The Art of Football Michael Oriard,2017-08 The Art of Football is a singular look at early college football art and illustrations. This collection contains more than two hundred images, many rare or previously unpublished, from a variety of sources, including artists Winslow Homer, Edward Penfield, J. C. Leyendecker, Frederic Remington, Charles Dana Gibson, George Bellows, and many others. Along with the rich art that captured the essence of football during its early period, Michael Oriard provides a historical context for the images and for football during this period, showing that from the beginning it was perceived more as a test of courage and training in manliness than simply an athletic endeavor. Oriard's analysis shows how these early artists had to work out for themselves—and for readers—what in the new game should be highlighted and how it should appear on the page or canvas. The Art of Football takes modern readers back to the day when players themselves were new to the sport, and illustrators had to show the public what the new game of football was. Oriard demonstrates how artists focused on football's dual nature as a grueling sport to be played and as a social event and spectacle to be watched. Through its illustrations and words The Art of Football gives readers an engaging look at the earliest depictions of the game and the origins of the United States as a football nation.

Get Your Own Damn Beer, I'm Watching the Game! Holly Robinson Peete,Daniel Paisner,2005-08-15 Year after year, Sunday afternoons and Monday nights during the NFL season have belonged to men. While they cheer and argue play calls, the women in their lives are relegated to beer and chip detail. It's time for these women to join the action, and Holly Robinson Peete, star of 21 Jump Street, For Your Love, and Hangin' with Mr. Cooper, and wife of NFL quarterback Rodney Peete, has written this hip, smart, cheerful guide to help them do so. In Get Your Own Damn Beer, I'm Watching the Game!, Peete shares her infectious enthusiasm for pro football and takes the complexity out of the game by breaking it down to its component parts. She explains the role of each position player, provides a rundown of all on-field penalties and referees' hand signals, and offers an illustrated guide to some of the most common plays in the NFL. She gives her take on the most memorable plays in NFL history and dishes some inside dirt-in a breezy, girl-talkin' narrative that promises to turn the novice spectator into a well-informed football fanatic.

From Every People and Nation J. Daniel Hays,2016-02-10 After this I looked and there before me was a great multitude that no one could count, from every nation, tribe, people and language . . . (Revelation 7:9). The visions in the book of Revelation give a glimpse of the people of God at the consummation of history—a multiethnic congregation gathered together in worship around God's throne. Its racial diversity is expressed in a fourfold formula that first appears in Genesis 10. The theme of race runs throughout Scripture, constantly pointing to the global and multiethnic dimensions inherent in the overarching plan of God. In response to the neglect of this theme in much evangelical biblical scholarship, J. Daniel Hays offers this thorough exegetical work in the New Studies in Biblical Theology series. As well as focusing on texts which have a general bearing on race, Hays demonstrates that black Africans from Cush (Ethiopia) play an important role in both Old and New Testament history. This careful, nuanced analysis provides a clear theological foundation for life in contemporary multiracial cultures and challenges churches to pursue racial unity in Christ. Addressing key issues in biblical theology, the works comprising New Studies in Biblical Theology are creative attempts to help Christians better understand their Bibles. The NSBT series is edited by D. A. Carson, aiming to simultaneously instruct and to edify, to interact with current scholarship and to point the way ahead.
