Lord I'm Coming Home John Forrest, 2018-03-15 *Lord I'm Coming Home* focuses on a small, white, rural fishing community on the southern reaches of the Great Dismal Swamp in North Carolina. By means of a new kind of anthropological fieldwork, John Forrest seeks to document the entire aesthetic experience of a group of people, showing the aesthetic to be an everyday experience and not some rarefied and pure behavior reserved for an artistic elite. The opening chapter of the book is a vivid fictional narrative of a typical day in Tidewater, presented from the perspective of one fisherman. In the following two chapters the author sets forth the philosophical and anthropological foundations of his book, paying particular attention to problems of defining aesthetic, to methodological concerns, and to the natural landscape of his field site. Reviewing his own experience as both participant and observer, he then describes in scrupulous detail the aesthetic forms in four areas of Tidewater life: home, work, church, and leisure. People use these forms, Forrest shows, to establish personal and group identities, facilitate certain kinds of interactions while inhibiting others, and cue appropriate behavior. His concluding chapter deals with the different life cycles of men and women, insider-outsider relations, secular and sacred domains, the image and metaphor of home, and the essential role that aesthetics plays in these spheres. The first ethnography to evoke the full aesthetic life of a community, *Lord I'm Coming Home* will be important reading not only for anthropologists but also for scholars and students in the fields of American studies, art, folklore, and sociology.

New Grove Gospel Blues And Jazz Paul Oliver, Max Harrison, William Bolcom, 1986 'Max Harrison . . . surveys the whole history and development of jazz in a concise, well written and well illustrated . . . article together with an extensive bibliography.' —Richard D. C. Noble, *Times Literary Supplement*

The chapters of this book are in roughly chronological sequence: Spirituals, Blues, Gospels, Ragtime, and Jazz. The first three are by Paul Oliver, whose New Grove entry on the Blues is widely regarded as the definitive brief history of the genre. He has revised and expanded it for this book publication and, in addition, has extended the coverage of his essays on Spirituals in The New Grove to discuss both black and white traditions. Similarly, Oliver has revised and recast his coverage of Gospel music, which has been considerably expanded. Max Harrison's long entry on Jazz, which has also been extended, draws together the separate strands of the book to discuss the concept of Jazz as a matrix of mutually influential folk and popular styles. William Bolcom's short and definitive article on Ragtime has been revised, and all the bibliographies have been updated to include new and important works.

I Know Where I'm Going Charlotte Chandler, 2010-03-02 • The private Hepburn in her own words: Katharine Hepburn draws on a series of interviews Chandler conducted with the actress during the 1970s and 1980s. Chandler also interviewed director George Cukor; Hepburn co-stars Cary Grant and James Stewart; and

Laurence Olivier, Ginger Rogers, and other screen luminaries. . •
A Hollywood icon unveiled: Notoriously guarded, Katharine Hepburn talks candidly with Chandler about her marriage, her long affair with Spencer Tracy, co-stars and movies, and the seminal event in her life—the suicide of her brother, whom she adored, when they were both in their teens. With her unprecedented access to Hepburn, Chandler has written a biography completely different from all others, including Hepburn’s own guarded book about herself. .

The Jazz Age Arnold Shaw, 1989-11-30 F. Scott Fitzgerald named it, Louis Armstrong launched it, Paul Whiteman and Fletcher Henderson orchestrated it, and now Arnold Shaw chronicles this fabulous era in *The Jazz Age*. Spicing his account with lively anecdotes and inside stories, he describes the astonishing outpouring of significant musical innovations that emerged during the Roaring Twenties—including blues, jazz, band music, torch ballads, operettas and musicals—and sets them against the background of the Prohibition world of the Flapper. The jazz age set the sound of popular music into the 1950s. It included the flowering of improvised music by such artists as Armstrong, Bix Beiderbecke, and Duke Ellington; the maturation and Americanization of the Broadway musical theatre; the explosion of the arts celebrated in the Harlem Renaissance; the rise of the classical blues singers starting with Mamie Smith and climaxing with Bessie Smith; the evolution of ragtime into stride piano; the spread of speakeasy night life and the emergence of the Cabaret singers; the musical creativity of a whole range of composers and songwriters including Kern, Gershwin, Berlin, Youmans, Rodgers and Hart, and Cole Porter, whom Shaw calls Song Laureate of the Roaring 20s. Here is a lively account of all these significant developments and personalities. A bibliography, detailed discography, and two informative lists—songs of the 20s in *Variety*’s Golden 100 and films featuring singers and songwriters of the era—round out the book.

