Real Resumes for Nursing Jobs Anne McKinney,2003 Even within the nursing field, there are a wide variety of positions, and this book shows samples of resumes and cover letters than have worked. This title will be a valuable resource to nursing professionals who seek clinical nursing or administrative positions. Newly minted nurses and newcomers to the field will learn how to show off their clinical rotations to best advantage. Nurses often change fields, too, and the book includes resumes of nurses who have successfully transitioned into pharmaceutical sales and other areas. A ?bonus? of this book is that it includes samples of paperwork involved in getting federal government jobs: specialized resumes and the federal ?resumix? as well as the write-ups for the Knowledge, Skills and Abilities (KSAs) which are often required for government positions. This book will show nurses how to maximize their career potential, get federal nursing positions, and change fields if they want to. (This is the 25th title in PREP's Real-Resumes Series.)
