Fundamentals of Relational Database Management Systems S. Sumathi,S. Esakkirajan,2007-03-20 This book provides comprehensive coverage of fundamentals of database management system. It contains a detailed description on Relational Database Management System Concepts. There are a variety of solved examples and review questions with solutions. This book is for those who require a better understanding of relational data modeling, its purpose, its nature, and the standards used in creating relational data model.

Shakespeare's Tremor and Orwell's Cough John J. Ross, MD,2012-10-16 The doctor suddenly appeared beside Will, startling him. He was sleek and prosperous, with a dainty goatee. Though he smiled reassuringly, the poet noticed that he kept a safe distance. In a soothing, urbane voice, the physician explained the treatment: stewed prunes to evacuate the bowels; succulent meats to ease digestion; cinnabar and the sweating tub to cleanse the disease from the skin. The doctor warned of minor side effects: uncontrolled drooling, fetid breath, bloody gums, shakes and palsies. Yet desperate diseases called for desperate remedies, of course. Were Shakespeare's shaky handwriting, his obsession with venereal disease, and his premature retirement connected? Did John Milton go blind from his propaganda work for the Puritan dictator Oliver Cromwell, as he believed, or did he have a rare and devastating complication of a very common eye problem? Did Jonathan Swift's preoccupation with sex and filth result from a neurological condition that might also explain his late-life surge in creativity? What Victorian plague wiped out the entire Brontë family? What was the cause of Nathaniel Hawthorne's sudden demise? Were Herman Melville's disabling attacks of eye and back pain the product of nervous affections, as his family and physicians believed, or did he actually have a malady that was unknown to medical science until well after his death? Was Jack London a suicide, or was his death the product of a series of self-induced medical misadventures? Why did W. B. Yeats's doctors dose him with toxic amounts of arsenic? Did James Joyce need several horrific eye operations because of a strange autoimmune disease acquired from a Dublin streetwalker? Did writing *Nineteen Eighty-Four* actually kill George Orwell? The Bard meets House, M.D. in this fascinating untold story of the impact of disease on the lives and works of some of the finest writers in the English language. In *Shakespeare's Tremor and Orwell's Cough*, John Ross cheerfully debunks old biographical myths and suggests fresh diagnoses for these writers' real-life medical mysteries. The author takes us way back, when leeches were used for bleeding and cupping was a common method of cure, to a time before vaccinations, sterilized scalpels, or real drug regimens. With a healthy dose of gross descriptions and a deep love for the literary output of these ten greats, Ross is the doctor these writers should have had in their time of need.

The Psalms of David, Imitated ... By I. Watts. [With "The Life of Isaac Watts ... By Dr. Johnson." and "Hymns and Spiritual Songs."] ,1820

Handbook of Fatigue Crack Propagation in Metallic Structures A. Carpinteri,2012-12-02 The purpose of this Handbook is to provide a review of the knowledge and experiences in the field of fatigue fracture mechanics. It is well-known that engineering structures can fail due to cyclic loading. For instance, a cyclically time-varying loading reduces the structure strength and can provoke a fatigue failure consisting of three stages: (a) crack initiation (b) crack propagation and (c) catastrophic failure. Since last century many scientists have tried to understand the reasons for the above-mentioned failures and how to prevent them. This Handbook contains valuable contributions from leading experts within the international scientific community and covers many of the important problems associated with the fatigue phenomena in civil, mechanical and nuclear engineering.

The Applause First Folio of Shakespeare in Modern Type William Shakespeare,2001 (Applause Books). This landmark publication is printed in clear, legible type. Each play has its own comprehensive introduction as well as extensive, expert annotations. Highlighted areas show where lines have been altered over time and also shows where verse has been changed to prose in the past (but not here!) The original compositions are marked and folio clues are highlighted.

The Poems of Charles Reznikoff Charles Reznikoff,2005 Charles Reznikoff (1894-1976), the son of Russian garment workers, was an American original: a blood-and-bone New Yorker, a collector of images and stories who walked the city from the Bronx to the Battery and breathed the soul of the Jewish immigrant experience into a lifetime of poetry. He wrote narrative poems based on Old Testament sources. Above all, he wrote spare, intensely visual, epigrammatic poems, a kind of urban haiku. The language of these short poems is as plain as bread and salt, their imagery as crisp and unambiguous as a Charles Sheeler photograph. But their meaning is only hinted at: it is there in the selection of details, and in the music of the verse. Reznikoff was sincere and objective, a poet of great feeling who strove to honor the world by describing it precisely. He also strove to keep his feelings out of his poetry. He did not confess, he did not pose, he did not cultivate a myth of himself. Instead he created art-an unadorned art in praise of the world that God and men have made-and invited readers to bring their own feelings to it. In an age of ephemera, of first drafts rushed into print and soon forgotten, Reznikoff's poetry is a sturdy, well-wrought thing-a girder, still itself / among the rubble. A timeless testament-impersonal, incorruptible, undeniably American-it will survive every change in literary fashion. Book jacket.

The Psalms and Hymns of the Late Dr. Isaac Watts Isaac Watts,1821

A Complete Concordance to Shakespeare John Bartlett,2016-02-17 A complete concordance or verbal index to words, phrases and passages in the dramatic works of Shakespeare. There is also a supplementary concordance to the poems. This is an essential reference work for all students and readers of Shakespeare.