I'm Going to College---Not You! Jennifer

Delahunty,2010-08-31 Acceptance by a top college is more than a gold star on a high school graduate's forehead today. It has morphed into the ultimate good parenting stamp of approval--the better the bumper sticker, the better the parent, right? Parents of juniors and seniors in high school fret over SAT scores and essays, obsessed with getting their kids into the right college, while their children push for independence. I'm Going to College--Not You! is a resource for parents, written by parents who've been in their shoes. Kenyon College dean Jennifer Delahunty shares her unique perspective (and her daughter's) on one of the toughest periods of parenting, and has assembled a top-notch group of writers that includes best-selling authors, college professors and admissions directors, and journalists. Their experiences with the difficult balancing act between control freak and resource answer questions like: --how can a parent be less of a helicopter (hovering) and more of a booster rocket (uplifting)? --what do you do when your child wants to put off college to become a rock star? and --how will you keep from wanting to kill each other? Jack the Writer: A Verbal & Visual Analysis of the Ripper Correspondence Dirk C. Gibson,2013-09-03 The story of the unidentified serial killer in London's Whitechapel district - known as Jack The Ripper - has been the subject of interest to researchers for over 120 years. The name ascribed to the individual was from a letter sent to the Central News Agency in London on 27 September 1888. Initially thought to be a hoax, the letter gained much publicity when the writer's promise of clipping a lady's ears off manifested after the discovery of the body of Catherine Eddowes with an ear lobe severed, 3 days after the

letter was received. Several letters followed this and borrowed elements from the earlier correspondences. Jack the Writer: A Verbal & Visual Analysis of the Ripper Correspondence is a different approach to the subject of 'Ripperology'. In this book, the author, Dirk Gibson, provides a quantitative content analysis of the letters. Gibson first grounds this study of the Jack the Ripper letters in an analysis of the legitimacy of the documents. The dialectic method is used to carefully consider the authenticity of these letters. The largest extant collection of Jack the Ripper letters is provided in this book, approximately 250 in number. The most significant part of this book is a trio of content analyses quantifying the themes, subjects, people and linguistic mannerisms mentioned in the Ripper letters; the analyses describe precisely what was and was not in these missives. The letters are described and presented in the context of their content, with the valid letters presented in chronological order. Jack the Writer: A Verbal & Visual Analysis of the Ripper Correspondence will give readers, whether generally interested in the ripper correspondence or undertaking courses in criminology or abnormal psychology, a glimpse of the cultural context of a serial murderer's communication with the public and the press in Victorian times.

Hi Honey, I'm Homo! Matt Baume, 2023-05-23 2024 Stonewall Book Honor Award Winner—Israel Fishman Non-Fiction Book Award Featured on NPR's Books We Love 2023 One of Vulture's Best Comedy Books of 2023 This book is a triumph and everyone should read it. —Dan Savage, journalist and author, on the Savage Lovecast Hi Honey, I'm Homo is a heartbreaking historical document, but ultimately one that will leave the reader feeling proud of how something as maligned and disposable as

the network sitcom used comedy to bring about such profound and important social progress. —Vulture [A] well-curated compendium of prime time broadcasting . . . Baume is a companionable guide. —Shelf Awareness Behind the scenes of the most popular sitcoms of the 20th century, a revolution was brewing. For decades, amidst the bright lights, studio-audience laughs, and absurdly large apartment sets, the real-life story of American LGBTQ+ liberation unfolded in plain sight in front of millions of viewers, most of whom were laughing too hard to mind. From flamboyant relatives on *Bewitched* to closely-guarded secrets on *All in the Family*, from network-censor fights over *Soap* to behind-the-scenes activism on the set of *The Golden Girls*, from *Ellen*’s culture clash and *Will & Grace*’s mixed reception to *Modern Family*’s primetime power-couple, *Hi Honey, I’m Homo!* is the story not only of how subversive queer comedy transformed the American sitcom, from its inception through today, but how our favorite sitcoms transformed, and continue to transform, America. Accessible, entertaining, and informative, *Hi Honey, I’m Homo!* features commentary and interviews from celebrities, behind-the-scenes creators, and more.
