John Wesley Powell

The Klamath Indians of Southwestern Oregon Albert Samuel Gatschet, 1890

Wigwam and War-path Alfred Benjamin Meacham, 1875 From introduction: The chapter in our National History which tells our dealings with the Indian tribes, from Plymouth to San Francisco, will be one of the darkest and most disgraceful in our annals. Fraud and oppression, hypocrisy and violence, open, high handed robbery and sly cheating, the swindling agent and the brutal soldier turned into a brigand, buying promotion by pandering to the hate and fears of the settlers, avarice and indifference to human life, and lust for territory, all play their parts in the drama. Except the Negro, no race will lift up, at the judgement seat, such accusing hands against this nation as the Indian.

Contributions to North American Ethnology John Wesley Powell, 1893

Tribes of California Stephen Powers, 2023-09-01 This classic of American Indian ethnography, originally published in 1877, is again available in its complete form. In the summers of 1871 and 1872 Powers visited Indian groups in the northern two-thirds of California. A journalist by profession, he was untrained in ethnography, but was nonetheless an astonishingly intelligent observer who had a gift for writing in a spirited manner. He reported faithfully what he heard and portrayed accurately what he saw among the native survivors of Gold Rush days in a series of seventeen articles published mostly in *The Overland Monthly*. These were partly unwritten, added

to, and reorganized by Powers to be published in 1877 as a report of the U.S. Geographical Survey of the Rocky Mountain Region. Powers' book is still basic and is referred to by everyone who deals with native cultures. The 1877 edition was not large, and *Tribes of California* is at last reprinted in response to growing demand for this rare volume. For this edition all of the original illustrations have been retained and the basic text printed in facsimile. Professor Robert F. Heizer has provided annotations throughout and an introduction to indicate contemporary thought about the volume.

Narrative of the Exploring Expedition to the Rocky Mountains, in the Year 1842, and to Oregon and North California, in the Years 1843-44 John Charles Frémont, 1846

Wi-ne-ma (the Woman-chief.) and Her People Alfred Benjamin Meacham, 1876
Written by Methodist minister, author and historian Alfred B. Meacham, this biography tells the story of Toby Riddle, known as Wi-ne-ma, a female chief of the Modoc tribe. Serving as an interpreter for negotiations between her tribesmen and the United States Army, Wi-ne-ma advocated for peace during the Modoc Wars. Today, she is remembered in American history as a hero for her actions after learning of an attack aimed at members of the Peace Commission. Warning the U.S. Army of the attack, Wi-ne-ma saved the lives of many people, including chairman Meacham, the author of this volume.
