Love Circles Charles Lee Robinson, Jr., 2015-06-10 Love Circles is a riveting account of sexual revenge and betrayal played out over twenty-five years in the lives of three men, friends who have managed to stay friends, and are now happily married. They meet at a newly built jazz club to reminisce on all the bad relationships they have had over the years, times when they were living in a vicious love circle of life. Yet they still remained loyal to each other, despite all the other friends who betrayed them over the decades. The three have triumphed over all obstacles by learning that God is the only one who really gets revenge. The story follows Lenny, Richard, and Nathan as they learn things the hard way when their lives were put in danger. Will they prevail?

Easternsports , 2016 Longtime friends and first-time collaborators Alex Da Corte (born 1980) and Jayson Musson (born 1977) created a major new commission for ICA Philadelphia in 2014. Nearly two and a half hours in length, this in-the-round video installation was scripted by Jayson Musson, directed by Alex Da Corte, and scored by composer Devonté Hynes. Easternsports is an amorality tale for the digital age. Both deadly serious and heartbreakingly flippant, it embraces Gap commercials and grand jury rulings, middle-class aspirations and global imperialism. And it transforms a decade-long conversation between Musson and Da Corte into a work awash in the neon glow of their American milieu.

Zagat to Go Zagat Survey, Zagat Survey

Staff, 2003-11-03 These are the results of the forty restaurant and nightlife guides that Zagat produce yearly, covering cities such as London, Paris, New York, Tokyo and San Francisco to name but a few. To guide the readers to the best watering holes to suit their tastes, moods and

budgets, there are a number of category lists, for example, Most Popular, Top Ratings and Best Buys. On the assumption that most people want a quick fix on the places at which they are considering socialising, there are also handy and concise indexes. These guides spotlight both centuries old traditional pubs and trendy, minimalist lounges, sumptuous restaurants and clubs. The diversity of venues means that goths, pre-clubbers, lads, families, hen and stag nights and tourists can all have the best of times.

Glenn Beck's Common Sense Glenn

Beck, 2009-06-16 Glenn Beck, the New York Times bestselling author of *The Great Reset*, revisits Thomas Paine's *Common Sense*. In any era, great Americans inspire us to reach our full potential. They know with conviction what they believe within themselves. They understand that all actions have consequences. And they find commonsense solutions to the nation's problems. One such American, Thomas Paine, was an ordinary man who changed the course of history by penning *Common Sense*, the concise 1776 masterpiece in which, through extraordinarily straightforward and indisputable arguments, he encouraged his fellow citizens to take control of America's future—and, ultimately, her freedom. Nearly two and a half centuries later, those very freedoms once again hang in the balance. And now, Glenn Beck revisits Paine's powerful treatise with one purpose: to galvanize Americans to see past government's easy solutions, two-party monopoly, and illogical methods and take back our great country.
