**Management** Kate Theimer,2014-06-06 **Management: Innovative Practices for Archives and Special Collections** explores the kinds of challenges that managers of archival programs face today and how those challenges can be met to achieve optimal results while working within existing resources. The book features thirteen case studies that demonstrate solutions to both traditional management concerns as well as new issues and opportunities presented by changes in technology and organizational environments. This book will help professionals build stronger archival programs by making effective use of people, technology, and resources while working within organizational requirements and constraints.
