Marketing Destinations and Venues for Conferences, Conventions and Business Events

Tony Rogers, Rob Davidson, 2015-11-19 *Marketing Destinations and Venues for Conferences, Conventions and Business Events* introduces students to key areas of marketing and promotion that are essential if destinations are to compete successfully in the rapidly expanding global business event sector. It achieves this by looking at issues surrounding business event marketing, strategic planning, destination and venue selling strategies and future challenges. The 2nd Edition has also been updated to include: New content on: destination marketing organisations' and venues' use of technology, use and impact of social media, sponsorship and partnership issues, economic changes as well as their responses to demand for sustainable meetings locations Updated and new case studies on growth areas and emerging markets e.g. Middle East, Asia, Eastern Europe/Russia, Africa and South America, but also to include material on mature markets, destinations and venue operators A genuinely international focus in terms of content and examples New review and discussion questions and, where appropriate, learning outcomes New online resource package for students and lecturers including: weblinks, power point slides and project questions (coming soon). Accessible, global and informative, this is essential reading for all future business event and conference managers.

Conferences and Conventions Tony Rogers, Peter Wynn-Moylan, 2022-07-11 Fully revised and updated to reflect current trends and emerging topics, the fourth edition of *Conferences and Conventions: A Global Industry* provides an expert-led, comprehensive introduction to, and overview of, the key elements of the global conference, convention and meetings industry. This book examines the conference industry's origins, structure

and future development, as well as its economic, social and environmental impacts. It provides an in-depth analysis of the strategies, practices, knowledge and skills required to organise memorable conferences and similar business events, with detailed descriptions of all the planning and operational processes. Following an international approach, this edition features additional sections on the increase in technological advancements and opportunities, as well as the rise of virtual and hybrid events in a post-pandemic era. Written in an accessible and engaging style, the book includes integrated case studies to highlight current issues and demonstrate theory in practice. Structured logically with useful features throughout to aid learning and understanding, this book is an invaluable resource to students following events management, hospitality and tourism courses, as well as for event planners and practitioners already working in the conference industry.
