In the Charge of an Angel Jan Barger, 1997 A celebration of angels in pictures and quotations.

The Presence of Angels in Your Life Cheryl Salem, Harry Salem, 2011-03-01 The Presence of Angels in Your Life diligently balances the experiential with the Word of God. As one who can see into the spirit realm, coauthor Cheryl Salem regularly observes angels in services praising God, warring against demons, and bringing miracles to people. The Presence of Angels in Your Life brings enlightenment to your mind, heart, and spirit through personal angelic encounters and practical teaching. You will be comforted by the reality of knowing that guardian angels watch over each believer from the womb to paradise and will be touched by the author's honest descriptions of encounters with both the spirit of death and with God's angels who came to escort her daughter to Heaven. God wants you to know and recognize the many great benefits made available to you as His child. In these last days, the onslaught of the enemy is getting more and more intense. You need access to every weapon available, especially the reality of the supernatural realm. This book is a daily guide about how to win the battles the enemy pushes your way and describes how angels are a weapon sent from God to help you fulfill your purpose.

In the Presence of Angels Andrea R. Garrison, 2013-05-06 Andrea Garrison's mother, Mattie Pearl, always had a special connection to the other side. In retelling the story of her mother's passing, Andrea reflects on other members of her family, on the similarities between her experiences and those of Swedish mystic Emanuel Swedenborg, and on the presence of angels in all of our lives.

Angel Energy John Randolph Price, 1995-10-24 The natural expression of the angels is Truth. If we deny the truth, we repress the energy of the angels. But when we fully accept the eternal verities of life, the angels go to work to bring everything up to the divine standard.... Within each one of us dwell the twenty-two angels, centers of Living Energy that provide us with all we need to sustain us on our journey through life. They await only our readiness. However, the angels require our assistance to manifest changes in our lives. They are able to free us from disease and death, loneliness and unfulfillment, lack and limitation only when we free them. And so the author of the bestselling *The Angels Within Us* has written this book to help us set free the positive vibrations of these inner archetypes and their nothing-is-impossible energy. Through meditations, affirmations, exercises, dialogues with the twenty-two angels, and true stories of the miracles and transformations wrought by them, he helps us liberate the power of the Divine within so that we can: * Awaken our higher consciousness * Heal the past * Communicate with angels awake and dreaming * Find our right livelihood * Enjoy prosperity * Open ourselves to physical healing * Find fulfillment in our relationships * Surrender to unconditional love * And much more Our angels are the very law of our being. This remarkable book helps us to connect and flow with their universal rhythm of wholeness, to become who and what we really are.

Angels in Your Presence Omar Suleiman, 2021-04-13 God's angels, by His command, are with every soul throughout their journey in this life. Where the devil is constantly looking at ways to make us lose our way, the angels try to keep calling us to good. Then as we are about to leave this world, angels come down from the heavens with a shroud and call us back. This beautifully presented book provides 30 reflections on the unseen presence of angels in our lives, from birth till death, towards Allah.

Angels Within Us John Randolph Price, 2010-11-24 THE ANGELS WITHIN US shows how to pinpoint your own trouble spots, discover which angel waits beyond reach, and ask it for guidance. In a step-by-step process that includes meditations, practical exercises, and examples of angelic conversations experienced by the author and others, you will meet the Angel of Unconditional Love and Freedom, catalyst of all angels. You will then learn about the twenty-one other angels whose energies are attuned to such realms as: Illusion and Reality; Creative Wisdom; Abundance; Power and Authority, and more. THE ANGELS WITHIN US guides you to that exalted and natural existence where you can be as cosmically whole, vibrant, strong, and free as you were created to be.
