Shooting Stars LeBron James,2023-08-01 The celebrated memoir from LeBron James - a poignant, thrilling tale of the power of teamwork to transform young lives, including his own. "A book that will incredibly move and inspire you." —Jay-Z A heartwarming story of boys who became men, teammates who became brothers, players who became champions, wonderfully told through the maturing eyes of basketball's greatest star. — John Grisham Before LeBron James was an NBA superstar, he was just a kid from Akron, Ohio, who loved to play basketball on a team called the Shooting Stars. This is the story of how this motley group of ten-year-olds grew into a team and became men together - surviving the challenges of inner city America and enduring jealousy, hostility, exploitation, and the consequences of their own overconfidence in their quest to win a national championship. *Shooting Stars* is a poignant, thrilling tale of the power of teamwork to transform young lives.

Pure Julianna Baggott,2012-02-08 We know you are here, our brothers and sisters . . . Pressia barely remembers the Detonations or much about life during the Before. In her sleeping cabinet behind the rubble of an old barbershop where she lives with her grandfather, she thinks about what is lost-how the world went from amusement parks, movie theaters, birthday parties, fathers and mothers . . . to ash and dust, scars, permanent burns, and fused, damaged bodies. And now, at an age when everyone is required to turn themselves over to the militia to either be trained as a soldier or, if they are too damaged and weak, to be used as live targets, Pressia can no longer pretend to be small. Pressia is on the run. *Burn a Pure and Breathe the Ash* . . . There are those who escaped the apocalypse unmarked. Pures. They are tucked safely inside the Dome that protects their healthy, superior bodies. Yet Partridge, whose father is one of the most influential men in the Dome, feels isolated and lonely. Different. He thinks about loss-maybe just because his family is broken; his father is emotionally distant; his brother killed himself; and his mother never made it inside their shelter. Or maybe it's his claustrophobia: his feeling that this Dome has become a swaddling of intensely rigid order. So when a slipped phrase suggests his mother might still be alive, Partridge risks his life to leave the Dome to find her. When Pressia meets Partridge, their worlds shatter all over again.

Z for Zachariah Robert C. O'Brien,2021-06-01 In this post-apocalyptic novel from Newbery Medal-winning author Robert C. O'Brien, a teen girl struggling to survive in the wake of unimaginable disaster comes across another survivor. Ann Burden is sixteen years old and completely alone. The world as she once knew it is gone, ravaged by a nuclear war that has taken everyone from her. For the past year, she has lived in a remote valley with no evidence of any other survivors. But the smoke from a distant campfire shatters Ann's solitude. Someone else is still alive and making his way toward the valley. Who is this man? What does he want? Can he be trusted? Both excited and terrified, Ann soon realizes there may be worse things than being the last person on Earth.

The Negro Motorist Green Book Victor H. Green, The Negro Motorist Green Book was a groundbreaking guide that provided African American travelers with crucial information on safe places to stay, eat, and visit during the era of segregation in the United States. This essential resource, originally published from 1936 to 1966, offered a lifeline to black motorists navigating a deeply divided nation, helping them avoid the dangers and indignities of racism on the road. More than just a travel guide, *The Negro Motorist Green Book* stands as a powerful symbol of resilience and resistance in the face of oppression, offering a poignant glimpse into the challenges and triumphs of the African American experience in the 20th century.

