**Imp** Andrew Neiderman,2012-02-28 Mary Oaks, a religious woman, marries a man who proves to be far less than she anticipated. After their first child, a daughter, is born, Mary retreats deeper into her religion and when her husband forces her to make love and she becomes pregnant, she decides this child must be evil. After her husband is killed in an accident, she gives birth to the baby in the house and keeps it in the basement. Five years later, he finds his way out and becomes something of a terror during his nocturnal trips. When he endangers the life of a five-year-old girl, the horror is exposed.

Eleven Minutes Paulo Coelho,2009-10-13 "The book casts a curiously sweet spell." - Entertainment Weekly Eleven Minutes tells the story of Maria, a young girl from a Brazilian village whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will never find true love, instead believing that "love is a terrible thing that will make you suffer." A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune, yet ends up working as a prostitute. In Geneva, Maria's despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-discovery, Maria must choose between pursuing a path of darkness--sexual pleasure for its own sake--or risking everything to find her own inner light and the possibility of true love.

*Free Play* Stephen Nachmanovitch,1991-05-01 Free Play is about the inner sources of spontaneous creation. It is about why we create and what we learn when we do. It is about the flow of unhindered creative energy: the joy of making art in all its varied forms. An international bestseller and beloved classic, Free Play is an inspiring and provocative book, directed toward people in any field who want to contact, honor, and strengthen their own creative powers. It reveals how inspiration arises within us, how that inspiration may be blocked, derailed or obscured, and how finally it can be liberated--how we can be liberated--to speak or sing, write or paint, dance or play, with our own authentic voice. Stephen Nachmanovitch, a pioneer in free improvisation, integrates material from a wide variety of sources among the arts, sciences, and spiritual traditions of humanity, drawing on unusual quotes, amusing and illuminating anecdotes, and original metaphors. The whole enterprise of improvisation in life and art, of recovering free play and awakening creativity, is about being true to ourselves and our visions. Free Play brings us into direct, active contact with boundless creative energies that we may not even know we had.

David has learned the hard way to keep his thoughts to himself. But now David is growing up, and his gift is turning into a power. The power to read people's minds. To see the future.
