Gears Of War: Jacinto's Remnant Karen Traviss,2012-01-26 Based on the blockbuster Xbox game, this is the stunning story of the men and women who stood between a planet and total destruction - and now have to face the consequences of their actions. After a brutal fifteen-year war for survival, the Coalition of Ordered Governments is forced to destroy mankind's last city in a final bid to stop the Locust Horde. As the survivors flee Jacinto, they must contend with the last of the Locust, bent on vengeance, as they struggle to stay alive in an icy wilderness. Marcus Fenix, Dom Santiago, and their fellow Gears fight to get Jacinto's refugees to a safe haven, but find themselves in a lawless new world where the enemy is human - and as desperate and dangerous as any grub. Glenn Beck's Common Sense Glenn Beck,2009-06-16 #1 New York Times bestselling author and popular radio and television host Glenn Beck revisits Thomas Paine's Common Sense. In any era, great Americans inspire us to reach our full potential. They know with conviction what they believe within themselves. They understand that all actions have consequences. And they find commonsense

solutions to the nation’s problems. One such American, Thomas Paine, was an ordinary man who changed the course of history by penning Common Sense, the concise 1776 masterpiece in which, through extraordinarily straightforward and indisputable arguments, he encouraged his fellow citizens to take control of America’s future—and, ultimately, her freedom. Nearly two and a half centuries later, those very freedoms once again hang in the balance. And now, Glenn Beck revisits Paine’s powerful treatise with one purpose: to galvanize Americans to see past government’s easy solutions, two-party monopoly, and illogical methods and take back our great country.
