

Icare Pets

Bruce R. Coston, D.V.M.

Caring for Family Pets Radford G. Davis D.V.M., M.P.H.,2011-10-20 This book helps pet owners fully understand what it means to care for a companion animal, from choosing a pet to veterinary visits and beyond. Pets are extremely popular in the United States. According to a recent survey, one third of American homes contain one or more cats; almost 40 percent of U.S. households include at least one dog. Pets serve as cherished companions for everyone from young children to senior citizens. However, there are responsibilities and risks involved with pet ownership, and the proper care of these animals that many consider family involves much more than keeping a water dish and food bowl full. This book is written by top animal health experts to explain our roles, rights, and health care challenges when bringing animals into our homes. Topics such as health, first aid, companion animal diseases, common surgeries, and alternative care for pets are all addressed. Information is also provided about pet birds, large pets such as horses, exotics such as snakes and reptiles, and pocket pets such as hamsters, gerbils, guinea pigs, and rats.

Caring for Your Pets Ann Owen,2003-07-01 Describes some of the things that veterinarians do to help animals stay healthy. Explore how pets are taken care of in a vet clinic.

The First Aid Companion for Dogs & Cats Amy D. Shojai,2001-03-07 Provides a directory of first-aid and emergency procedures for cats and dogs, covering everything from identifying a problem and performing CPR to administering a pill and follow-up care.

We Take Care of Pets Nick Rebman,2019-08-01 This book offers a simple overview of how children can take care of pets. Easy-to-read text, labeled photos, and a picture glossary make this book the perfect introduction to the topic.

Until One Has Loved an Animal Mildred A. Drost, DVM,2013-01-11 Mildred Drost has had the honor

of meeting many wonderful beings—canine, feline, and wild. She has had comical interludes and been shocked and horrified. She has seen, met, and experienced miracles. Through it all, she has become part of the best career in the world. Dr. Drost is a veterinarian who, by her own admission, is completely fascinated by her patients. In *Until One Has Loved an Animal*, Dr. Drost shares all the amusing and heartwarming ways that pets affect all of our lives. She recalls the ninety-pound Malamute who spontaneously decides he wants a live chicken for lunch while on a jog with her; the German shepherd who makes any other ornery dog look like an angel; and the cat who, seemingly possessed at night, steals geraniums. Providing an entertaining and informative glimpse into the lives of pets and their owners, Dr. Drost also explores animal emotions and health, proving that these creatures, both large and small, often feel the same sentiments as humans. The stories of this collection offer an intriguing look into the animal psyche, the importance of pet rescue, and all the reasons why we cannot help but love animals unconditionally.

Caring for Your Aging Dog Janice Borzendowski, 2007 Today, veterinarians know more about small-animal geriatrics than ever before--making it possible for dogs to live longer, better lives. But science and technology alone aren't enough: we have to do our part, too. And this thorough guide to the older dog teaches us how. It introduces the basics of caring for a senior pet; examines issues of genetics, environment, and nutrition; presents a prevention primer" for forestalling disease and old-age conditions; and explains how to recognize vital signs of change, from cloudy eyes to achy joints. Most important, it offers comforting advice on what to do when your beloved pet does get sick, and how to deal with both the financial and emotional costs. Throughout, dog owners tell their inspiring personal stories.

My Patients and Other Animals Suzy Fincham-Gray, 2018-04-10 A moving memoir of a life

spent in the company of animals—a veterinarian sheds light on the universal experience of loving, healing, and losing our beloved pets, and the many ways they change our lives. The pursuit of a childhood dream has taken Suzy Fincham-Gray on a journey in veterinary medicine from pastoral farms on the English-Welsh border to emergency rooms in urban American animal hospitals, with thousands of stories collected along the way. In this unforgettable literary debut, she writes about some of the most emotionally challenging and rewarding cases of her career. Like many physicians, Fincham-Gray tends to see her patients at often life-or-death moments. While dramatic, these stories expand into deeper explorations of our complex, profound relationships with the animals in our lives. She describes the satisfaction of diagnosing and treating difficult diseases and the universal experience of loving a pet, and—inevitably—raises questions about their end-of-life care. We meet Grayling, an Irish wolfhound in need of critical treatment; we learn about the fulfillment of caring for a chronically ill pet from the story of Zeke, a silver-brown tabby cat who likes to eat just a little too much; and we fall in love with Monty and Emma, Fincham-Gray’s own adopted cat and dog, who change her life in joyful and unexpected ways. Fincham-Gray depicts the sleepless nights she spends waiting for her pager to call her to the clinic, the cutthroat competition among residents, and what it’s really like to care for patients who can’t advocate for themselves. Warm and humorous, Suzy Fincham-Gray is a rare breed—a clinician with an intimate, elegant literary style. She writes with the same tenderness she brings to her patients, whose needs she must meet with her mind, her hands, and her heart. “Suzy Fincham-Gray gives readers rare insight into the making of a compassionate doctor. Her passion for both science and the animals she cares for, combined with her eloquence as a writer, made me want Suzy as both my dogs’ veterinarian and my own friend.”—Teresa J. Rhyne, author of the #1 New York Times bestseller *The Dog Lived (and So Will I)*

