*The G-Sale Bible* Kimberly Foster,2018-12-30 I wrote this book as a guide for both sellers and sale-ers. For Sellers, this manual offers instructions on how to put on a spectacularly profitable sale. I've researched the best sales as well as the not-so-great sales. I've surveyed profitable and flat-lined sale results and I've hit on some tips and tricks guaranteed to help you whether you're buying or selling.In my life, I've furnished entire homes with G-sale finds. Now people tend to use online classifieds to sell items that would normally be found at garage sales. Some ads even go so far as to call themselves Online Garage Sales. This method makes a lot of sense but it can also limit the audience. Additionally, there are huge advantages to flinging open the garage door and letting the world in. Passing traffic, negotiating deals, impulse buying or just simply meeting your neighbors are just a few of the reasons garage sales are much more fun and profitable than posting online. But I don't discount the online option. In this book you'll learn how to use free online options to drive traffic to your real world sale.For Sale-ers Garage sale-ing is so much fun! As a hobby, I've been garage sale-ing for forty years. Personally, I can't think of a better way to spend a Saturday than to go to the neighborhood sales and find treasures or complete junk at ridiculously cheap prices. But finding great sales isn't easy. In fact, lately I've found it can be next to impossible. I wrote this book to improve your odds of finding that amazing sale. I've made all the mistakes both in trying to hold a sale and finding good sales and I've compiled the right way to do it here.