The Friends of Eddie Coyle George V. Higgins,2010-04-27 The classic novel from America's best crime novelist (*Time*), with a new introduction by Dennis Lehane George V. Higgins's seminal crime novel is a down-and-dirty tale of thieves, mobsters, and cops on

the mean streets of Boston. When small-time gunrunner Eddie Coyle is convicted on a felony, he's looking at three years in the pen--that is, unless he sells out one of his big-fish clients to the DA. But which of the many hoods, gunmen, and executioners whom he calls his friends should he send up the river? Told almost entirely in crackling dialogue by a vivid cast of lowlifes and detectives, *The Friends of Eddie Coyle* is one of the greatest crime novels ever written. "The best crime novel ever written--makes *The Maltese Falcon* read like *Nancy Drew*." -- Elmore Leonard

On the Come Up Angie Thomas, 2019-02-05 #1 New York Times bestseller · Seven starred reviews · Boston Globe-Horn Book Award Honor Book "For all the struggle in this book, Thomas rarely misses a step as a writer. Thomas continues to hold up that mirror with grace and confidence. We are lucky to have her, and lucky to know a girl like Bri."—The New York Times Book Review This digital edition contains a letter from the author, deleted scenes, a picture of the author as a teen rapper, an annotated playlist, Angie's top 5 MCs, an annotated rap, illustrated quotes from the book, and an excerpt from *Concrete Rose*, Angie's return to Garden Heights. Sixteen-year-old Bri wants to be one of the greatest rappers of all time. Or at least win her first battle. As the daughter of an underground hip hop legend who died right before he hit big, Bri's got massive shoes to fill. But it's hard to get your come up when you're labeled a hoodlum at school, and your fridge at home is empty after your mom loses her job. So Bri pours her anger and frustration into her first song, which goes viral . . . for all the wrong reasons. Bri soon finds herself at the center of a controversy, portrayed by the media as more menace than MC. But with an eviction notice staring her family down, Bri doesn't just want to make it—she has to. Even if it means becoming the very thing the public has made her out to be. Insightful, unflinching, and full of heart, *On the Come Up* is an ode to hip hop from one of the most influential literary voices of a generation. It is the story of fighting for your dreams, even as the odds are stacked against you; and about how, especially for young black people, freedom of speech isn't always free. Don't miss *Concrete Rose*, Angie Thomas's powerful prequel to her phenomenal bestseller, *The Hate U Give*!

The Disaster Artist Greg Sestero, Tom Bissell, 2014-10-07 Presents a humorous ode to cinematic hubris, discussing the story of the mysteriously wealthy misfit, Tommy Wiseau, the producer, director, and star of *The Room*, which later became an international cult film despite making no money at the box office.

The 2009 Internet Directory Vince Averello, Mikal E. Belicove, Nancy Conner, Adrienne Crew, Sherry Kinkoph Gunter, Faithe Wempen, 2008-09-03 2009 Internet Directory Web 2.0 Edition Vince Averello Mikal E. We Were the Lucky Ones Georgia Hunter, 2019-07-30 The New York Times bestseller with more than 1 million copies sold worldwide Inspired by the incredible true story of one Jewish family separated at the start of World War II, determined to survive—and to reunite—*We Were the Lucky Ones* is a tribute to the triumph of hope and love against all odds. "Love in the face of global adversity? It couldn't be more timely." —Glamour It is the

spring of 1939 and three generations of the Kurc family are doing their best to live normal lives, even as the shadow of war grows closer. The talk around the family Seder table is of new babies and budding romance, not of the increasing hardships threatening Jews in their hometown of Radom, Poland. But soon the horrors overtaking Europe will become inescapable and the Kurcs will be flung to the far corners of the world, each desperately trying to navigate his or her own path to safety. As one sibling is forced into exile, another attempts to flee the continent, while others struggle to escape certain death, either by working grueling hours on empty stomachs in the factories of the ghetto or by hiding as gentiles in plain sight. Driven by an unwavering will to survive and by the fear that they may never see one another again, the Kurcs must rely on hope, ingenuity, and inner strength to persevere. An extraordinary, propulsive novel, *We Were the Lucky Ones* demonstrates how in the face of the twentieth century's darkest moment, the human spirit can endure and even thrive.