Ask the Animals Bruce R. Coston, D.V.M., 2009-09-01 Reminiscent of James Herriot's wonderful books, Coston's memoir offers zany, sad, and touching stories about a medical practice where the patients cannot speak, yet communicate deeply. Bruce R. Coston's first book is a warm, funny, and amazingly fulfilling celebration of the wonderful world of animals as seen through the eyes of a small-town veterinarian. The patients are an eclectic and surprising cast of characters who display incredible bravery and nobility at times, and unbelievable goofiness at others. There's Sandy, the dog who resurrected herself from death. There's Daphne, the transvestite cat who taught Bruce to be a cat person. And the owners are no less engaging, ranging from the angelic to the squeamish, teaching Bruce what it really means to be an animal doctor. Readers will gain insight into the pathos and passion, the mundane and extraordinary, the thigh-slapping humor and the crushing sadness of a vet's life as he seeks to mend and restore people's treasured companions. Written with great warmth, this book imparts a deeper understanding of the pets who daily enrich our lives.

The Gift of Pets Bruce R. Coston, D.V.M., 2012-08-07 Bruce R. Coston's first book, *Ask the Animals*, earned him high praise for being another James Herriot. Now, in his delightful second memoir, Coston shares more rich stories about his animal patients and the clients who make veterinary practice so fulfilling. In this humorous, poignant, and enthralling collection, Coston explores what it is about the interaction with our pets that provides such profound companionship, and how a love for animals helps us to be more fully human. This ability to enrich and fulfill us is the Gift of pets. Coston's characters, both the people and the animals, will engage you from the first page. You'll meet Mr. Johnston, the linguist, and his Mountain of Love; Rachel, the office prankster; Coston's girlfriend, Megan; and Mischief, the only patient Coston has ever had that helped to pay for her own surgery. You'll learn what a sugar glider is and how to give one mouth-to-mouth resuscitation. You'll marvel at

Lisa, Coston's first veterinary technician, and the courage that the Gift of pets gave her to reinvent herself and rekindle the dreams she thought she had squandered. The Gift of Pets celebrates what it's like to be truly blessed with a deep love and concern for the pets with which we surround ourselves. Coston invites all animal lovers to rejoice in that Gift with him in this inspiring book of true stories.

D Is for Dog Dr Terrie Sizemore DVM, Terrie Sizemore, 2016-02-04 *D is for Dog* is just the book for you and your family. Whether you are new owners, have children you would like to introduce to a new pet, a student looking for information for an interesting book report, or a longtime pet owner, this book has the nuts and bolts of pet care in an easy-to-understand and inviting format. B&W

Pets at the Vet Alyse Sweeney, 2006-09 Have you ever visited a vet's office with your pet? Vets take care of sick animals and help others stay healthy. Read on to find out more about what goes on at a vet's office. Book jacket.

Almost Perfect Pets Lowell Ackerman, Rebecca Ackerman, 2021-12-02 Raising an almost perfect pet does not happen by accident. When people acquire pets, they may not be certain about what to expect, but few anticipate the problems that can result--including expenses, health care issues and bad behaviors--or the emotional investment that comes with a true commitment to another living being. Being prepared, having realistic expectations, and raising pets with desired outcomes can make the experience one to be treasured. This handbook is a complete guide to dog and cat care aimed at pet owners wishing to raise healthy, happy pets and to foster a lasting, loving relationship with their four-legged friends.

The Rat Ginger Cardinal, 2008-04-21 This is our seventh set of Happy, Healthy Pet titles. Like the others, they are books pet owners can turn to for the essential information they need to raise a healthy, happy pet. All books contain information on: feeding grooming housing health care what to

expect from the pet basic training As our series expands and focuses on different kinds of pets, the emphasis remains on making the pet a companion. Owners of more unusual pets will particularly appreciate the expert advice in these books because professional care for exotic animals can be hard to come by. As always, the instruction on the books is from experts—people who know their pets intimately but always remember what it was like to have one the first time. Happy, Healthy Pet guides are rich with professional quality color photos and are designed to be enjoyable and easy to learn from. More and more people are discovering each year what affectionate, intelligent and charming pets rats can be. Ginger Cardinal already knows. She's the former president of the Rat, Mouse and Hamster Society and a longtime breeder, exhibitor, judge and dedicated companion of these special rodents.

