

Imagic Basket 10

David L. Hudson, Jr.

The Magic Basket Robert Netkin, 2017-02-28 The Fires Burning Hot Trilogy begins with Book #10 - The Eyes Of Oscar The Conductor. With Sherie left behind, with Hedda in The Great Beyond, Robert and Oscar have to find a way to work closer together - and they do: Robert designs and Oscar produces a special locket that can contain Oscar's spirit, so Robert can meld with it, and see through Oscar's eyes - The Eyes Of Oscar The Conductor locket! With this special ability, Robert becomes deeply involved with a beautiful modern dancer: Margaret. Sadly this experience ends with a befuddled Robert - and deeply troubled too! Oscar works to find a solution to this, by bringing Robert into The Magic Basket for re-energizing, and to undertake a new adventure. Solay, the ferryboat pilot, reveals herself to be much more than just another embodied spirit - she is of the sun itself, and she has unrevealed sisters - one of whom needs Robert's help! Solay and Robert, on newly revealed winged horses, go to see this sister - Fiona of The Fire Lands, at her volcanic homeland. The problem is that Fiona is nearing the point at which she must erupt, which will create a great tidal wave - and Solay and Fiona want Robert to carry the message to everyone that they must go to higher ground. And as a reward for the service he'll be rendering, Solay and Fiona present Robert with a gift - they pull him apart, into Robert and Smiley Bob, an alternate persona! Oscar puts Robert back together, and they perform their mission, and disaster is averted. The story ends with Robert meeting a real world woman, who happens to look

just Fiona! And Robert and Katrina seem to quickly hit it off together! Book #11 - Fueling The Fires, begins with the developing relationship between Robert and Katrina. And the two end up getting together with Melanie and her beau - and the complications begin, as Katrina and David seem to have a lot in common - perhaps too much! Robert and Melanie decide to introduce David and Katrina to The Magic Basket, and they go inside for a now-familiar tour, but with a notable exception: they experience everything as a foursome, but with Robert as something of an outlier - as all the spirits of The Magic Basket seem intent on getting a point across to Robert. As their experience is coming to an end, The sisters Solay and Fiona, as well as Deanna of The Forest Lands, need to let Robert and The Headmaster know of a new crisis - Fiona's eruption has released a new demon - The Flamethrower, who is churning out streams of flamebearers that are leaving a path of destruction in their wake! And so a great adventure begins for Robert, as well as Melanie, David and Katrina, in trying to stop these flamebearers, and shutting the Flamethrower down! Book #12 - Finding Clarity Through The Heat, Smoke & Flames is about the return of Sherie to Riverrun - and she's brought Hedda with her! So begins a saga of pleasure, turmoil and trouble, with our familiar friends in Riverrun! Robert matches up Sultana with Sherie, and Principo with Hedda; and form into one happy group with Robert and Katrina and David and Melanie - that is until things become very complicated. Finally Robert leads them all into The Magic Basket to try to get

things clarified. Then things get more complicated when another demon comes to life, in the form of the giant iceman Clarennon - who's one angry demon! The story ends with a feeling-good defeat of this iceman, but also his joining with Hedda on a collaborative effort! And so the story goes ...!

Dream Team Jack McCallum, 2013-04-09 NEW YORK TIMES BESTSELLER Acclaimed sports journalist Jack McCallum delivers the untold story of the greatest team ever assembled: the 1992 U.S. Olympic Men's Basketball Team. As a writer for Sports Illustrated, McCallum enjoyed a courtside seat for the most exciting basketball spectacle on earth, covering the Dream Team from its inception to the gold medal ceremony in Barcelona. Drawing on fresh interviews with the players, McCallum provides the definitive account of the Dream Team phenomenon. He offers a behind-the-scenes look at the controversial selection process. He takes us inside the team's Olympic suites for late-night card games and bull sessions where superstars like Michael Jordan, Magic Johnson, and Larry Bird debated the finer points of basketball. And he narrates a riveting account of the legendary intrasquad scrimmage that pitted the Dream Teamers against one another in what may have been the greatest pickup game in history. In the twenty years since the Dream Team first captivated the world, its mystique has only grown. Dream Team vividly re-creates the moment when a once-in-a-millennium group of athletes came together and changed the future of sports—one perfectly executed fast break at a time. With a new Afterword by the author "The absolute definitive

work on the subject, a perfectly wonderful once-you-pick-it-up-you-won't-be-able-to-put-it-down book."—The Boston Globe "An Olympic hoops dream."—Newsday "What makes this volume a must-read for nostalgic hoopsters are the robust portraits of the outsize personalities of the participants, all of whom were remarkably open with McCallum, both then and now."—Booklist (starred review)

