

# Ijuche North Korean News

**B.R. Myers**

**North Korea's Juche Myth** B. R. Myers, 2015-10-01 For decades the North Korean regime has preached a virulent race-nationalism to its own people. At the same time, however, it has succeeded in making outsiders believe that it is guided by a solipsistic, inward-directed ideology of self-reliant communism. This in turn has nurtured the wishful assumption that the regime no longer has serious designs on South Korea. In this book, his follow-up to *The Cleanest Race* (2009), B.R. Myers shows that although the myth of Juche has done great service for the regime at home and abroad, the ideology's content has never played a significant role in policy-making or domestic propaganda. The North Korean nuclear program must be grasped in the context of the regime's true ideological commitment, which is not to self-reliance, but to final victory over the rival state.

The Juche Ideology of North Korea Seok-hyang Kim, 1993

*Juche* Thomas Julian Belke, 1999 Embark on an illustrated journey into one of the world's most isolated nations - North Korea. *Juche: A Christian Study of North Korea's State Religion* takes you on a journey into North Korea to view what is possibly the most rigidly controlling religious system on the planet - Juche. Through the use of unchallengeable totalitarian power, North Korea's ruling elite enforces Juche ideology in every aspect of the culture. No competing ideologies are permitted. Under the Juche belief system, man is proclaimed God in a nation whose government has officially decided against Christianity for all of its citizens. The majority of North Koreans today have never heard the name of Jesus. This book explores the various aspects of Juche, including its origins, central teachings, spiritual dimension, and holy sites. It also

considers the Juche worldview, propagation of the Juche culture, and Juche as a religion in transition. The journey into North Korea's state religion concludes by considering a biblical view of the future of Juche.--Amazon.com.

**North Korea Handbook** Yonhap News Agency, Seoul, 2002-12-27 This is a timely and comprehensive guide to one of the most volatile, misunderstood, and potentially dangerous states in the world, and one of great strategic importance to U.S. interests in Asia. Featuring a detailed who's who section, it covers politics, the economy, the military, education, and culture, and provides numerous vital statistical data.

**North Korea** Han S. Park, 2002-01-01 Despite isolation, an impoverished economy, mass starvation, and the challenge of leadership succession, North Korea's socialist state continues to survive. Han Park explores the reasons for this resilience, concentrating on the implications of mass beliefs and political ideology for the country's political life. Park begins with an examination of Juche, or self-reliance, the ideology that so pervasively penetrates the entire spectrum of North Korean society and guides political behavior at all levels. Drawing on personal interviews and on-site observations, he finds a belief system that is comparable to a theology, and a society that exhibits many characteristics of a religious community. In this context, he discusses regime legitimacy, the economy, foreign and defense policy, and the politics of reunification, as well as the regime's reaction to the market forces of globalization. It is Juche, Park concludes, that is the locus of North Korea's political culture, central to understanding its politics and policies. Though far from proposing a single-factor explanation of the North Korean system, he demonstrates convincingly that an understanding of the country's doctrine of self-re

**North Korea Through the Looking Glass** Kongdan Oh, Ralph C. Hassig, 2004-05-13 Fifty-five years after its founding at the dawn of the cold war, North Korea remains a land of illusions. Isolated and anachronistic, the country and its culture seem to be dominated exclusively by the official ideology of Juche, which emphasizes national self-reliance, independence, and worship of the supreme leader, General Kim Jong Il. Yet this socialist utopian ideal is pursued with the calculations of international power politics. Kim has transformed North Korea into a militarized state, whose nuclear weapons, ballistic missiles, and continued threat to South Korea have raised alarm worldwide. This paradoxical combination of cultural isolation and military-first policy has left the North Korean people woefully deprived of the opportunity to advance socially and politically. The socialist economy, guided by political principles and bereft of international support, has collapsed. Thousands, perhaps millions, have died of starvation. Foreign trade has declined and the country's gross domestic product has recorded negative growth every year for a decade. Yet rather than initiate the sort of market reforms that were implemented by other communist governments, North Korean leaders have reverted to the economic policies of the 1950s: mass mobilization, concentration on heavy industry, and increased ideological indoctrination. Although members of the political elite in Pyongyang are acutely aware of their nation's domestic and foreign problems, they are plagued by fear and policy paralysis. *North Korea Through the Looking Glass* sheds new light on this remote and peculiar country. Drawing on more than ten years of research—including interviews with two dozen North Koreans who made the painful decision to defect from their homeland—Kongdan Oh and Ralph C. Hassig explore what the leadership and the masses believe about their