Mustang Miracle Humberto G. Garcia, 2012-09-21 In 1957, when very few Mexican-Americans were familiar with the game of golf, and even less actually played it, a group of young caddies which had been recruited to form the San Felipe High School Golf Team by two men who loved the game, but who had limited access to it, competed against all-white schools for the Texas State High School Golf Championship. Despite having outdated and inferior equipment, no professional lessons or instructions, four young golfers with self-taught swings from the border city of Del Rio, captured the State title. Three of them took the gold, silver and bronze medals for best individual players. This book tells their story from their introduction to the game as caddies to eventually becoming champions.

Jonah Hex (2010-) #1 Justin Gray, Jimmy Palmiotti, 2010-06-23 Saddle up and ride shotgun with the original bad man of the Wild West during an age of plunder, greed and lawlessness. When a millionaire's only son is kidnapped, Hex is called on to track down and recover the boy. But a simple missing-person case turns into a hunt for vengeance as Hex unleashes his special brand of justice on the unsuspecting culprits.

The Ministry of Ungentlemanly Warfare Damien Lewis, 2015-09-08 From the award-winning historian, war reporter, and author Damien Lewis (*Zero Six Bravo*, *Judy*) comes the incredible true story of the top-secret butcher-and-bolt black ops units Prime Minister Winston Churchill assigned the task of stopping the unstoppable German war machine. Criminals, rogues, and survivalists, the brutal tactics and grit of these deniables would define a military unit the likes of which the world had never seen. When France fell to the Nazis in spring 1940, Churchill declared that Britain would resist the advance of the German army--alone if necessary. Churchill commanded the Special Operations Executive to secretly develop of a very special kind of military unit that would operate on their own initiative deep behind enemy lines. The units would be licensed to kill, fully deniable by the British government, and a ruthless force to meet the advancing Germans. The very first of these butcher-and-bolt units--the innocuously named Maid Honour Force--was led by Gus March-Phillipps, a wild British eccentric of high birth, and an aristocratic, handsome, and bloodthirsty young Danish warrior, Anders Lassen. Amped up on amphetamines, these assorted renegades and sociopaths undertook the very first of Churchill's special operations--a top-secret, high-stakes mission to seize Nazi shipping in the far-distant port of Fernando Po, in West Africa. Though few of these early desperadoes survived WWII, they took part in a series of fascinating, daring missions that changed the course of the war. It was the first stirrings of the modern special-ops team, and all of the men involved would be declared war heroes when it was all over. *The Ministry of Ungentlemanly Warfare* focuses on a dozen of these extraordinary men, weaving their stories of brotherhood, comradeship, and elite soldiering into a gripping narrative yarn, from the earliest missions to Anders Lassen's tragic death, just weeks before the end of the war.

I Don't Know How She Does It Allison Pearson, 2003-08-26 Delightfully smart and

heartbreakingly poignant, Allison Pearson's smash debut novel has exploded onto bestseller lists as "The national anthem for working mothers." Hedge-fund manager, wife, and mother of two, Kate Reddy manages to juggle nine currencies in five time zones and keep in step with the Teletubbies. But when she finds herself awake at 1:37 a.m. in a panic over the need to produce a homemade pie for her daughter's school, she has to admit her life has become unrecognizable. With panache, wisdom, and uproarious wit, *I Don't Know How She Does It* brilliantly dramatizes the dilemma of every working mom.

She Wolf #1 Rich Tommaso, 2016-06-22 *SHE WOLF* is a surreal exploration in horror as the story follows a teenage girl who believes she's been bitten by a savage werewolf. Soon after she begins to experience feverish nightmares that seamlessly bleed into her everyday reality.

