**Your Memory** Kenneth L. Higbee, Ph.D., 2008-03-03 Do you want to stop forgetting appointments, birthdays, and other important dates? Work more efficiently at your job? Study less and get better grades? Remember the names and faces of people you meet? The good news is that it's all possible. *Your Memory* will help to expand your memory abilities beyond what you thought possible. Dr. Higbee reveals how simple techniques, like the Link, Loci, Peg, and Phonetic systems, can be incorporated into your everyday life and how you can also use these techniques to learn foreign languages faster than you thought possible, remember details you would have otherwise forgotten, and overcome general absentmindedness. Higbee also includes sections on aging and memory and the latest information on the use of mnemonics.

**Memory Improvement** Ron White, 2013-07 Have you ever walked into a room and couldn't remember what you went there for? \* Have you ever grasped the hand of a potential client and then when the handshake broke, the name seemed to disappear from your memory? \* Or have you ever left a prospect or an important meeting and as you drove away remembered a key point that you should have shared with them? The problem is NOT with your memory. The problem is with the Filing System your brain currently uses to store and retrieve memory items. Change the filing system and you'll double and even triple your memory comprehension. Two-time USA Memory Champion Ron White will teach you the same 2,000-year-old memory method that he has already taught thousands to: \* Give presentations and speeches without notes... \* Memorize chapters of books word for word... \* Retain information from workshops or training classes... \* Improve your grades and study skills... \* Remember names and faces, even years later... \* Routinely memorize 100 digit numbers after hearing them only once... \* And lots more! Includes an offer for a FREE video of Easy As 1-2-3 Memory Tricks

Improve Your Memory Robert Allen, 2015-01-22 Memory is like a muscle - you either use it or lose it. Memory plays a crucial role in our lives because it is closely linked to intelligence. Unless your memory is well stocked with information, what have you got to draw upon when you need to solve problems, make decisions, or think creatively? Then there's all the everyday stuff like remembering where you put your car keys, not missing anniversaries, or revising for exams. So, can you really improve your memory in one day? Yes, you undoubtedly can. This book provides you with the all tools you need to improve your memory radically. And the more you practice, the better your memory gets, so we've included a month's worth of day-by-day tests and exercises to make your memory super strong.
