters who would rather be piano-makers. In the dusty back room of their carpentry shop in Lisbon is the 'piano cemetery', filled with broken-down pianos that provide the spare parts needed for repairing and rebuilding instruments all over the city. It is a mysterious and magical place, a place of solace, a dreaming place and, above all, a trysting place for lovers. Peixoto weaves the tragic true story of the marathon-runner, Francisco Lázaro, into a rich narrative of love, betrayal, domestic happiness and dashed hopes.

Translating for (And From) the Italian Screen Philip Balma,Giovanni Spani,2020-04-14 Literary Nonfiction. Film. Italian American Studies. For those who believe that the choices involved in subtitling or dubbing foreign films are merely physical in nature--fitting the written words within the borders of the photogram, synchronizing the sounds of translated dialogue with the lip movements of actors--TRANSLATING FOR (AND FROM) THE ITALIAN SCREEN offers dramatic proof to the contrary. What emerges from this volume is a sophisticated and profound understanding of the cultural stakes of such operations. As evidenced by these ingenious case studies of the transformations undergone by Anglophone films when shown on Italian screens (or vice-versa), the cultural implications can be terribly tone-deaf (e.g. Monty Python and the Holy Grail), deeply harmonious (e.g. The Nanny), or ideologically distorted (e.g. La ricotta). In compiling this rich and provocative collection of essays, Balma and Spani have rendered it impossible for readers to maintain a naive view of the role played by subtitling and dubbing in the all-important transmission of cross-cultural understanding.--Millicent Marcus

The Implacable Order of Things Jose Luis Peixoto,2008-07-29 Winner of the José Saramago Literary Award In an unnamed Portuguese village, against a backdrop of severe rural poverty, two generations of men and women struggle with love, violence, death, and—perhaps worst of all—the inescapability of fate. A pair of twins conjoined at the pinky, a 120-year-old wise man, a shepherd turned cuckold by a giant, and even the Devil himself make up the unforgettably oddball cast of The Implacable Order of Things. As these lost souls come together and drift apart, José Luís Peixoto masterfully reveals the absurd, heartbreaking, and ultimately bewitching aspects of human nature in a literary performance that heralds the arrival of an astoundingly gifted and poetic writer.
