iBooks and ePeriodicals on the iPad: The Mini Missing Manual J.D. Biersdorfer,2010-06-18 This Mini Missing Manual takes you down the virtual rows of Apple's iBookstore, to help you find, buy, and download books and subscribe to magazine and newspapers on your iPad. You'll learn now to navigate your books and periodicals and sync them back to iTunes to swap them on and off your iPad to free up storage space. In addition, you'll find out where to get free books in the iBookstore, and where you can shop for iPad-compatible books, both free and for-pay, outside of Apple's domain. Finally, you'll learn the fine art of eBook navigation, including how to change a book's font and font size, add bookmarks, highlight special passages, dynamically look up words in the dictionary, andsearch through your iBooks. This Mini Missing Manual is excerpted from the book iPad: The Missing Manual.

The End of Ownership Aaron Perzanowski,Jason Schultz,2018-03-16 An argument for retaining the notion of personal property in the products we "buy" in the digital marketplace. If you buy a book at the bookstore, you own it. You can take it home, scribble in the margins, put in on the shelf, lend it to a friend, sell it at a garage sale. But is the same thing true for the ebooks or other digital goods you buy? Retailers and copyright holders argue that you don't own those purchases, you merely license them. That means your ebook vendor can delete the book from your device without warning or explanation—as Amazon deleted Orwell's 1984 from the Kindles of surprised readers several years ago. These readers thought they owned their copies of 1984. Until, it turned out, they didn't. In The End of Ownership, Aaron Perzanowski and Jason Schultz explore how notions of ownership have shifted in the digital marketplace, and make an argument for the benefits of personal property. Of course, ebooks, cloud storage, streaming, and other digital goods offer users convenience and flexibility. But, Perzanowski and Schultz warn, consumers should be aware of the tradeoffs involving user constraints, permanence, and privacy. The rights of private property are clear, but few people manage to read their end user agreements. Perzanowski and Schultz argue that introducing aspects of private property and ownership into the digital marketplace would offer both legal and economic benefits. But, most important, it would affirm our sense of self-direction and autonomy. If we own our purchases, we are free to make whatever lawful use of them we please. Technology need not constrain our freedom; it can also empower us.

Day of the Panzer Jeff Danby,2008-05-08 "[An] excellent popular history . . . a sprightly and evocative tribute to the troops of Operation Dragoon" (Publishers Weekly). This is a rarely detailed, "you are there" account of World War II combat, describing a brief but bloody tank/infantry action in August 1944. Based on six years of research—drawing from interviews, primary documents, and visits to the battlefield—The Day of the Panzer transports the reader into the ranks of L Company, 15th Regiment, Third Infantry Division, and its supporting M4s of the 756th Tank Battalion as they grapple head-on with the Wehrmacht. On August 15, 1944, L Company hit the beaches in southern France, joined by the tank crews of 2nd Lt. Andrew Orient's 3rd Platoon, all veterans of Cassino. Despite logistical problems, the Third Division forged north through the Rhône River valley, L Company and its supporting tanks leading the regimental charge—until they faced a savage counterattack by the Germans and a rampaging Panther tank . . . In this book, the minute-by-minute confusion, thrill, and desperation of WWII combat is placed under a microscope, as if the readers themselves were participants. "Through his well-wrought prose, Danby paints a detailed picture of deadly fighting and stunning victory" (WWII History). "One of the most interesting and absorbing battles histories that this reviewer has ever read . . . remarkably realistic and personal." —History Book Club "The excellent descriptions of infantrymen, tankers and supporting troops from the 15th's Cannon Company using M8 self-propelled howitzers and the three inch gun armed M10s of the 601st Tank Destroyer Battalion make for good reading." —War History Online

State of the Union Brad Thor,2008-09-04 From the bestselling author of THE LIONS OF LUCERNE and PATH OF THE ASSASSIN comes another electrifying international thriller featuring all-American hero Scot Harvath, as he plunges into the frigid heart of the Russian tundra to save the fragile state of the union. On a cold January morning, the United States awakes to discover that an old enemy, one long believed dead and buried, has crawled out of its grave to lay siege to the world's only superpower. With the stunning discovery that enhanced Soviet-made suitcase nukes have been secreted in America's major cities, President Jack Rutledge gathers his National Security Council to weigh the feasibility of a first strike against the Russian Federation. There's only one problem. For over two decades, the Russians have been funnelling international aid money into a top secret air defence system, which has just been brought on-line and which will render any conventional attack upon their country utterly ineffective. After exhausting all of his other options, and with Soviet sleeper agents preparing to detonate their deadly payloads across the United States, the president turns to the nation's final hope, ex-Navy SEAL and Secret Service Agent Scot Harvath. As high-voltage and timely as they come, STATE OF THE UNION is a frighteningly real, headline-ripping tale of espionage and intrigue that will keep readers guessing until the last tantalizing piece of the puzzle locks into place.

Ibooks Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ibooks has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ibooks has opened up a world of possibilities. Downloading Ibooks provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ibooks has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ibooks. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ibooks. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ibooks, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ibooks has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Ibooks Books

What is a Ibooks PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Ibooks PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools.