And he shares with The Headmaster his wish for continuing his relationship with The Magic Basket when his real-world days are over. The Princess of Paradisia and the Magic Basket

Tyba Roseanne, *The Princess of Paradisia and the Magic Basket* is the story of Susan. She lives with her grandparents, who are farmers and weave baskets. In the story Susan meets with Princess Charlotte of Kensington and they both become friends. They also meet a palm sized fairy, Ina Merzia who alights on earth from paradise. Ina bestows Susan with four magic pearls and after sowing them in the soil, the land gets swarmed with an unearthly grass field. Using the grass, Susan's granny weaves baskets. When Ina pours the magic in the basket, it comes to its fruition stage and it becomes a Magic Basket. Also, the place where the four unearthly pearls were scattered, later transform into Paradisia. Ina gives remarkable lessons of 'Sacrifice and Kindness' to Princess Charlotte. In the end, out of the blue by magic they get back their precious lost belongings in the baskets. At last princess Charlotte gets her crown back and Susan becomes the Princess of Paradisia.

Dwightmare Brian Schmitz, Orlando Sentinel Staff, 2012-06-12 As the last seconds ticked down at Bankers Life Fieldhouse in Indianapolis, the most bizarre, tumultuous and cursed season in the 23-year history of the Orlando Magic mercifully came to an end. Coach Stan Van Gundy, known to keep coaching until the final buzzer, walked to the opposing bench with 10 seconds left in the lopsided playoff elimination game to congratulate young Frank Vogel, coach of the Indiana Pacers. Even more conspicuous than this rare mid-game conciliatory gesture from Van Gundy was the

absence of the team's most recognizable, talented superstar: Dwight Howard. Howard had always talked about winning a championship and bringing joy to Orlando. Despite this, the face of the franchise did not show his face throughout the playoffs, opting to undergo three weeks' worth of rehabilitation in the Los Angeles area following his season-ending back injury. This sour finale was an ignominious ending matched only by this ill-fated season's tumultuous beginning. Entering training camp after a prolonged off-season, Howard stunned the team and town by delivering a defiant trade request to Magic management. Even more devastating for Magic fans was that this request to be dealt to another team was vividly reminiscent of a similar event from a decade ago, when the Magic's last franchise star center, Shaquille O'Neal, abandoned Florida for the Los Angeles Lakers. Howard and the Magic for so long seemed like the perfect match, and had even grown up together in many ways. The 2004 NBA draft brought together a skinny, devoutly religious teenage sensation and a squeaky-clean, family-run ownership down on its luck. Howard blossomed into a global superstar, turning the Magic into contenders. The city of Orlando embraced its new happy-go-lucky hero and fell in love with its basketball team again. They were once inseparable, as close as a player and a franchise could possibly be in today's NBA. What followed was one of the most bizarre reality shows to befall any professional sports team in memory, with Howard taking the Magic on a wild, emotional and confounding ride. There was presidential-like

flip-flopping, a near trade, an 11th-hour reprieve, farcical front-office fumbling, YouTube moments, a drunk-dialing accusation, media shenanigans and one heart-attack scare, among other things. And the soap opera is far from over. Follow the Orlando Sentinel's unmatched coverage of this ongoing saga with *Dwightmare: Dwight Howard, the Orlando Magic, and the Season of Dysfunction*. From the very beginning of Howard's career through the ouster of coach Stan Van Gundy and general manager Otis Smith, this book is the only place where the entirety of this saga's sordid details have been collected, analyzed, and boiled down to their bare facts. *Dwightmare* is a must read for Orlando Magic and basketball fans everywhere.
