A History of the Percheron Horse Alvin Howard Sanders,2018-10-04 This is Part 1 special re-print edition of A History of the Percheron Horse is considered one of the most important works ever published on this famous breed of horse. First published in 1917, this important work on horses, has not seen the light of day since its early publication. Chapters in this part include The Ancient Province of the Perche, Percheron Horse Prototypes, Following the Revolution, Evolution From Within, First French Horses in America, The Importing Record To 1870, Mid West Pioneers, The French Story Resumed, The Great Expansion of the 1880's and Other Prominent Figures of the Period. Nearly 350 pages of Percheron Horse history. (This is Part 1 of a two part series) Note: This edition is a perfect facsimile of the original edition and is not set in a modern typeface. As a result, some type characters and images might suffer from slight imperfections or minor shadows in the page background.

A Horse Named Melenudo - Book 1- Full Color Illustrations Augusto Silva,2015-07-07 A young boy named Julio, accidentally discovers the last wild Paso Fino horse family in South America Andes Mountains. The boy becomes determined to see them closely, specially a young colt that had the longest mane and tail anybody has ever seen. He named the colt Melenudo, a nickname in spanish for males with long hair. Both main characters, Melenudo and Julio live adversity and many adventures which make them stronger and wiser. This first book captures with words and with amazing color illustrations, the beginning of this journey. There are two versions of the same book with illustrations in black and white for children to color freely and a second version with images in full color to expand their artistic abilities further, the color version comes at a higher price. More Melenudo's books are coming bringing new adventures, collect them all!

Horse Lovers First Book Debbie Burgermeister,2019-11-21 A full-colour young children's first horse book, with lots of horse cartoons and photos. This book tells children all of the basics they need to know about horses, horse riding and starting out on a life as a horse lover, while also being fun, colourful and happy. The author, Debbie Burgermeister, has been inspired by her parents who have blessed her with a wonderful life growing up with horses. When she was a child she learned practical life skills and many great horsemanship skills from a very talented horseman, her father, who taught her to break in horses over 30 years ago in the natural way, and to ride horses to compete up to state level championships. Now grown up and the mother of twins, she juggles running her own business, managing a household, keeping fit and being involved in the sports of horse riding and polocrosse. She started her horse riding school business to be a stay-at-home mum and to have a business that would support her family and her lifestyle. Her passion is horses, and educating people to start with horses safely and confidently, giving people the chance to enjoy a unique, stress free, and liberating activity.

Horse Riding and Care Handbook Bernadette Faurie,2007 A richly illustrated guide, with stunning full-color photos from one of the world's leading equine photographers. Includes history, horse development, and breed identification, including practical advice for the novice.

The Encyclopaedia of Equestrian Exploration Volume 1 - A Study of the Geographic and Spiritual Equestrian Journey, Based Upon the Philosophy of Harmonious Horsemanship Cuchullaine O'Reilly,2017-11-29 For thousands of years we have travelled on horseback but until now no one has shown us the way. The three-volume Encyclopaedia of Equestrian Exploration is the most extensive study of equestrian travel ever created. Former generations of horse travellers took the basis of their equestrian knowledge for granted. For centuries they passed on wisdom in an oral tradition, never foreseeing the day when horses would be replaced as the primary mode of transportation. The result was the loss of humanity's collective equestrian travel wisdom. A treasure trove representing more than 6,000 years of cumulative human-horse travel experience was lost in less than 100 years due to global apathy. Thus as the 20th century came to a conclusion mankind knew more about the surface of the moon than it did about the once vital topic of horse travel. The Encyclopaedia of Equestrian Exploration offers every conceivable type of advice about equestrian travel such as how to plan a route, how to choose a travelling companion, how to find a road horse, how to load a pack saddle, how many miles to travel per day, how to feed and shoe your horse, how to cross rivers, how to negotiate borders, how to survive in traffic, how to deter horse thieves, etc. Enriched by nearly a thousand images, the books contain the wisdom of more than 400 Long Riders. The Bibliography includes knowledge gained from more than 200 titles dating back hundreds of years. This volume consists of The Preparation, The Horses and The Equipment. It counsels travellers on how to overcome hostility aimed by critics, plan a route and choose a companion. Finances and insurance are examined. Extensive chapters teach travellers how to locate, inspect and purchase suitable horses. The role of the pack horse is documented. A special study of Long Rider horsemanship provides surprising historical revelations. Feeding, watering, grooming and shoeing are carefully explained. Other chapters examine riding saddles, pack saddles, personal equipment and the use of support vehicles. Created after decades of study by CuChullaine O'Reilly, the Founder of the Long Riders' Guild, this comprehensive series of books is filled with the indispensable knowledge needed to resolve problems, overcome hardships and avoid dangers while travelling. Just as importantly, it empowers readers to turn their dream into a life-changing equestrian journey.

[The Essential Fergus the Horse](#) Jean Abernethy,2023-06-15 In the late 1990s, a little bay horse with white socks and a blaze was born. Dubbed “Fergus,” he has now traveled the world many times over by print, web, and satellite, inspired a line of merchandise, and gained a devoted following in the hundreds-of-thousands on Facebook and other social media. Who is this horse and how can we explain his magnetism? What makes him so special? Fergus the Horse (Equus hilarious) is the creation of Jean Abernethy, and the truth is, he isn’t meant to represent any one breed or discipline. Perhaps it’s this generic “everyhorse” quality that’s led to his popularity. “When fans write, ‘Fergus reminds me of my horse,’ I cannot be paid a higher compliment,” says Abernethy. And it’s his expressiveness, honesty, charm, and keen sense of humor that truly wins our hearts. Now Abernethy has brought together the backstory of Fergus the Horse—how he came to be, his early years, the history of his “friends”—and combined it with his “greatest hits,” including most-loved comic strips, some personal sketches, and brand new additions. The result is a lively, colorful, highly illustrated treasury that will entertain anyone with an eye for a horse and a need for a laugh.

[The Blackest Heart](#) Brian Lee Durfee,2019-02-26 Gladiator. Assassin. Thief. Princess. And the Slave. The Five Warrior Angels have been revealed, one by one the mystical weapons they once wielded are being found, and an ancient prophecy is finally being fulfilled. Or is it? For when it comes to recorded history, much is intended to manipulate and deceive. Returning to the kingdom of Gul Kana, Princess Jondralyn has suffered a

devastating loss, discovering that not all prophecy is to be assumed, not all scripture to be trusted. At the same time, her younger sister, Tala, has found faith within herself while facing off against villains, who are using her for their devices. Hawkwood, the former Bloodwood Assassin, is captured. And the knight, Gault, betrayed by the Angel Prince, can only wonder of the fate of his daughter who has fallen into terrible hands. All while Nail embarks upon the deadliest quest the Five Isles has ever known.

Stormy, Misty's Foal Marguerite Henry,2012-12-11 In this classic story by award-winning author Marguerite Henry, Misty fights for her life and the life of her unborn foal. A raging storm slashes across Assateague and Chincoteague islands. Water is everywhere! The wild ponies and the people must battle for their lives. In the midst of the storm, Misty—the famous mare of Chincoteague—is about to give birth. Paul and Maureen are frantic with worry as the storm rages on...Will Misty and her colt survive? This is the thrilling story of the hurricane that destroyed the wild herds of Assateague, and how strength and love helped rebuild them.
