

Idaho State Journal 21

Jasper M. LiCalzi

Pocatello Memories Leedice McAnelly Kissane, Jo Parris, 1995

The Park Builders Thomas R. Cox, 2011-04-21 Among the greatest attractions of the Pacific Northwest are its state parks, campgrounds and tree-lined highways. From Idaho hot springs to the Oregon coast, millions of people enjoy this priceless legacy every year but few stop to think about the source of this bounty. The Park Builders profiles the men who provided the parks, and the times that shaped them. From its beginnings as part of the progressive crusades to its evolution into an expected function of state government, the state parks movement in the Northwest is a window onto the political and social developments of the twentieth century. The states of Washington, Idaho, and Oregon were generally in the mainstream of the parks movement, but each of their histories is unique. Taken together, they help to define the nature and limitations of regionalism in the Northwest. Especially in the early years, the story of state parks was largely the story of individuals. Drawing extensively from interviews and personal papers, Thomas Cox creates memorable pictures of parks activists in each state. Robert Moran, creator of the battleship, Nebraska, spent a decade lobbying the state of Washington to accept his magnificent acreage on Orcas Island. Sam Boardman went from a road crew to the head of Oregon's park system, and took up his mission with a zeal that was literally religious: "To me a park is a pulpit," he wrote. "The more you keep it as He made it, the closer you are to Him." In Idaho, Senator Weldon Heyburn, no proponent of state expenditures, set out to create a national park, and ended up with a premier state park, named for him. State parks serve more people at far less expense than do those in the National Park System. Since their fates are determined largely at the state level, they are an ideal venue for the study of grassroots activism and regional trends. This book is the first to collect these themes into a coherent whole. It will serve as a model for further regional studies of its kind.

Understanding Authority in Higher Education Dean O. Smith, 2015-01-22 Within the complex environment of higher education, administrators and faculty members face daunting challenges in their unique domains of institutional governance. Many of the greatest challenges arise from basic misunderstandings of authority and its limitations by administrators and faculty members alike. These misunderstandings are the primary source of disruptive confusion, mistrust, and mismanagement. Consequently, an institution's governance would improve significantly if its personnel clearly understand the fundamental principles of authority. To bring about this improvement, *Understanding Authority in Higher Education* clarifies issues of authority in an academic setting. Throughout, it introduces basic concepts of higher-education administration and then examines the limits of authority in context. Pedagogically, the book strives continuously to ascertain whether authority is used properly from a legal perspective, emphasizing the influence of academic cultural norms on legal principles and vice versa. But, *Understanding Authority in Higher Education* goes further than law textbooks by using real and anecdotal case studies to examine aspects of authority that don't appear in court proceedings— those that lie beyond the reach of the law. In these cases, the book explores the anthropology— the behavior and the culture—of authority in the academic environment.

Prisoner Reentry in the 21st Century Keesha M. Middlemass, Calvin John Smiley, 2019-11-04 This groundbreaking edited volume evaluates prisoner reentry using a critical approach to demonstrate how the many issues surrounding reentry do not merely intersect but are in fact reinforcing and interdependent. The number of former incarcerated persons with a felony conviction living in the United States has grown significantly in the last decade, reaching into the millions. When men and women are released from prison, their journey encompasses a range of challenges that are unique to each individual, including physical and mental illnesses, substance abuse, gender identity, complicated family dynamics, the denial of rights, and the inability to voice their experiences about

returning home. Although scholars focus on the obstacles former prisoners encounter and how to reduce recidivism rates, the main challenge of prisoner reentry is how multiple interdependent issues overlap in complex ways. By examining prisoner reentry from various critical perspectives, this volume depicts how the carceral continuum, from incarceration to reentry, negatively impacts individuals, families, and communities; how the criminal justice system extends different forms of social control that break social networks; and how the shifting nature of prisoner reentry has created new and complicated obstacles to those affected by the criminal justice system. This volume explores these realities with respect to a range of social, community, political, and policy issues that former incarcerated persons must navigate to successfully reenter society. A springboard for future critical research and policy discussions, this book will be of interest to U.S. and international researchers and practitioners interested in the topic of prisoner reentry, as well as graduate and upper-level undergraduate students concerned with contemporary issues in corrections, community-based corrections, critical issues in criminal justice, criminal justice policies, and reentry.

The Politics of Righteousness James A. Aho, 2014-04-15 From their home bases in Idaho and neighboring areas of the Northwest, organizations such as the Order, the Aryan Nations Church, the Posse Comitatus, and the Golden Mean Society have drawn national attention and spread the gospel of a “constitutionally pure, Christian homeland.” For the reader who knows these groups only from a selection of inflammatory quotes and violent deeds, this compelling work presents the first disciplined exploration of the backgrounds and belief systems of the Christian patriot movement. Using information gathered from interviews and direct observation of patriot gatherings, Aho replaces the stereotype of solitary crazies from the fringes of society with more complex and disturbing realities.

