Bomb Shelter Mary Laura Philpott, 2023-04-04 A ... memoir-in-essays that tackles the big questions of life, death, and existential fear with humor and hope--

Eight Hundred Grapes Laura Dave, 2015-06-02 FROM THE AUTHOR OF THE #1 NEW YORK TIMES BESTSELLER THE LAST THING HE TOLD ME? Heralded as “impossible to put down” (Elle), and named a Best Book of the Summer by Glamour, Good Housekeeping, Cosmopolitan, Elle, Marie Claire, and Us Weekly, Eight Hundred Grapes is a heartbreaking, funny, and deeply evocative novel about love, marriage, family, wine, and the treacherous terrain in which they all intersect. There are secrets you share, and secrets you hide... What if your beloved fiancé, he of the crinkly smile and irresistible British accent, had kept a life-changing secret from you? And what if, just a week before your dream wedding, you discovered it? Georgia Ford, bride-to-be, hops in her car and drives through the night, from Los Angeles to Sonoma, to her safe haven: her family, and the acclaimed family winery. Georgia craves the company of those who know her best, and whom she truly knows. Better yet, it’s the eve of the last harvest—the best time of the growing season, and Georgia knows she’ll find solace—and distraction—in the familiar rituals. But when Georgia arrives home, nothing is at all familiar. Her parents, her brothers, the family business, are all unrecognizable. It seems her fiancé isn’t the only one who’s been keeping secrets... Eight Hundred Grapes is a story about the messy realities of family, the strength (and

weaknesses) of romantic love, and the importance of finding a place to call home. "This winning tale will both satisfy on a literary level and encourage oenophiles to pour themselves a glass of a recent vintage to enjoy while reading; it's a tasty treat for wine lovers and teetotalers alike" (Publishers Weekly). You won't be able to put this "addictive" (Us Weekly) novel down.

Risen Motherhood (Deluxe Edition) Emily Jensen, Laura Wifler, 2022-10-25 THIS HIGHLY GIFTABLE DELUXE EDITION OF THE BESTSELLER INCLUDES THREE ALL-NEW CHAPTERS Motherhood is hard. In a world of five-step lists and silver-bullet solutions to become perfect parents, mothers are burdened with mixed messages about who they are and what choices they should make. If you feel pulled between high-fives and hard words, with culture's solutions only raising more questions, you're not alone. But there is hope. You might think that Scripture doesn't have much to say about the food you make for breakfast, how you view your postpartum body, or what school choice you make for your children, but a deeper look reveals that the Bible provides the framework for finding answers to your specific questions about modern motherhood. Emily Jensen and Laura Wifler help you understand and apply the gospel to common issues moms face so you can connect your Sunday morning faith to the Monday morning tantrum. Discover how closely the gospel connects with today's motherhood. Join Emily and Laura as they walk through the redemptive story and reveal how the gospel applies to your everyday life, bringing hope, freedom, and joy in every area of

motherhood.

Becoming Laura Ingalls Wilder John E.

Miller, 2006-01-31 Although generations of readers of the Little House books are familiar with Laura Ingalls Wilder's early life up through her first years of marriage to Almanzo Wilder, few know about her adult years. Going beyond previous studies, *Becoming Laura Ingalls Wilder* focuses upon Wilder's years in Missouri from 1894 to 1957. Utilizing her unpublished autobiography, letters, newspaper stories, and other documentary evidence, John E. Miller fills the gaps in Wilder's autobiographical novels and describes her sixty-three years of living in Mansfield, Missouri. As a result, the process of personal development that culminated in Wilder's writing of the novels that secured her reputation as one of America's most popular children's authors becomes evident.

And This Is Laura Ellen Conford, 1980-05 The twelve-year-old member of a family of overachievers wishes she were special in some way too. Then she discovers she possesses psychic ability.

Soul of Fire Laura Anne Gilman, 2013-10-01 save the world—early and often Three months ago Jan learned that elves were real, our world wasn't safe and it was up to her to save her boyfriend—and the world—from being englamoured into slavery. Now Jan has a new deadline—ten weeks, ten days and ten hours. That's when the truce she arranged between our world and the elves' realm ends, and the invasion starts. While supernatural creatures work to defend humanity, Jan and the kelpie Martin have to find the preter

queen, and use her to force the portals closed. But when magic mixes with technology, shutting it down isn't as simple as closing a door or pulling a plug... Jan's geek-girl know-how might have gotten her this far, but they're going to need technical skills and magic to shut the portals for good... And their time's nearly up.

Snapped Laura Griffin,2011-08-30 SOPHIE BARRETT THINKS SHE'S LUCKY TO BE ALIVE. SHE MAY BE DEAD WRONG. On a sweltering summer afternoon, Sophie Barrett walks into a nightmare. A sniper has opened fire on a college campus. When the carnage is over, three people—plus the shooter—are dead and dozens more are injured. Sophie escapes virtually unscathed. Yet as details emerge from the investigation, she becomes convinced that this wasn't the random, senseless act it appeared to be. No one wants to believe her—not the cops, not her colleagues at the Delphi Center crime lab, and

definitely not Jonah Macon, the homicide detective who's already saved her life once. Jonah has all kinds of reasons for hoping Sophie is mistaken. Involving himself with a key witness could derail an already messy investigation, not to mention jeopardize his career. But Sophie is as determined and fearless as she is sexy. If he can't resist her, he can at least swear to protect her. Because if Sophie is right, she's made herself the target of a killer without a conscience. And the real terror is only just beginning. . . .

Amazing American Inventors of the 20th Century

Laura S. Jeffrey,2013-07-01 The ten Americans profiled in this book may not be familiar to some people, but their inventions certainly are. Each of these inventors began with an idea for improving some aspect of life. Through ingenuity, hard work, and talent, they made their

ideas a reality. Includes profiles of William Lear, Philo Farnsworth, Beatrice Kenner, Gertrude Belle Elion, Gordon Gould, Charles Ginsburg, Robert Shurney, Jack Kilby, Stephanie Kwolek and Lonnie Johnson.

Topics included in the book are spell work, cleansings (limpias), herbs, the Days of the Dead, how to protect against the Evil Eye, and how to break and avert hexes and curses--
