Exegetical Dictionary of the New Testament, Vol. 2 horst Balz, Gerhard M. Schneider,2004-01-20 The English translation of the three-volume Exegetisches Wörterbuch zum Neuen Testament, this monumental work by an ecumenical group of scholars is first of all a complete English dictionary of New Testament Greek. Going beyond that, however EDNT also serves as a guide to the usage of every New Testament word in its various contexts, and it makes a significant contribution to New Testament exegesis and theology. EDNT's thorough, lengthy discussions of more significant words and its grouping of words related by root and meaning (with alphabetical cross-references) distinguish it from simpler Greek-English lexicons. Advancing the discussion of the Theological Dictionary of the Old Testament, EDNT summarizes more recent treatments of numerous questions in New Testament study and takes into consideration newer viewpoints of linguistics.

The Little Brown Church in the Vale ... When Did the Lights Go Out? Bob G. Shupe,2008 Why have small churches remained small? And why has this mandate in Mark 16:15 not impacted the thousands of small, denominational churches across the country? When you consider the plan of salvation, how can a church not grow? Because of the positive growth in many nondenominational churches, some church leaders falsely assume they can have the same results by abandoning their denominational heritage. However, most people are attracted to a particular church because they feel welcomed by the people in that church, and because of that church's unique ministry in their community. While it may be helpful to de-emphasize the denominational connection, it is a mistake to abandon it. As you read *The Little Brown Church in the Vale*, you will be challenged to take a fresh look at the direction your ministry and your church is taking.

The Pravacana-sāra of Kunda-kunda Śācīrya F. W. Thomas,2014-07-17 Originally published in 1935, this book contains an English translation of the Pravacana-sāra, an early Jain text that embodies the teaching of the Digambara sect, along with the translation of a commentary by Amṛtacandra. The introduction by F. W. Thomas provides background to the dialect of Sanskrit used by Kunda-kunda, the original author, and a few details on the author as a historical figure and his importance in Digambara Jainism. This book will be of value to anyone with an interest in Jain literature and scripture.