current predicament. Through dual themes of persistence and illusion, they explore North Korea's stubborn adherence to policies that have failed to serve the welfare of the people and, consequently, threaten the future of the regime. Featuring twenty-nine rare and candid photos taken from within the closely guarded country, North Korea Through the Looking Glass illuminates the human society of a country too often mischaracterized for its drab uniformity—not a state, but a community of twenty million individuals who have, through no fault of their own, fallen on exceedingly hard times.

**Origins of North Korea's Juche** Chae-jǒng Sǒ, 2013

For over five decades, North Korea has outlived many forecasts of collapse despite defects in its system. *Origins of North Korea's Juche: Colonialism, War, and Development*, edited by Jae-Jung Suh, argues that it has survived because of Juche, a unique political institution built on the simple notion of self-determination, whose meanings and limits have been shaped by Koreans' experiences with colonialism, war, and development amidst surrounding superpowers that have complicated their aspirations and plans. The authors in this volume collectively provide an historical institutionalist account of North Korean politics organized around the concept of Juche--commonly translated as self-reliance, but best understood as subjecthood or being a master of one's own fate--focusing on its role as a response to North Korea's experiences with colonialism, the Korean War, and economic development. The contributors further discuss how Juche circumscribes the evolutionary path that North Koreans can take as they negotiate contemporary challenges. North Korea, as it is now, is best understood in terms of Juche which embodies the cumulative effect of its historical experiences and responses, and its future potential and trajectory, as

enabled and constrained by its conception of Juche. This collection provides fascinating insights into the politics and history of one of the world's most mysterious nations.

Living the Juche Lie North Korea's Kim Dynasty James G. Zumwalt, 2012-07-01 From a writer who has made ten trips to North Korea and seen things first hand... The author takes a complex situation; one that factors greatly in US geopolitical decision and policy making and turns it into an understandable and easy read. It is an insightful analysis of the current situation in North Korea and how the past has led to the present and has significant impact on the future. The Evolution of Power to Yet Another Generation of Kims - And the Conditions Giving Rise To It. James Zumwalt is an internationally acclaimed best-selling author, speaker and business executive, he also currently heads a security consulting firm named after his father-Admiral Zumwalt & Consultants, Inc. He writes extensively on foreign policy and defense issues, having written hundreds of articles for various newspapers and magazines, including: USA Today The Washington Post The New York Times The Washington Times The LA Times The Chicago Tribune The San Diego Union Parade magazine and others. His articles have covered issues of major importance, oftentimes providing readers with unique perspectives that have never appeared elsewhere. This has resulted, on several occasions, in his work being cited by members of Congress and entered into the US Congressional Record. -- Provided by publisher.

**The Cleanest Race** B.R. Myers, 2011-02-01 Understanding North Korea through its propaganda What do the North Koreans really believe? How do they see themselves and the world around them? Here B.R. Myers, a North Korea analyst and a contributing editor of The Atlantic, presents the first full-length study of the North Korean worldview. Drawing on extensive research into the

regime's domestic propaganda, including films, romance novels and other artifacts of the personality cult, Myers analyzes each of the country's official myths in turn—from the notion of Koreans' unique moral purity, to the myth of an America quaking in terror of "the Iron General." In a concise but groundbreaking historical section, Myers also traces the origins of this official culture back to the Japanese fascist thought in which North Korea's first ideologues were schooled. What emerges is a regime completely unlike the West's perception of it. This is neither a bastion of Stalinism nor a Confucian patriarchy, but a paranoid nationalist, "military-first" state on the far right of the ideological spectrum. Since popular support for the North Korean regime now derives almost exclusively from pride in North Korean military might, Pyongyang can neither be cajoled nor bullied into giving up its nuclear program. The implications for US foreign policy—which has hitherto treated North Korea as the last outpost of the Cold War—are as obvious as they are troubling. With North Korea now calling for a "blood reckoning" with the "Yankee jackals," Myers's unprecedented analysis could not be more timely.