Pets in America Katherine C. Grier, 2006 Filled with illustrations reflecting the whimsy, the devotion, and the commerce that have shaped centuries of American pet keeping, a portrait of Americans' relationships with animals shows how the history of pets has evolved alongside changing ideas about human nature, child development, and community life.

Their Tails Kept Wagging Stephen Birchard, 2022-03 Inspiring True Stories of Pets Who Survived Against All Odds - Discover That Love, Forgiveness, and Hope Will Always Prevail! There's nothing quite like the bond of a human and their pet. Which is why our hearts ache when we see our furry friends in pain. As a Vet, Stephen Birchard often treats animals with severe medical problems. Whether it's intense injuries or dire illnesses, he's seen them all, and nothing hurts more than to see an animal suffer. Luckily, that's where the sad part ends. In this book, you'll find a collection of personal stories of Dr. Stephen's encounters with animals who have the odds stacked against them. But, their will to survive will always prevail. These pets have helped shape him into the professional

he is today, and he hopes that by sharing these stories, they can inspire you as well. Be inspired and moved to tears with each chapter as you read about the impossible conditions affecting these animals and how Dr. Stephen helped them overcome. In each story, he details the animals' medical issues, procedures they must go through, and their life after treatment. Follow the stories of: Rip, the young athletic Labrador who overcame serious surgical complications. Hershey, the fighter who conquered severe infection. Charlie, who underwent multiple surgeries and rehab. Josie, who survived an arrow through her heart. Billy Bob, the service dog cancer survivor. Jack, who pulled through a major operation that other doctors thought impossible. Bob, Dr. Stephen's personal dog, who battled cancer and beat the odds. Maximus, the severely burned young cat. Bruiser, the vet school surgery course lab dog who gave his life to help Stephen become a doctor. And Tigger, the young cat who survived a major accident and returned to normal life. Take these stories to heart and see that through love, loyalty, and forgiveness we can overcome anything!

The Healthy Pet Manual Deborah Straw, 2005-07-05 This revised and expanded edition of *Why Is Cancer Killing Our Pets?* includes the most up-to-date information on the factors that may cause cancer in pets, and preventive measures that can be taken. The full spectrum of conventional and alternative treatments is presented in this essential resource for the care and protection of our beloved pets.

Pets Living with Cancer Robin Downing, 2000 The only comprehensive resource for owners of pets diagnosed with cancer discussing treatment options and care.

Taking Care of Pets Susan Ring, 2002-09 Simple text and photos are used to present the responsibility of caring for pets.

Encyclopedia of Pets & Pet Care David Alderton, 2004 Authoritative family guide to choosing and

caring for small mammals, birds, reptiles, insects and fish.

Alisa Merlin's Secrets to Lower Vet Bills Alisa Merlin, 2007-06 In Alisa Merlin's Secrets to Lower Vet Bills, Alisa shows the average pet owner how to save money at the vet and improve the health and happiness of their pets. Alisa has over 25 years of experience as a Veterinary Technician and Pet Care Coach. Her inexpensive and easy to follow pet care tips, at-home treatments and nutritional guidance will help pets of all ages. Most pet owners never realize: All animals get fleas- even the cleanest, indoor only ones. The majority of pet owners are shortening the lives of their beloved companions by over vaccinating them. There are seven signs of a good veterinarian. A good vet will save you money. There are three questions to always ask your vet that will save you money and help you make any treatment decisions for your pet, even the ultimate one. Alisa's regular visits to the pets of the biggest stars in Hollywood have been instrumental to keeping their pets healthy. While not every pet owner can afford the same level of pampering, every owner can benefit from the same inexpensive, preventive care. I am on a mission to enrich the lives of all pets by educating their human companions. I have four cats and two dogs. Everyday I deal with celebrity clients, temperamental vets, and LA freeways. I have been bitten, scratched and barked at, sometimes even by the animals.

Icare Pets Introduction

In today's digital age, the availability of Icare Pets books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Icare Pets books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Icare Pets books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Icare Pets versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book

production and transportation. Furthermore, Icare Pets books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Icare Pets books and manuals, several platforms offer

an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Icare Pets books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts,

research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Icare Pets books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the

vast world of Icare Pets books and manuals for download and embark on your journey of knowledge?

FAQs About Icare Pets Books

1. Where can I buy Icare Pets books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and

Google Play Books.

3. How do I choose a Icare Pets book to read?

Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).

Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Icare Pets books?

Storage: Keep them away from direct sunlight and in a dry environment.

Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them?

Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or

manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Icare Pets audiobooks, and where can I find them?

Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking.

Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading

communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Icare Pets books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