Idaho State History Lapbook Journal Cyndi Kinney, Judy Trout, 2012-07-15

Idaho's Place Adam M. Sowards, 2014-07-01 Idaho's Place is an anthology of the most current and original writing on Gem State history. From the state's indigenous roots and early environmental battles to recent political and social events, these essays provide much-needed context for understanding Idaho's important role in the development of the American West. Through a creative approach that combines explorations of concepts such as politics, gender, and race with the oral histories of Idaho residents - the very people who lived and made state history - this unique collection sheds new light on the state's surprisingly contentious past. Readers, whether they are longtime residents or newcomers, tourists or seasonal dwellers, policy makers or historians, will be treated to a rich narrative in which the many threads of Idaho's history entwine to produce a complete tapestry of this beautiful and complex Western state.

Idaho Politics and Government Jasper M. LiCalzi, 2019-01-01 Examining politics in Idaho through the lens of ideology (i.e., conservative versus liberal) or partisanship (i.e., Democrat versus Republican) does not illuminate the more fundamental dynamics of the state's political environment. Unlike other states that are divided on partisan or traditional ideological lines, Idaho tends to be divided between its libertarian and communitarian visions of the role of government and the place of the individual in society. In *Idaho Politics and Government*, Jasper M. LiCalzi examines the complex world of Idaho politics, where morality dominates but a heartily libertarian strain of individualism keeps lawmakers from falling into the liberal versus conservative dialogue prevalent in other states. After opening with the ultrasound bill failure as a recent example of Idaho's political culture, LiCalzi traces the influence of individuals and party factions from the 1960s through the present before moving on to the inner workings of government itself, with all its institutions and extra-governmental extensions. He closes with another recent Idaho bill concerning the topics of child support and Sharia (Islamic) law, giving readers yet another glimpse of the workings of Idaho politics and the continuing clash between the community and the individual.

Presenting a continuum of political views from an emphasis on the individual (personified by Thomas Jefferson) to a focus on community (personified by Alexander Hamilton), LiCalzi provides a new method for understanding political actions and situations in Idaho.

Far-Right Fantasy James Aho, 2015-12-22 Far-Right Fantasy is a straight-forward, jargon-free study of contemporary American right-wing extremism. Accessible to both professional and lay audiences, it allows activists to speak for themselves in their own words. It takes the self-announced religious motivations of extremists seriously, and illustrates this by citing numerous cases of radical politics. The book addresses the strengths and weaknesses of the standard psycho-social-cultural explanations of far-right activism. It shows how extremists are similar educationally and psychologically to their more conventional neighbors; that they get into the movement in the same way that others become peace activists or radical environmentalists, namely, through their ties with fellow workers and church-goers, family members, and classmates; and that their views are given a patina of certainty by being repeatedly corroborated within closed, non-contaminated communication systems. The book avoids being preachy or judgmental, but it does try to challenge readers morally by submitting far-right fantasy to a formal ideology critique. It does this by showing how the reforms it recommends – a marketplace free of regulation, draconian immigration restrictions; an end to the federal reserve bank and the income tax; a balanced budget amendment to the Constitution; anti-union right to work laws and a return to debt slavery; the privatization of schools, the post office, and the commons, and so on – contradict its ostensible goal, which is to protect and enhance middle class interests. Far-Right Fantasy is suitable for adoption as a supplemental text in political psychology and sociology, sociologies of religion and knowledge, collective behavior, and American political history.

Journal of the Senate of the State of Idaho Idaho. Legislature. Senate, 1891

Nuclear Waste in Your Backyard Robert L. Ferguson, 2014-09-12 If you care about the environment and the rule of law, then it's essential to consider how politics is driving the way we're approaching nuclear energy. Robert L. Ferguson, a nuclear energy insider who's spent more than fifty years working in the field, details how he partnered with others to wage a legal battle against two of the most powerful men in the world President Barack Obama and Secretary of Energy Steven Chu and won. The stakes were high: President Obama and his administration suddenly and illegally shut down the Yucca Mountain nuclear waste repository, which violated the law and was a smack in the face to residents of 38 states that expected spent nuclear fuel to be buried at a central location. Arm yourself with the knowledge you need to hold elected officials accountable and ensure that they're not allowed to flagrantly violate the law. If you don't take time to analyze the issues and do your part to improve U.S. energy policy, you may just end up with Nuclear Waste in Your Backyard indefinitely. Bob Ferguson has written an important book; his analysis is right on target. I highly recommend his book to be read and acted upon by every American concerned about how partisan politics can trump good science. Such action is especially important for those in positions of policy development. Dr. Alan Waltar, past president of the American Nuclear Society and author of *America the Powerless*

