Buster's Book Donald Junkins,2012-11 Providing insight in a family's history against the backdrop of major world wars, Buster's Book offers a collection of more than a thousand letters exchanged during the twentieth century as young men provided service to their country. In this memoir, author Donald Junkins has compiled letters, diaries, interviews, recollections, and photographs of the family's participants in both world wars and the Korean and Vietnam wars. This fascinating historical record includes the stories of a variety of escapades: from single-handedly opening an eight-year-old Nazi prison cell to B-24 air forays from New Guinea in which an aerial gunner shot down two Japanese Zero planes; and to the rescue in Korea of wounded men stalled in a jeep in the middle of a freezing river that culminated in the awarding of the Silver Star. Buster's Book reflects both the lives of a middle-class American family during these years and the daily activities of two generations of young American men at war.

**The devil Fears Nigga jones** Brian Michels,2020-06-09 A gripping and unordinary multi-narrative novel that extends the boundaries of thought and expression, and rings with a sense of place and realism while touching on the deeper meaning of life, family, friends, and the enemies of humanity. Buster is a survivor of a demonic cult, and his journey is awe-inspiring. From the age of five to twenty-six, from the eerie hills of Woodstock, New York, to a stint living inside of a decommissioned billboard in the South Bronx, and finally landing in Brooklyn where things take an unexpected turn. Buster connects with a circle of friends operating a holistic Cancer treatment center out of a worn-down Brownstone. Filled with shock, heartbreak, evil, suffering, kindness, healing, romance, graphic passion, love, and salvation, readers experience things and places never imagined before, and characters they will never forget.

Unstoppable Moses Tyler James Smith,2018-09-25 In this coming-of-age debut, a seventeen-year-old boy has one week in the aftermath of a disastrous prank to prove to the authorities, and to himself, that he's not a worthless jerk who belongs in jail. Moses and his cousin Charlie were best friends, wisecracking pranksters, unstoppable forces of teenage energy—until the night they became accidental arsonists and set in motion a chain of events that left Moses alone, guilt-stricken, and most likely trapped in his dead-end town. Then Moses gets a lucky break: the chance to volunteer as a camp counselor for week and prove that the incident at the bowling alley should be expunged from his record. And since a criminal record and

enrollment at Duke are mutually exclusive, he's determined to get through his community service and get on with his life. But tragedy seems to follow him wherever he goes, and this time, it might just stop him in his tracks. "Unstoppable Moses is radiant; one of those rare debut novels that shines with humor, love, compassion, and hope, with a cast of unforgettable characters that jump off the pages and into your heart. Tyler James Smith is a masterful storyteller." —Andrew Smith, Printz Honor and Boston Globe-Horn Book Award-winning author of Grasshopper Jungle "When people say reading makes us more empathetic, they are talking about books like Unstoppable Moses by Tyler James Smith. A lyrical, hilarious, so-real-it-hurts debut that reminds us all just how much we have to lose, and why it's important to never give up. I'm so happy this book is in the world." —Bonnie-Sue Hitchcock, Morris Honor-winning author of The Smell of Other People's Houses

**The Trouble with Skateboarding** Chris Ashley, 2004-02-15 Counterfeit skateboards! Who is trying to put Mike Holt out of business? He's already had one tragedy in his life, will this be more than he can handle? Jim and Ben need to find out who is doing this quickly or their dreams of a skateboard park will be gone forever. This is the story of five close friends who all share one common love - skateboarding. They live in the small city of Exton, Pennsylvania that is not known as a skateboarding haven. They have dreams of changing that by helping to open a new skate park in their city. Their plans are taking shape when disasters strikes. Mike's shop is in danger of being put out of business by a mysterious stranger and that would lead to the end of the 2nd Annual Boardzone Skateboard competition and their skate park dreams. Like most kids they can't resist getting involved and jump right in to try and figure out what is going on - and of course, get into a load of trouble in the process. With the help of their Uncle, a retired policeman, the group of young people get into one precarious situation after another while searching for the identity of the counterfeiter. Each day leads our young group one step closer to facing their biggest challenge ever. Will they solve the mysterious counterfeit skateboarding ring? Will Mike lose his store and cancel the big competition? Will corrupt city officials steal the land for the new skate park? No one is going to take away their dream of the first skate park in their hometown. Even if they have to face their enemy head on - they will.

Risking the Rapids Irene O'Garden,2019-01-31 A memoir of a dysfunctional, grieving family reuniting for a turbulent rafting trip, from an author with a “captivating talent for wonder and marvel.” —Elizabeth Gilbert, author of *Eat, Pray, Love* After the sudden death of Irene O’Garden’s older brother, she and her family decide to seek closure together by taking a journey through the remotest spot in Montana. The story of their harrowing trip on the river is intertwined here with the author’s account of growing up with her six siblings in a clashing Catholic family under the shadow of alcoholism. O’Garden’s father, a local TV personality in Minnesota, leaves his cheery public persona behind when he comes home and starts drinking martinis with his undemonstrative, icy-hearted wife. The children vary in their responses to profound anxiety sown in an atmosphere of neglect, psychological abuse, and rigid religiosity: One brother bites his fingers to gangrene. One relentlessly bullies the author, who begins overeating compulsively. One severs all ties with the family. Meanwhile, in the present, danger mounts as well on the raft trip, when unusual river conditions swell and speed the waters. Both stories build with escalating intensity to excruciating climaxes. Some memoirs shock. Some entertain. Some take us places we’re afraid to go. A rare few move us. Once in a blue moon, a book does it all. This is *Risking the Rapids*. “Enthralling.” —Malachy McCourt, author of *A Monk Swimming* “A deep and powerful memoir.” —Martha Beck, author of *Finding Your Own North Star* “Breathtaking . . . O’Garden adds a thoroughly welcome voice to the rich vein of American literature on the singular healing powers of wilderness.” —Florence Williams, award-winning author of *The Nature Fix*
