Model Rules of Professional Conduct American Bar Association. House of Delegates,Center for Professional Responsibility (American Bar Association),2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

When Ramadan begins, she is excited that she is finally old enough to participate in the fasting but worried that her classmates won't understand why she doesn't join them in the lunchroom. Lailah solves her problem with help from the school librarian and her teacher and in doing so learns that she can make new friends who respect her beliefs. This gentle, moving story from first-time author Reem Faruqi comes to life in Lea Lyon's vibrant illustrations. Lyon uses decorative arabesque borders on intermittent spreads to contrast the ordered patterns of Islamic observances with the unbounded rhythms of American school days. Fountas & Pinnell Level N
