

Imustaches

Christopher Oldstone-Moore

Sweet 'stache Jon Chattman, Rich

Tarantino, 2009-03-18 I am personally offended by this book because my mustache wasn't included. However, I endorse it because I am, and always will be, a huge fan of Tom Selleck's 'stache. -- Meredith Vieira, The Today Show If a man has a mustache, it's hands-down his most distinguishable facial feature. Whether it's a handlebar, pencil-thin, fu Manchu, toothbrush, or horseshoe--it's how he's identified and described. This book recognizes this fact and celebrates the most famous mustaches--and the faces behind them. From politicians and ball players to pop stars and actors, this book covers them all with wit and humor. Authors Jon Chattman and Rich Tarantino have provided profiles and 'stache-analysis for the forty-nine men and one woman who made the cut. (One can't count out Frida Kahlo's artistic bigote!) It also includes sidebar lists that rank the top 'staches in all sorts of categories as well as mustache trivia and a timeline that traces the facial hair's evolution. It's hip again to rock full on facial hair. And Sweet 'Stache is the guide for anyone looking to get in on the must-have mustache action.

One Thousand Mustaches Allan Peterkin, 2012-09-18 The 'stache is back! After decades of being much maligned in Western culture, the mustache is enjoying a cultural renaissance, thanks to the annual phenomenon of Movember (the international campaign in which men grow facial hair during the month of November to raise funds for prostate cancer research; in 2011, 1.8 million men in fourteen countries participated), and the retro/modern mo's sported by the likes of Ryan Gosling, Ashton Kutcher, and James Franco. Shaving companies are offering new-fangled mustache groomers, and even Dr Seuss's mustachioed The Lorax has made a comeback. *One Thousand Mustaches*

is both a lighthearted cultural history and an earnest style manual: it's the story of the 'stache through the ages and its manifestations in politics, war, movies, music, sports, and art, as well as information on various 'stache styles and how to grow and wear them with pride. The book also includes numerous photos and drawings throughout. Contemplating a handlebar or considering a Fu Manchu? Find them and more styles here in *One Thousand Mustaches: a book for those with mo's, and those who love 'em*. Allan Peterkin is the author of *One Thousand Beards* and co-author of *The Bearded Gentleman*.

Mo's Mustache Ben Clanton, 2016-09-06 Mo is a monster who just got a mustache. A big, black, beautiful mustache. Everybody likes Mo's mustache. Now Knot, Dot, Nib, Tutu, Bob, Bill and Ben all have mustaches too. In fact, soon EVERYBODY has a mustache! Why is everyone copying Mo? And how will he (and his mustache) ever stand out? A wonderfully silly book about style and individuality, sure to grow on readers who don't have facial hair -- and even those who do!

Mustaches Mark Milligan, 2019-05-21 Only \$6.99! Perfect Journal, Diary, Notebook - Amazing design and high quality cover and paper. - Matte Cover. - Perfect size 6x9 - No Spiral - Use it as a journal, note taking, composition notebook, makes a great gift!

Mustache! Mac Barnett, 2017-01-04 King Duncan is terribly handsome, but a terrible king. His kingdom is in ruins, and when his subjects appeal for help, he only builds more tributes to his handsome face. His subjects are finally ready to stand up for themselves, and they have just the plan to get out of this hairy situation. A mustache....because sometimes good looks alone just aren't enough.

Mustache Duckstache Amy Young, 2021-01-05 The zany humor of Aaron Reynolds meets some serious

facial hair in this competition for the title of finest mustache in the land! When a mustachioed rabbit spots a mustache contest, he's sure he has the competition beat. That is, until a pesky frog hops up with his own fine mustache. And a duck waddles up with a...duckstache? Soon, the competition is full of moosestaches and mousestaches, whalestaches and tailstaches--and every kind of 'stache in between. Readers will love following this simple tale of hirsute havoc with a laugh-out-loud twist ending. Plus, there's a fun guide at the end to every kind of mustache imaginable!

Women with Mustaches and Men Without Beards

Afsaneh Najmabadi, 2005-04-25 This book is groundbreaking, at once highly original, courageous, and moving. It is sure to have a tremendous impact in Iranian studies, modern Middle East history, and the history of gender and sexuality.—Beth Baron, author of *Egypt as a Woman* This is an extraordinary book. It rereads the story of Iranian modernity through the lens of gender and sexuality in ways that no other scholars have done.—Joan W. Scott, author of *Gender and the Politics of History*

The Haunted Mustache Joe McGee, 2021-08-31 Fifth-graders Parker and Lucas get more than they bargained for when they seek to debunk one of Wolver Hollow's greatest legends about a haunted

mustache that, every year on the anniversary of its owner's death, seeks a lip to claim as its own.

Of Beards and Men Christopher Oldstone-Moore, 2017-03-21 Beards—they're all the rage these days. Take a look around: from hip urbanites to rustic outdoorsmen, well-groomed metrosexuals to post-season hockey players, facial hair is everywhere. The New York Times traces this hairy trend to Big Apple hipsters circa 2005 and reports that today some New Yorkers pay thousands of dollars for facial hair transplants to disguise patchy, juvenile beards. And in 2014, blogger Nicki Daniels excoriated bearded hipsters for turning a symbol of manliness and power into a flimsy fashion statement. The beard, she said, has turned into the padded bra of masculinity. *Of Beards and Men* makes the case that today's bearded renaissance is part of a centuries-long cycle in which facial hairstyles have varied in response to changing ideals of masculinity. Christopher Oldstone-Moore explains that the clean-shaven face has been the default style throughout Western history—see Alexander the Great's beardless face, for example, as the Greek heroic ideal. But the primacy of razors has been challenged over the years by four great bearded movements, beginning with Hadrian in the second century and stretching to today's bristled resurgence. The clean-shaven face today, Oldstone-Moore says, has come to signify a virtuous and sociable man, whereas the beard marks someone as self-reliant and unconventional. History, then, has established specific meanings for facial hair, which both inspire and constrain a man's choices in how he presents himself to the world. This fascinating and erudite history of facial hair cracks the masculine hair code, shedding light on the choices men make as they shape the hair on their faces. Oldstone-Moore adeptly lays to rest common

misperceptions about beards and vividly illustrates the connection between grooming, identity, culture, and masculinity. To a surprising degree, we find, the history of men is written on their faces.