Changes in the way of life and survival 71 2. Changes in life  
and perceptions 86 3. Changes in role and status 92  
CHAPTER 6: Conclusion

North Korea Issues Larinda B. Pervis, 2007 North Korea is officially described as a socialist republic governed according to the ideology of Juche (loosely, self-reliance). Kim Il-Sung, the founder of North Korea, was the country's first and only president; in the North Korean constitution he is described as the Eternal President of the Republic: The DPRK and the entire Korean people will uphold the great leader Comrade Kim Il-sung as the eternal President of the Republic. The de facto head of state and government is Kim Jong-Il, who is Chairman of the National Defence Commission. The legislature of North Korea is the Supreme People's Assembly, or SPA; the current President of the SPA is Kim Yong Nam. The other senior government leader is the Premier, currently Pak Pong-ju. North Korea is a single-party state. The governing party is the Democratic Front for the Reunification of the Fatherland, a coalition made up of three smaller parties, the Workers Party of Korea, the Korean Social Democratic Party and the Chondoist Chongu Party. These parties nominate all candidates for office and hold all seats in the Supreme People's Assembly. North Korea seems to delight in its self-appointed role as an international trouble-maker, rogue state and budding nuclear power. Much of the world seems to regard it as a loose cannon -- but a potentially dangerous one rather than simply an irritating tiny, poverty-stricken, isolated country led by a short person with tall hair. This book focuses on the flurry of activities engaged in by North Korea.

**The Oxford Handbook of Communist Visual Cultures** Aga Skrodzka, Xiaoning Lu, Katarzyna Marciniak, 2020-06-18 Stereotypes often cast communism

as a defunct, bankrupt ideology and a relic of the distant past. However, recent political movements like Europe's anti-austerity protests, the Arab Spring, and Occupy Wall Street suggest that communism is still very much relevant and may even hold the key to a new, idealized future. In *The Oxford Handbook of Communist Visual Cultures*, contributors trace the legacies of communist ideology in visual culture, from buildings and monuments, murals and sculpture, to recycling campaigns and wall newspapers, all of which work to make communism's ideas and values material. Contributors work to resist the widespread demonization of communism, demystifying its ideals and suggesting that it has visually shaped the modern world in undeniable and complex ways. Together, contributors answer curcial questions like: What can be salvaged and reused from past communist experiments? How has communism impacted the cultures of late capitalism? And how have histories of communism left behind visual traces of potential utopias? An interdisciplinary look at the cultural currency of communism today, *The Oxford Handbook of Communist Visual Cultures* demonstrates the value of revisiting the practices of the past to form a better vision of the future.

**Kim Jong Il** Joyce Hart, 2007-08-15 Including headline news on North Korean politics and policies, the book provides a sweeping biography of one of the world's most important, provocative, and potentially dangerous leaders. As a political and cultural history, this is a resource for current events, carefully considered history, and scrupulous biography. Combining an anecdotal, narrative biographical style with the enthralling storytelling of popular history and the immediacy of journalism, this book educates, fascinates, and informs. High caliber, full-color photojournalist work includes many rarely seen photos of

Kim Jong Il, the world's most reclusive and mysterious leader.

