BBQ USA Steven Raichlen, 2003-04-22 Steven Raichlen, a national barbecue treasure and author of *The Barbecue! Bible*, *How to Grill*, and other books in the *Barbecue! Bible* series, embarks on a quest to find the soul of American barbecue, from barbecue-belt classics-Lone Star Brisket, Lexington Pulled Pork, K.C. Pepper Rub, Tennessee Mop Sauce-to the grilling genius of backyards, tailgate parties, competitions, and local restaurants. In 450 recipes covering every state as well as Canada and Puerto Rico, *BBQ USA* celebrates the best of regional live-fire cooking. Finger-lickin' or highfalutin; smoked, rubbed, mopped, or pulled; cooked in minutes or slaved over all through the night, American barbecue is where fire meets obsession. There's grill-crazy California, where everything gets fired up - dates, Caesar salad, lamb shanks, mussels. Latin-influenced Florida, with its Chimichurri Game Hens and Mojo-Marinaded Pork on Sugar Cane. Maple syrup flavors the grilled fare of Vermont; Wisconsin throws its kielbasa over the coals; Georgia barbecues Vidalias; and Hawaii makes its pineapples sing. Accompanying the recipes are hundreds of tips, techniques, sidebars, and pit stops. It's a coast-to-coast extravaganza, from soup (grilled, chilled, and served in shooters) to nuts (yes, barbecued peanuts, from Kentucky).

The BBQ Queens' Big Book of BBQ Karen Adler, Judith Fertig, 2005-03-09 Don't let the tiaras fool you: Adler and Fertig may advocate having fun while cooking, but they are serious about barbecue. They just know that women approach barbecuing differently than men: thinking about the whole meal, how to prep efficiently, how to energize leftovers, how to get creative with their recipes. The authors present all the basics, from ingredients and equipment to technique and preparations. Then they expand the repertoire by offering a variety of marinades, sauces, sides, and more sophisticated recipes. Factor in their queenly charm and wit, and you'll have as great a time reading as you do barbecuing.

Paul Kirks Championship Barbecue Paul Kirk, 2010-05-14 The secret's in the sauce! Every backyard chef yearns to be known for that special brew that earns him or her a reputation as a barbecue pro. Paul Kirk's Championship Barbecue Sauces gives the outdoor cook a tasty head start. At its heart are over 50 sauces, from Granddad's Hotshot Sauce, Sweet Kansas City Sauce, and The Rib Doctor's Sauce to Smoky Peach Sauce and Berry Berry Sauce. Dozens of marinades get any food ready for the fire, and a bounty of rubs and mops will turn the most casual griller into a certified pitmaster. For extra pleasures once the food is served, there are zesty salsas and relishes, and even homemade mustards and ketchups. Each recipe points to the meats, fish, or vegetables it complements best. And, in several sections called "Master Classes," readers learn how to concoct their own signature rubs and sauces out of the basic components: sugars, salts, acids, and spices.

Rodney Scott's World of BBQ Rodney Scott, Lolis Eric Elie, 2021-03-16 IACP COOKBOOK OF THE YEAR AWARD WINNER • In the first cookbook by a Black pitmaster, James Beard Award-winning chef Rodney Scott celebrates an incredible culinary legacy through his life story, family traditions, and unmatched dedication to his craft. "BBQ is such an important part of African American history, and no one is better at BBQ than Rodney."—Marcus Samuelsson, chef and restaurateur ONE OF THE BEST COOKBOOKS OF THE YEAR: The New York Times, The Washington Post, Time Out, Food52, Taste of Home, Garden & Gun, Epicurious, Vice, Salon, Southern Living, Wired, Library Journal Rodney Scott was born with barbecue in his blood. He cooked his first whole hog, a specialty of South Carolina barbecue, when he was just eleven years old. At the time, he was cooking at Scott's Bar-B-Q, his family's barbecue spot in Hemingway, South Carolina. Now, four decades later, he owns one of the country's most awarded and talked-about barbecue joints, Rodney Scott's Whole Hog BBQ in Charleston. In this cookbook, co-written by award-winning writer Lolis Eric Elie, Rodney spills what makes his pit-smoked turkey, barbecued spare ribs, smoked chicken wings, hush puppies, Ella's

