Experiences of a Military Attaché in the Balkans, 1914 -1915 Lt -Col The Hon H. D. Cmg Napier,2010-03 British diplomacy in the Great War was focussed on detaching Germany and Austria from their smaller allies in the Balkans, thus isolating the Central powers. They succeeded in bribing, persuading or cajoling Rumania to join them in 1916 but the move proved disastrous when Rumania was swiftly crushed and forced to conclude a humiliating peace. Bulgaria, by contrast, under its wily monarch 'Foxy' King Ferdinand proved steadfast in its support for Germany and Austria, despite its traditional ethnic and religious links to Russia. This book is an account by Britain's military attache in Bulgaria, Lt. Col. the Hon. H.D. Napier, of his efforts to coerce Bulgaria. It provides an interesting sidelight on the Great War and the Balkans in the early 20th century

H.D and Modernity Collectif,2022-01-25 In 1912, at Ezra Pound's instigation, Hilda Doolittle became "H.D. Imagiste", her name forever tied to one of the crucial, albeit short-lived aesthetic movements adumbrating High Modernism. Yet H.D. subsequently produced a rich and varied body of work comprising poetry, essays, translations, fiction and autobiographical writings, spanning an exceptionally chaotic half-century, from her first poems published in the January 1913 issue of Poetry until her death in 1961. How should one appraise the ambivalence lying in H.D.'s fascination for ancient cultures and her daily struggle with a baffling, at times even deeply unsettling modernity? A gifted classicist and translator of Euripides with a passion for religions and mythologies, H.D. places her whole literary production under the sign of Hermes, the cryptic god messenger. From "Hermes of the Ways" (1913) to Hermetic Definition and Helen in Egypt (1961), H.D. produces a whole range of complex writings, where modernity emerges between the lines (between the signs) of her atavistic archaism, thereby offering a new hermeneutics, both revelatory and mesmerizing.

The Pope and Mussolini David I. Kertzer,2014-01-28 PULITZER PRIZE WINNER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE From National Book Award finalist David I. Kertzer comes the gripping story of Pope Pius XI's secret relations with Italian dictator Benito Mussolini. This groundbreaking work, based on seven years of research in the Vatican and Fascist archives, including reports from Mussolini's spies inside the highest levels of the Church, will forever change our understanding of the Vatican's role in the rise of Fascism in Europe. The Pope and Mussolini tells the story of two men who came to power in 1922, and together changed the course of twentieth-century history. In most respects, they could not have been more different. One was scholarly and devout, the other thuggish and profane. Yet Pius XI and "Il Duce" had many things in common. They shared a distrust of democracy and a visceral hatred of Communism. Both were prone to sudden fits of temper and were fiercely protective of the prerogatives of their office. ("We have many interests to protect," the Pope declared, soon after Mussolini seized control of the government in 1922.) Each relied on the other to consolidate his power and achieve his political goals. In a challenge to the conventional history of this period, in which a heroic Church does battle with the Fascist regime, Kertzer shows how Pius XI played a crucial role in making Mussolini's dictatorship possible and keeping him in power. In exchange for Vatican support, Mussolini restored many of the privileges the Church had lost and gave in to the pope's demands that the police enforce Catholic morality. Yet in the last years of his life—as the Italian dictator grew ever closer to Hitler—the pontiff's faith in this treacherous bargain started to waver. With his health failing, he began to lash out at the Duce and threatened to denounce Mussolini's anti-Semitic racial laws before it was too late. Horrified by the threat to the Church-Fascist alliance, the Vatican's inner circle, including the future Pope Pius XII, struggled to restrain the headstrong pope from destroying a partnership that had served both the Church and the dictator for many years. The Pope and Mussolini brims with memorable portraits of the men who helped enable the reign of Fascism in Italy: Father Pietro Tacchi Venturi, Pius's personal emissary to the dictator, a wily anti-Semite known as Mussolini's Rasputin; Victor Emmanuel III, the king of Italy, an object of widespread derision who lacked the stature—literally and figuratively—to stand up to the domineering Duce; and Cardinal Secretary of State Eugenio Pacelli, whose political skills and ambition made him Mussolini's most powerful ally inside the Vatican, and positioned him to succeed the pontiff as the controversial Pius XII, whose actions during World War II would be subject for debate for decades to come. With the recent opening of the Vatican archives covering Pius XI's papacy, the full story of the Pope's complex relationship with his Fascist partner can finally be told. Vivid, dramatic, with surprises at every turn, The Pope and Mussolini is history writ large and with the lightning hand of truth.