Believing Anita Hill, 2022-09-27 "An elegant, impassioned demand that America see gender-based violence as a cultural and structural problem that hurts everyone, not just victims and survivors... It's at times downright virtuosic in the threads it weaves together."—NPR Winner of the 2022 ABA Silver Gavel Award for Books From the woman who gave the landmark testimony against Clarence Thomas as a sexual menace, a new manifesto about the origins and course of gender violence in our society; a combination of memoir, personal accounts, law, and social analysis, and a powerful call to arms from one of our most prominent and poised survivors. In 1991, Anita Hill began something that's still unfinished work. The issues of gender violence, touching on sex, race, age, and power, are

as urgent today as they were when she first testified. Believing is a story of America's three decades long reckoning with gender violence, one that offers insights into its roots, and paths to creating dialogue and substantive change. It is a call to action that offers guidance based on what this brave, committed fighter has learned from a lifetime of advocacy and her search for solutions to a problem that is still tearing America apart. We once thought gender-based violence--from casual harassment to rape and murder--was an individual problem that affected a few; we now know it's cultural and endemic, and happens to our acquaintances, colleagues, friends and family members, and it can be physical, emotional and verbal. Women of color experience sexual harassment at higher rates than White women. Street harassment is ubiquitous and can escalate to violence. Transgender and nonbinary people are particularly vulnerable. Anita Hill draws on her years as a teacher, legal scholar, and advocate, and on the experiences of the thousands of individuals who have told her their stories, to trace the pipeline of behavior that follows individuals from place to place: from home to school to work and back home. In measured, clear, blunt terms, she demonstrates the impact it has on every aspect of our lives, including our physical and mental wellbeing, housing stability, political participation, economy and community safety, and how our descriptive language undermines progress toward solutions. And she is uncompromising in her demands that our laws and our leaders must address the issue concretely and immediately.

Statement of Disbursements of the House as Compiled by the Chief Administrative Officer from ... United States. Congress. House, 2014-10 Covers receipts and expenditures of appropriations and other funds.

Shelley Hydroelectric Project , 1994

Predicting the Winner Ira Chinoy, 2024 Predicting the Winner is a riveting narrative about election night 1952, when Dwight David Eisenhower won in a landslide and was elected president of the United States--

American Panic Mark Stein, 2014-05-20 The best-selling author of *How the States Got Their Shapes* explores the history and consequences of American political panic events ranging from the Salem Witch Trials to the Tea Party demonstrations to reveal how and why our society has repeatedly succumbed to induced hype and propaganda. 35,000 first printing.

Journal of the House of Representatives of the State of Idaho Idaho. Legislature. House of Representatives, 1939

George Weiss Burton A. Boxerman, Benita W. Boxerman, 2016-07-25 The New York Yankees were the strongest team in the majors from 1948 through 1960, capturing the American League Pennant 10 times and winning seven World Championships. The average fan, when asked who made the team so dominant, will mention Joe DiMaggio, Yogi Berra, Whitey Ford or Mickey Mantle. Some will insist manager Casey Stengel was the key. But pundits at the time, and respected historians today, consider the shy, often taciturn George Martin Weiss the real genius behind the Yankees' success. Weiss loved baseball but lacked the ability to play. He made up for it with the savvy to run a team better than his competitors. He spent more than 50 years in the game, including nearly 30 with the Yankees. Before becoming their general manager, he created their superlative farm system that supplied the club with talented players. When the Yankees retired him at 67, the newly franchised New York Mets immediately hired him to build their team. This book is the first definitive biography of Weiss, a Hall of Famer hailed for contributing as much to baseball as any man the game could ever know.

Food & Society Amy E. Guptill, Denise A. Copelton, Betsy Lucal, 2022-11-02 This popular text, now in a third edition, offers readers a vivid perspective on the cultural and social complexities of food practices and the current food system. Synthesizing insights from the multidisciplinary field of food studies, this book engages readers' curiosity by highlighting

the seeming paradoxes of food: how food is both individual and social, reveals both distinction and conformity, and, in the contemporary era, seems to come from everywhere but nowhere in particular. Each chapter begins with an intriguing case study and ends with suggested resources and activities. Chapter topics include identity, restaurants and food media, health, marketing, industrialization, global food, surplus and scarcity, and social change. Updates and enhancements in this edition reflect new scholarly insights into how food is involved in social media, social movements, and the COVID-19 pandemic. Throughout, the book blends concepts and empirical accounts to address the central issues of culture, structure, and social inequality. Written in a lively, accessible style, this book provides students with an unrivalled and multifaceted introduction to this fascinating aspect of social life.

Oversight on the Taft-Hartley Act, the Railway Labor Act, and the National Labor Relations Act United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Labor, 1984

Idaho State Journal 21 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Idaho State Journal 21 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Idaho State Journal 21 has opened up a world of possibilities. Downloading Idaho State Journal 21 provides numerous advantages over physical copies of books and documents.

Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Idaho State Journal 21 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Idaho State Journal 21. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Idaho State Journal 21. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Idaho State Journal 21, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In

conclusion, the ability to download Idaho State Journal 21 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Idaho State Journal 21 Books

1. Where can I buy Idaho State Journal 21 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Idaho State Journal 21 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Idaho State Journal 21 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Idaho State Journal 21 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Idaho State Journal 21 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