Banana Puddin', and award-winning whole hog so special. Moreover, his recipes make it possible to achieve these special flavors yourself, whether you're a barbecue pro or a novice. From the ins and outs of building your own pit to poignant essays on South Carolinian foodways and traditions, this stunningly photographed cookbook is the ultimate barbecue reference. It is also a powerful work of storytelling. In this modern American success story, Rodney details how he made his way from the small town where he worked for his father in the tobacco fields and in the smokehouse, to the sacrifices he made to grow his family's business, and the tough decisions he made to venture out on his own in Charleston. Rodney Scott's World of BBQ is an uplifting story that speaks to how hope, hard work, and a whole lot of optimism built a rich celebration of his heritage—and of unforgettable barbecue.

America's Best BBQ—Homestyle Ardie A. Davis, Paul Kirk, 2013-05-07 Take your backyard cookouts to a new level. “Davis and Kirk explore the world of competition barbecue and share tips and recipes straight from the champs.” —The Edwardsville Intelligencer It began with one simple question: What do championship barbecuers love to cook for themselves, when there are no rules but the simple laws of physics and basic chemistry? With more than thirty years of barbecue contest experience apiece, Ardie A. Davis, professional barbecue judge and barbecue historian extraordinaire, and KC Baron of Barbeque Paul Kirk, with a slew of awards under his belt—including seven world championships—were just the guys to ask it. America's Best BBQ—Homestyle collects the best backyard cookout recipes from people who have gone pro. Some of the recipes are former competition

winners that have earned a constant place at the family table. Others are foods that teams like to make (and share) while they tend their fires on contest day. A few are old family recipes passed down for generations. And some are even the result of ingenious experiments in the kitchen and at the grill. Most are easy. All are sure to win the hearts of friends and neighbors at your next family cookout. Also included are tips and advice on everything from meal prep to gadgets, some basics to get you started, a few tall tales from the pits, and tons of photos of the dishes and the pitmasters who make them. This is the only book you need to become “the envy of the subdivision, the pride of the campground, and the host with the most at the next tailgate party” (The Self Taught Cook).

Barbecue Crossroads Robb Walsh, 2013-06-06 In stories, recipes, and photographs, James Beard Award-winning writer Robb Walsh and acclaimed documentary photographer O. Rufus Lovett take us on a barbecue odyssey from East Texas to the Carolinas and back. In *Barbecue Crossroads*, we meet the pitmasters who still use old-fashioned wood-fired pits, and we sample some of their succulent pork shoulders, whole hogs, savory beef, sausage, mutton, and even some barbecued baloney. Recipes for these and the side dishes, sauces, and desserts that come with them are painstakingly recorded and tested. But *Barbecue Crossroads* is more than a cookbook; it is a trip back to the roots of our oldest artisan food tradition and a look at how Southern culture is changing. Walsh and Lovett trace the lineage of Southern barbecue backwards through time as they travel across a part of the country where slow-cooked meat has long been part of everyday life. What they find is not one story, but many. They visit legendary joints that don't live up to their reputations—and discover unknown places

that deserve more attention. They tell us why the corporatizing of agriculture is making it difficult for pitmasters to afford hickory wood or find whole hogs that fit on a pit. Walsh and Lovett also remind us of myriad ways that race weaves in and out of the barbecue story, from African American cooking techniques and recipes to the tastes of migrant farmworkers who ate their barbecue in meat markets, gas stations, and convenience stores because they weren't welcome in restaurants. The authors also expose the ways that barbecue competitions and TV shows are undermining traditional barbecue culture. And they predict that the revival of the community barbecue tradition may well be its salvation.