### **The Human Rights Situation in North Korea**

Institute for South-North Korea Studies,1992

**Understanding North Korea** Jongwoo Han,Jung Tae-hern,2013-12-04 Why does North Korea want to possess nuclear capabilities? In order to find the answer to this question, we must have an accurate understanding of the history and structure of the North Korean regime. So far, we have only formed conjectures and predictions regarding North Korea based on our own perspectives; we now need to deal with and consider North Korea "as is" to reach viable solutions to the issues North Korea presents. This volume contains analyses of the most salient, critical issues pertinent to understanding the North Korean regime, penned by representative Korean scholars of North Korea. As such, the book examines the historical formation of North Korea, the identities of those power elite, and the relative stability (or instability, as the case may be) of the new regime under Kim Jong-un. Also an important aspect to consider is the possibility of socio-economic change in North Korea. Though North Korea has remained relatively static vis-à-vis its political and military systems, it is in the process of becoming rapidly marketized, having continued various attempts to modify its economic policy. In the social realm, said economic shift has elicited the polarization of the disparate classes and the expansion of individualism. Such social transformations, obscured by the easily visible political reality of North Korea, can provide solid grounds for determining the future of the North Korea regime. Moreover, it is imperative that we accurately understand the motivation behind North Korea's intention to develop nuclear weapons—namely, the expansion of deterrence. We must recognize the reasons for the North Korean hostility

toward the United States from the very beginning of the DPRK formation and the North Korean fixation on nuclear weapons development. Further, we need to understand the nature of relations between China and North Korea—relations on which the international community has focused since North Korea began its nuclear testing—as well as the history and structure of relations between North and South Korea. Only when we accurately understand North Korea can we reach solutions to the North Korean nuclear issue. The studies in this volume by Korean scholars will reveal the veiled background of the visible phenomena and thereby help the readers to correctly understand the North Korean behaviors hitherto misunderstood (or even those that were impossible to understand).

### **North Korea's Foreign Policy under Kim Jong Il**

Seung-Ho Joo, 2016-12-05 The Democratic People's Republic of Korea (North Korea) joined the rank of nuclear powers in October 2006 after exploding its first nuclear device. The test was not fully successful yet it unequivocally demonstrated North Korea's nuclear weapons capability. North Korea under the leadership of Kim Jong-il remains as unpredictable and mysterious as ever. This comprehensive study brings together leading scholars in the field to examine the country's current foreign policy under Kim Jong-il as well as its bilateral relations with the USA, China, Russia, Japan and South Korea.

The Real North Korea Andrei Lankov, 2015 In The Real North Korea, Lankov substitutes cold, clear analysis for the overheated rhetoric surrounding this opaque police state. Based on vast expertise, this book reveals how average North Koreans live, how their leaders rule, and how both survive

**In North Korea** Nanchu, Xing Hang, 2010-07-27 This is an account of an American woman's recent travels through

North Korea. Throughout her journey, she continually witnessed rundown villages, starving children with hollow eyes, haggard women crawling in the fields for single grains of rice and civilians unloading food aid at the point of bayonets. The author predicts that North Korea's economic reform, which has just started, will progress slowly, but that the country will one day be open to the outside world. It may, however, take another twenty years for this reform to be complete. Small, reluctant changes have already happened though, and this book expresses optimism that one day the North Korean people will end their isolation and join the world's mainstream.

*North Korea* Charles Piddock, 2006-12-15 Describes the history of Korea, and discusses the political and economic situation in modern-day North Korea.

**The Country Aglow with Juche** Shō Ishikawa, 1988

## **Ijuche North Korean News** Book Review: Unveiling the Magic of Language

PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Ijuche North Korean News free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader.

## Ijuche North Korean News Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing

The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Ijuche North Korean News free PDF files

of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Ijuche North Korean News free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally

available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Ijuche North Korean News. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Ijuche North Korean News any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Ijuche North Korean News Books**

1. Where can I buy Ijuche North Korean News books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a

- Ijuche North Korean News book to read?  
Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).  
Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations.  
Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Ijuche North Korean News books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
  5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
  6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
  7. What are Ijuche North Korean News audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide

- selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
  9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
  10. Can I read Ijuche North Korean News books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-

books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