The Cambridge Companion to Ezra Pound Ira B. Nadel,1999-02-11 An international team of scholars provides an invaluable introduction to Pound's work and life.

Mussolini's Theatre Patricia Gaborik,2021-05-06 A vividly written portrait of Benito Mussolini, whose passion for the theatre profoundly shaped his ideology and actions as head of fascist Italy This consistently illuminating book transforms our understanding of fascism as a whole, and will have strong appeal to readers in both theatre studies and modern Italian history.

A Study Guide for H. D.'s "Helen" Gale, Cengage Learning,2016 A Study Guide for H. D.'s Helen, excerpted from Gale's acclaimed Poetry for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Poetry for Students for all of your research needs.

Mussolini's War John Gooch,2020-12-01 A remarkable new history evoking the centrality of Italy to World War II, outlining the brief rise and triumph of the Fascists, followed by the disastrous fall of the Italian military campaign. While staying closely aligned with Hitler, Mussolini remained carefully neutral until the summer of 1940. At that moment, with the wholly unexpected and sudden collapse of the French and British armies, Mussolini declared war on the Allies in the hope of making territorial gains in southern France and Africa. This decision proved a horrifying miscalculation, dooming Italy to its own prolonged and unwinnable war, immense casualties, and an Allied invasion in 1943 that ushered in a terrible new era for the country. John Gooch's new history is the definitive account of Italy's war experience. Beginning with the invasion of Abyssinia and ending with Mussolini's arrest, Gooch brilliantly portrays the nightmare of a country with too small an industrial sector, too incompetent a leadership and too many fronts on which to fight. Everywhere—whether in the USSR, the Western Desert, or the Balkans—Italian troops found themselves against either better-equipped or more motivated enemies. The result was a war entirely at odds with the dreams of pre-war Italian planners—a series of desperate improvisations against an allied force who could draw on global resources, and against whom Italy proved helpless.

Modernism and Homer Leah Culligan Flack,2015-09-16 A comparative study exploring the particular importance of Homer in the emergence, development, and promotion of modernist writing.

Fascist Directive Catherine E. Paul,2016 Reveals changes in Ezra Pound's prose writing resulting from his excitement over Mussolini's use of Italian cultural heritage to build and promote the modern Fascist state. Drawing on unpublished archival material and untranslated periodical contributions, the author delves into the vexing work of perhaps the most famous, certainly the most notorious, American in Italy in the 1930s and 1940s, providing fresh understanding of Fascist deployment of art, architecture, blockbuster exhibitions, music, archaeological projects, urban design, and literature. Pound's prose writings of this period cement a directive approach - declaiming his views with an authority that shuts down disagreement. This work reveals the importance of this approach to his larger artistic mission.

Mixing Memory and Desire Helen Virginia Emmitt,1990

The Geometry of Modernism Miranda B. Hickman,2005 Addressing both the literature and the visual arts of Anglo-American modernism, The Geometry of Modernism recovers a crucial development of modernism's early years that until now has received little sustained critical attention: the distinctive idiom composed of geometric forms and metaphors generated within the early modernist movement of Vorticism, formed in London in 1914. Focusing on the work of Wyndham Lewis, leader of the Vorticist movement, as well as Ezra Pound, H.D., and William Butler Yeats, Hickman examines the complex of motives out of which Lewis initially forged the geometric lexicon of Vorticism—and then how Pound, H.D., and Yeats later responded to it and the values that it encoded, enlisting both the geometric vocabulary and its attendant assumptions and ideals, in transmuted form, in their later modernist work. Placing the genesis and appropriation of the geometric idiom in historical context, Hickman explores how despite its brevity as a movement, Vorticism in fact exerted considerable impact on modernist work of the years between the wars, in that its geometric idiom enabled modernist writers to articulate their responses to both personal and political crises of the 1930s and 1940s. Informed by extensive archival research as well as treatment of several of the least-known texts of the modernist milieu, The Geometry of Modernism clarifies and enriches the legacy of this vital period.