The Moustache Grower's Guide Lucien

Edwards, 2011-03-25 All the info and instructions for shaving and maintaining an array of classic and modern moustache styles, plus fashion advice to complete the look. Whether it's a Handlebar, a Fu Manchu, or a Laser Loop, this illustrated guide will help men everywhere achieve the moustache of their dreams. Included are instructions for how to grow, groom, and maintain thirty classic and modern moustaches, as well as fashion advice on how to rock each look. Outdoorsy types can go wild with the Lumberjack and some flannel, while those aspiring to steampunk style should dress up the Aeronaut with a tuxedo or nautical gear. For a dash of hipster irony, the Crustache or the Pyramid looks sharp with skinny jeans and glasses. With tons of illustrations and exclusive tips from professional competitors, The Moustache Grower's Guide will add major style to any 'stache. "It's safe to say that there isn't a more definitive tome dedicated to those who groom their whiskers. This book has a grooming solution for every lifestyle, age, and level of irony." -Out magazine

Box of Mustaches Stan Evans, 2003-10 Box of Mustaches is the powerful, true story of identical twin brothers and how they coped with their mother's descent into madness. At first, Stanley and Jimmy Evans thought their mother was normal, but they soon discovered that her twisted views and mood swings were a result of her schizophrenia. And the mental illness was making her more dangerous by the moment. Their journey took them from orphanages to the television studio of a televangelist to a front-yard shooting that would liberate them from their nightmare. The

fabled Box of Mustaches they pined for was really a fake facial hair kit advertised in comic books, but also their metaphor for the absurdity of adult life thrust upon them at a young age. Interlaced with shocking drama and dark humor, Box of Mustaches is an absorbing tale of survival. It is also a satirical look at the cynical, sex-charged, American culture of the '70s.

Guns Don't Kill People. People With Mustaches Kill People Lurie Burgher, 2019-05-21 Only \$6.99! Fake Mustache Tom Angleberger, 2012-04-01 Award-winning author Tom Angleberger flexes his comic muscle in this hairy adventure story with twists at every turn. Regular kid Lenny Flem Jr. is the only one standing between his evil-genius best friend-Casper, a master of disguise and hypnosis-and world domination. It all begins when Casper spends money from his granny on a spectacularly convincing fake mustache, the Heidelberg Handlebar #7. With it he's able rob banks, amass a vast fortune, and run for president. Is Lenny the only one who can see through his disguise? And will he be able to stop Casper from taking over the world? Praise for Fake Mustache "There's no twist too goofy or absurd as Angleberger pulls out all the stops for this unabashedly silly story."-Publishers Weekly Angleberger's foot-on-the-floor zaniness helps pull it off, fueled by a steady stream of gags and utter ridiculousness that make Saturday-morning cartoons seem reasonable in comparison. Pure, unfiltered hilarity. -Booklist The 2012 campaign season just got a little hairier. Kids will

delight in the various ways in which Casper exploits his power over grownups. -The Bulletin of the Center for Children's Books Appropriately goofy. -The Horn Book Angleberger severs all ties with sanity in his latest farce for preteens with hilarious results. There's plenty of action and goofiness. Fans of Angleberger's previous efforts won't be disappointed. Total deadpan lunacy. -Kirkus Reviews This is a cute, although improbable, story about two best friends, Lenny and Casper, who live in the small town of Hairsprinkle.. Jodie brings many positive traits of a strong, female hero. -Library Media Connection

The Mustache Bible Theodore Beard, 2018-10-02 Men--the beard is officially over! So get creative with your razor, scissors, and a tiny comb to fashion yourself a fetching mo'! The moustache is back! Walk through any hipster neighborhood these days and you'll see the move away from full-flowing beards and back to the far superior, gentlemanly moustache (don't even think about a whisker-free face!). Today, the modern man uses the mo' much like a pair of raffish eyewear--to accent his face and personality. This book is your easy step-by-step guide to crafting forty classic and contemporary moustache styles. Think beyond the '70s porn-star mo' or Tom Selleck's lip slug in Magnum P.I. (although that one is included!) to cooler versions, including the Horseshoe, the Dalí, the freestyle, the Fu Manchu and the B-Boy. Add some serious style to your face this fall.

Mustache Baby Meets His Match Bridget Heos, 2015

A play date goes awry when Baby Billy and his mustache meet Beard Baby in this hilarious sequel to Mustache Baby.

Mustache Baby Bridget Heos, 2013-05-14 When Baby Billy is born with a mustache, his family takes it in stride. They are reassured when he nobly saves the day in imaginary-play sessions as a cowboy or cop and his mustache looks good-guy great. But as time passes, their worst fears are confirmed when little Billy's mustache starts to curl up at the ends in a suspiciously villainous fashion. Sure enough, "Billy's disreputable mustache led him into a life of dreadful crime." Plenty of tongue-in-cheek humor and cartoonish illustrations make this the perfect baby-shower gift for a mustachioed father-to-be.
