Dictate Your Book Monica Leonelle,2021-01-05 Ready to get on board with dictation (finally)? Like many tools that have come before it, dictation is a new and exciting opportunity to write better, faster, and smarter. But many writers still believe it's not for them. Perhaps they've tried it in the past and it hasn't worked. Or perhaps this new technology is confusing, expensive, or frustrating and that's held them back from taking advantage of it. If you're ready to take the next step and learn a new skill set that will give you a huge advantage over what other authors are doing today, grab Dictate Your Book and start working through the challenges that are holding you back from reaping the benefits of dictation. It includes: - Why you need to get started with dictation, even if you tried it before and hated it! - All of Monica's best tips for making dictation work for you, whether you writing fiction or nonfiction - Every piece of equipment Monica recommends, plus half a dozen ways to test dictation before you buy - How to reimagine your writing process to accommodate dictation and how to get that clean draft easily - Monica's full setup for her innovative Walk 'n Talks which helped her hit 4,000+ words per hour For authors who are ready to take their productivity to the next level, this book will help you get started!

Dictation Kevin Gise,2016-02-28 Tired of being chained down to your computer? Hands hurt from hours of writing? Looking for a way to dramatically increase your hourly word count? Want to write 1,000,000 words a year without breaking a sweat? Sounds a little crazy when you say it out loud. However, this is easier to accomplish than you'd think. Especially when using dictation for all your writing. Dictation has the power to transform your life whether you're writing a novel, short story, blog post, or paper. Whatever the outlet, dictation can help you increase your productivity levels. Over the past two years I've switched over to dictation and I went from writing about 250,000 words a year to

over a million words. If I really wanted to amp things up I think I could go even higher! The quickest way to success as a new author is to pump out more quality books on a consistent basis. Many indie novelists try and get a full 100k+ book out every 3 - 6 months. Using dictation you'll be able to hit those goals with ease. You could release something new every month if you really felt inspired. So what's the secret to getting all this done? Well, dictation on its own, while wonderful won't write your book for you. You still need to build better writing habits and put in the work. Inside You Will Learn: An Introduction to Dictation Types of Voice Recognition Software First Starting Out With Dictation 5 Way To Improve Your Writing While Using Dictation 20+ Tips to Improve Your Writing and Dictation Skills Dictation Apps, Books & Resource Guide FREE Book on Mindfulness + 1 More FREE Bonus Book Included!!