Novelty in Verse Mara Noelle Scanlon,1998

The Geometry of Modernism Miranda Brun Hickman,1997

Mussolini Ray Moseley,2004 Chronicles the last twenty months of the despot's life, beginning with his July 1943 arrest and overthrow. Rescued by Germans and forced by Hitler to resume the reins of leadership soon thereafter, the tyrant was an utterly miserable figure in the grip of anger, shame and depression.

M: Son of the Century Antonio Scurati,2022-04-05 The massive international bestseller—an epic historical novel that chronicles the birth and rise of fascism in Italy, witnessed through the eyes of its founder, the terrifyingly charismatic figure who would become one of the most notorious dictators of the twentieth century, Benito Mussolini. It is 1919, and the Great War that has ravaged Europe is over. In Italy, the people are exhausted. Tired of the political class. Tired of vague promises, inept moderates, and the agonizing machinations of a democracy that has failed ordinary citizens. While elite leaders have sat idly by, achieving nothing, one outsider—the director of a small opposition newspaper and a tireless political agitator—is electrifying the masses, promising hope for a demoralized nation hungry for change. A former socialist leader ousted by his own party, he is a drifter who knows what it is to feel lost. His voice speaks for the misfits and the outcasts; he is a protector of those who are forgotten. He is Benito Mussolini. And soon Italy—and the world—will be forever remade. In *M: Son of the Century*, Antonio Scurati tells the story of fascism from within the mind of its founder, the man known to his followers as Il Duce. Steeped in historical detail and interspersed with period documents and sources, this masterful saga explores the seductive power of nationalism and idolatry, revealing how authoritarianism took hold and a nation bent to the will of one ruthless strongman. Provocative and resonant, *M* is a chilling reminder that the past is never gone, and that it holds urgent lessons for us today.

Trilogy Hilda Doolittle,1998-09-17 The classic Trilogy by H.D. (Hilda Doolittle, 1886-1961), including a large section of referential notes for readers and students, compiled by Professor Alik Barnstone. As civilian war poetry (written under the shattering impact of World War II). Trilogy's three long poems rank with T.S. Eliot's Four Quartets and Ezra Pound's Pisan Cantos. The first book of the Trilogy, *The Walls Do Not Fall*, published in the midst of the fifty thousand incidents of the London blitz, maintains the hope that though we have no map; / possibly we will reach haven,/ heaven. Tribute to Angels describes new life springing from the ruins, and finally, in *The Flowering of the Rod*—with its epigram ...pause to give/ thanks that we rise again from death and live.—faith in love and resurrection is realized in lyric and strongly Biblical imagery.

Strongmen: Mussolini to the Present Ruth Ben-Ghiat,2020-11-10 What modern authoritarian leaders have in common (and how they can be stopped). Ruth Ben-Ghiat is the expert on the strongman playbook employed by authoritarian demagogues from Mussolini to Putin—enabling her to predict with uncanny accuracy the recent experience in America and Europe. In *Strongmen*, she lays bare the blueprint these leaders have followed over the past 100 years, and empowers us to recognize, resist, and prevent their disastrous rule in the future. For ours is the age of authoritarian rulers: self-proclaimed saviors of the nation who evade accountability while robbing their people of truth, treasure, and the protections of democracy. They promise law and order, then legitimize lawbreaking by financial, sexual, and other predators. They use masculinity as a symbol of strength and a political weapon. Taking what you want, and getting away with it, becomes proof of male authority. They use propaganda, corruption, and violence to stay in power. Vladimir Putin and Mobutu Sese Seko's kleptocracies, Augusto Pinochet's torture sites, Benito Mussolini and Muammar Gaddafi's systems of sexual exploitation, and Silvio Berlusconi and Donald Trump's relentless misinformation: all show how authoritarian rule, far from ensuring stability, is marked by destructive chaos. No other type of leader is so transparent about prioritizing self-interest over the public good. As one country after another has discovered, the strongman is at his worst when true guidance is most needed by his country. Recounting the acts of solidarity and dignity that have undone strongmen over the past 100 years, Ben-Ghiat makes vividly clear that only by seeing the strongman for what he is—and by valuing one another as he is unable to do—can we stop him, now and in the future.

