A Comprehensive Indonesian-English Dictionary Alan M. Stevens, A. Ed Schmidgall Tellings, 2004 An Indonesian-English Dictionary.

An Indonesian-English Dictionary John M. Echols, Hassan Shadily, John U. Wolff, 1989 This dictionary is meant primarily as a tool for English speakers who need to know Indonesian and who deal with Indonesian writings. The aim has thus been to give comprehensive coverage to forms a foreigner might run across in Indonesian readings, from this era or from the past, but excluding classical Malay literature. Much of the Indonesian written production (written and otherwise) contains slangy, colloquial, and regional forms, and we have not excluded such forms. On the other hand we have confined the listing of dialectical forms only to those likely to be widely known...The dictionary should also be useful to Indonesians who wish to learn English equivalents of Indonesian words, but it has not been developed primarily for that purpose, because many English words can only be defined by a sequence of Indonesian words. from Introduction.

Indonesian for Beginners Katherine Davidsen, Yusep Cuandani, 2019-08-20 Selamat datang! Learn to read, write, and speak Indonesian! By completing the 12 lessons in Indonesian for Beginners, you will learn not only to understand, speak, read and write basic Indonesian, but also about many important aspects of Indonesia's amazingly diverse culture, people, and places. This book provides a gateway to understanding the Indonesian language and country, and helps you to apply what you learn in a way that is relevant, meaningful and fun. The course is structured around the concept of spending a year in Indonesia--experiencing different seasonal events which bring the learner on a journey. In this way, the cultural and background information becomes a natural part of the understanding of the Indonesian language and helps you to place what you learn into context within a full narrative about life in Indonesia. Each chapter contains the following elements: An introduction with images and captions Grammar points A word bank presenting key vocabulary One or more sample conversations Listening practice and readings An Indonesian and me section that uses Indonesian to talk about yourself Key questions and statements Drills and exercises Indonesian for Beginners includes reading, writing and speaking tasks based on authentic real-life materials. While aimed at learners taking a classroom course, it can also be used by anyone studying Indonesian in other ways--in a high school course or as a self-study book.

Indonesian Vocabulary Book Pinhok Languages, 2019-05-14 Indonesian vocabulary book + Indonesian dictionary This Indonesian vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Indonesian-English as well as English-Indonesian dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Indonesian learning resource is a combination of Indonesian vocabulary book and a two-way basic Indonesian dictionary: Part 1 - Topic based Indonesian vocabulary book: This is the main part of the book and represents a list of chapters each containing Indonesian vocabularies for a certain topic. The Indonesian vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Indonesian dictionary: The index in the second half of the book can be used as a basic Indonesian dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Indonesian-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Indonesian words and directly find the English translation How to use this Indonesian vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Indonesian dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Indonesian translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Indonesian dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Indonesian and comes in particularly handy at times when there is no internet to look up words and phrases.