Jay and Silent Bob Strike Back Kevin Smith, 2001-09-26 In the first installment of Kevin Smith's New Jersey Chronicles, *Clerks*, Jay and Silent Bob were the beloved characters who stole the show in the sleeper hit. They went on to play the Greek Chorus who surfaced for comic relief in the ongoing series, *Mallrats*, *Chasing Amy*, and *Dogma*. In the final chapter of the New Jersey Chronicles, *Jay and Silent Bob Strike Back*, these hapless funnymen find themselves at the center of a colossal chase from Jersey to California, on a valiant quest to save the reputations they think they have and battle the empire known as Hollywood. Jay and Silent Bob discover that their old friend, Banky Edwards, has sold them out. It seems Banky has gone to Hollywood to produce a motion picture based on the comic book about their alter egos, *Bluntman & Chronic*, starring two popular young Hollywood actors as the duo. The real Jay and Silent Bob are stunned by the news and then shattered to find out they are being badmouthed on the internet for selling their story. There's only one shot at salvaging their slacker reputations: head to Hollywood to sabotage the production.

Brave New Worlds John Joseph Adams, 2010-01-02 From Huxley's *Brave New World*, to Orwell's 1984, to Atwood's *The Handmaid's Tale*, dystopian books have always been an integral part of both science fiction and literature, and have influenced the broader culture discussion in unique and permanent ways. *Brave New Worlds* brings together the best dystopian fiction of the last 30 years, demonstrating the diversity that flourishes in this compelling subgenre. This landmark tome contains stories by Ursula K. Le Guin, Cory Doctorow, M. Rickert, Paolo Bacigalupi, Orson Scott Card, Neil Gaiman, Ray Bradbury, and many others.

Strategic Reinvention in Popular Culture Richard Pfeifferman, 2013-12-11 Not all original works invoke the encore impulse in their audiences. Those that do generally spawn replications - sequels, spin-offs, or re-makes. This book presents a theory of why some replications succeed and others fail across genres and media.

Ender's Game Jed Alger, 2013-10-15 Based on the best-selling novel, *Ender's Game* tells the thrilling story of the fight to save the world from a devastating future. Now, in this official companion volume, the behind-the-scenes world of the film is brought into stunning focus. Following an attack by an alien race known as the Formics—narrowly countered thanks only to the efforts of legendary war hero Mazer Rackham (Ben Kingsley)—Earth has been preparing itself for the next wave in the conflict. The fate of humanity lies in finding the next Mazer from a crop of the brightest young minds on the planet. Under the watchful eye of the International Fleet, the venerated Colonel Hyrum Graff (Harrison Ford) has been tasked with overseeing their training. Before long, a standout emerges among them: Ender Wiggin (Asa Butterfield), a shy but prodigiously talented misfit. His potential discovered, Ender is promoted to Command School, where he will soon find the war with the Formics to be more complex than he could have ever imagined. Packed with in-depth interviews, removable posters and army badges, stunning concept art, unparalleled access to the visual effects archives at Digital Domain, and countless full-color images, this insightful

insider's view of the making of Ender's Game will bring fans closer into the world of the movie, following cast and crew as it is brought to dazzling life. Also featuring Hailee Steinfeld (True Grit) as Petra Arkanian, Viola Davis (The Help) as Major Gwen Anderson, and Abigail Breslin (Little Miss Sunshine) as Ender's brilliant older sister, Valentine.

Where the Crawdads Sing (Movie Tie-In) Delia Owens, 2022-06-28 NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

The Parsifal Mosaic Robert Ludlum, 2015-06-02 Michael Havelock's world died on a moonlit beach on the Costa Brava as he watched his partner and lover, double agent Jenna Karas, efficiently gunned down by his own agency. There's nothing left for him but to quit the game, get out. Then, in one frantic moment on a crowded railroad platform in Rome, Havelock sees Jenna. Racing around the globe in search of his beautiful betrayer, Havelock is now marked for death by both U.S. and Russian assassins, trapped in a massive mosaic of treachery created by a top-level mole with the world in his fist: Parsifal. Praise for Robert Ludlum and The Parsifal Mosaic "[Robert] Ludlum's narrative imagination is a force of nature."—The New York Times "As fast-paced and absorbing as any he's written."—Newsday "The suspense never lets up."—The Atlanta Journal-Constitution "A crackling good yarn."—Los Angeles Times Book Review