Italian Fascism's Empire Cinema Ruth Ben-Ghiat,2015-02-11 Ruth Ben-Ghiat provides the first in-depth study of feature and documentary films produced under the auspices of Mussolini's government that took as their subjects or settings Italy's African and Balkan colonies. These empire films were Italy's entry into an international market for the exotic. The films engaged its most experienced and cosmopolitan directors (Augusto Genina, Mario Camerini) as well as new filmmakers (Roberto Rossellini) who would make their marks in the postwar years. Ben-Ghiat sees these films as part of the aesthetic development that would lead to neo-realism. Shot in Libya, Somalia, and Ethiopia, these movies reinforced Fascist racial and labor policies and were largely forgotten after the war. Ben-Ghiat restores them to Italian and international film history in this gripping account of empire, war, and the cinema of dictatorship.

Claretta R. J. B. Bosworth,2017-02-21 A master historian illuminates the tumultuous relationship of Il Duce and his young lover Claretta, whose extraordinarily intimate diaries only recently have become available Few deaths are as gruesome and infamous as those of Benito Mussolini, Italy's fascist dictator, and Claretta (or Clara) Petacci, his much-younger lover. Shot dead by Italian partisans after attempting to flee the country in 1945, the couple's bodies were then hanged upside down in Milan's main square in ignominious public display. This provocative book is the first to mine Clara's extensive diaries, family correspondence, and other sources to discover how the last in Mussolini's long line of lovers became his intimate and how she came to her violent fate at his side. R. J. B. Bosworth explores the social climbing of Claretta's family, her naïve and self-interested commitment to fascism, her diary's graphically detailed accounts of sexual life with Mussolini, and much more. Brimful of new and arresting information, the book sheds intimate light not only on an ordinary-extraordinary woman living at the heart of Italy's totalitarian fascist state but also on Mussolini himself.

Mussolini's Nature Marco Armiero,Roberta Biasillo,Wilko Graf von Hardenberg,2022-12-13 This exploration of the environmental practices of Benito Mussolini's fascist regime invites readers to consider the ecological connections of all political projects. "We might think we see a mountain while it was a war; a forest can actually be an engine; a monument to workers might reflect the violence of a colonial empire."—extracted from *Mussolini's Nature* In this first environmental history of Italian fascism, Marco Armiero, Roberta Biasillo, and Wilko Graf von Hardenberg reveal that nature and fascist rhetoric are inextricable. *Mussolini's Nature* explores fascist political ecologies, or rather the practices and narratives through which the regime constructed imaginary and material ecologies functional to its political project. The book does not pursue the ghost of a green Mussolini by counting how many national parks were created during the regime or how many trees planted. Instead, the reader is trained to recognize fascist political ecology in Mussolini's speeches, reclaimed landscapes, policies of economic self-sufficiency, propaganda documentaries, reforested areas, and in the environmental transformation of its colonial holdings. The authors conclude with an examination of the role of fascist landscapes in the country's postwar reconstruction: Mussolini's nature is still visible today through plaques, monuments, toponymy, and the shapes of landscapes. This original, and surprisingly intimate, environmental history is not merely a chronicle of conservation in fascist Italy but also an invitation to consider the socioecological connections of all political projects.

Unveiling the Magic of Words: A Review of "**Imussolini Hd**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Imussolini Hd**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

Imussolini Hd Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Imussolini Hd free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of

knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Imussolini Hd free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Imussolini Hd free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Imussolini Hd. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Imussolini Hd any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Imussolini Hd Books

- 1. Where can I buy Imussolini Hd books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
- 2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
- 3. How do I choose a Imussolini Hd book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
- 4. How do I take care of Imussolini Hd books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
- 5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
- 6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
