Traditional Indian Jewellery Bernadette Van Gelder, 2018-01-31 Since time immemorial, India has lured those in quest of spices, gold and precious gems. Spanning 5,000 years of this glorious legacy, 'Indian Jewellery: the Golden Smile of India', takes an ethnographic approach to the subject, weaving factual information and sumptuous images with the fascinating stories of ancient travellers to India.

Traditional Jewelry of India Oppi Untracht, 1997-02 Far more than merely a display of wealth and taste, jewelry is an integral element in the lives of the people of India. Drawing on more than 35 years of collecting and research, Untracht surveys the major Indian jewelry forms and techniques, exploring Indian jewelry as both an ongoing aesthetic spanning 5,000 years and a highly significant form of cultural expression. 870 illustrations, 220 in color.

Southwestern Indian Jewelry Dexter Cirillo, 1992 Explores the rich diversity of jewelry made by the Native Americans of the Southwest.

When Gold Blossoms Molly Emma Aitken, 2004

A Guide to Indian Jewelry of the Southwest Georgiana Kennedy Simpson, 1999 The third in our series of best-selling guides to collectible Indian crafts. Indian Jewellery Thomas Holbein Hendley, 1983

Silver and Stone Mark Bahti, 2007 An intimate glimpse into the lives of American Indian jewelers. In interviews with more than 50 working jewelers, and featuring photographs of their exquisite work, Mark Bahti shows how American Indian jewelers blend tradition with innovation and art with craft. Among American artists, Native American jewelers are unsurpassed. These portraits also reveal the person--or family--who created these stunning bracelets, rings, necklaces, and other expressions of art in precious metals and gems. Lavishly illustrated in full color.

Treasures from India: Jewels from the Al-Thani Collection Navina Najat Haidar, Courtney Ann Stewart, 2014-10-27 India's rich heritage of jeweled artistry is expressed in extravagant and opulent creations that range from ornaments for every part of the body to ceremonial court objects such as boxes, daggers, and thrones. Treasures from India presents more than sixty iconic works from the renowned Al-Thani collection, including pieces created for the imperial Mughals in the seventeenth century, others made for the nizams of Hyderabad and the maharajas of the Rajput courts from the eighteenth to the twentieth century, Indian-inspired jewelry fashioned by Cartier and other Western firms, and contemporary designs. The lucid text discusses the significance of these objects within the history of Indian jeweled arts, demonstrating how they stand among the highest expressions of Indian culture.

Cartier Hans Nadelhoffer, 2007-10-18 From modest beginnings in Paris to predominance in the world of high fashion, the rise of the house of Cartier is comprehensively chronicled in this lavish volume. In the 1980s Cartier granted Hans Nadelhoffer exclusive access to its archives in order to write the definitive history. Long out of print, Nadelhoffer's exhaustive research has been revived with lush new photography and design sketches of the world's most distinctive and finely crafted jewelry. Through charming and compelling anecdotes, these famed gems and the elite clientele who don them are brought to life. This fully illustrated account is the essential complement to any jewelry lover's collection, and will satisfy the longings of all those who covet this legendary brand.

Indian Jewelry of the American Southwest William A. Turnbaugh, Sarah Peabody Turnbaugh, 2006-09-20 More than 125 vivid color photos display groups of Indian-made wrought silver, turquoise, shell, and coral jewelry brought together from the American Southwest. The authors explore the diversity of this handcrafted jewelry from historic collections as well as those available today on reservations. Includes products of Navajo, Zuni, Hopi, and Rio Grande Pueblo artisans.

Munnu: Vision and Passion Usha R. Balakrishnan, 2022-03-07 - Presented here for the first time, the life and works of the late Indian artist-jeweler extraordinaire Munnu Kasliwal. Munnu: Vision & Passion traces the creativity and vivacity of the late Munnu Kasliwal. Kasliwal's magical designs put The Gem Palace, his family's jewelry house, and India on the fashion map of the jewelry world. The book follows the design journey of Munnu Kasliwal of The Gem Palace Jaipur, a jewelry house synonymous with luxury, sophisticated style, striking statement pieces, and exquisite craftsmanship. Munnu: Vision & Passion chronicles the metamorphosis of The Gem Palace from a local jewelry firm to an international jewelry house, an evolution synchronous with Munnu's life. From the creation of the 'T-shirt' necklace to dreaming up settings that fused gemstone and metal in unique ways, Munnu produced a new genre of jewels that bridged the historical past with an uber-stylish present. While Munnu loved and admired traditional Indian opulence and grandeur, he brought a unique vision and passion, a rare sensibility and elegance to all his designs, establishing his unique style. To Munnu, a piece of jewelry was a beautiful creation, to be liberated from the confines of the conventional. Published as a tribute to Munnu, this book documents his design journey for more than two decades.

Enduring Splendor Thomas K. Seligman, Usha Ramamrutham Bala Krishnan, 2017 Enduring Splendor focuses on the rich and diverse silver jewelry traditions of India's Thar Desert region, stretching across the western states of Rajasthan and Gujarat. These traditions are considered against the background of the five-thousand-year history of jewelry making across the vast Indian Subcontinent. Drawing on recent field research carried out in the city of Jaisalmer, a thriving center of contemporary jewelry production, Enduring Splendor explores for the first time the life and work of four sons (silversmiths or goldsmiths). To contextualize this recent production, numerous illustrations of very fine examples of nineteenth- and twentieth-century jewelry types that are still worn are included. These objects have been borrowed from the Ronald and Maxine Linde Collection of Jewelry and Ritual Arts of India, part of a promised gift to UCLA, where it will find its future home with the Fowler Museum. The Linde Collection is one of the finest and most comprehensive collections of Indian jewelry in the world. This volume highlights elaborate rural styles rendered in silver as well as selected ornate examples, largely associated with the elite, made with gold and gemstones.

Masters of Contemporary Indian Jewelry Nancy Schiffer, 2009 The artist-makers represented here come from every region of the United States, making this book a compilation of many native traditions as well as modern styles. Exciting background ideas are expressed in the details of these works, so their study and appreciation is quite fascinating. Over 50 living jewelry masters of Native American heritage are featured in this lavish new book. Their dynamic work includes many pieces that were awarded at recent juried shows. Tufa casting, stone cutting, engraving, metalsmithing, and other technical skills that are highly refined and personalized are evident, demonstrating the work of true Masters in this evolving field. See and be inspired by new designs in bead necklaces, silver bracelets, pendants, pins, earrings, belts, and rings, as well as sculpture that ranks as wearable art. Marvel at the new pieces by top masters living today.

A Jewelled Splendour Asharani Mathur, 2002 India, Jewellery.
