The Legion of Nothing Jim Zoetewey,2012-08-01 Nick Klein's grandfather was the Rocket. For three decades, the Rocket and his team were the Heroes League-a team of superheroes who fought criminals in the years after World War II. But Nick and his friends have inherited more than their grandparents' costumes and underground headquarters... they've inherited the League's enemies and unfinished business. In the 1960's, Red Lightning betrayed everyone, creating an army of supervillains and years of chaos. The League never found out why. Now, Nick and the New Heroes League will have no choice but to confront their past.

The series so far in the words of reviewers: Book 1 The Accidental Author: Permafrost! It's like we are having a valuable conversation with a friend who knows what she's talking about, rather than being instructed from on high. I think Ms. Butfield can add mentor, inspirational speaker, cheerleader and eternal optimist to her lists of credentials. As I devoured the words of this book, I felt a kinship to the author on a personal and professional level. With a kind and open heart she shares the gold nuggets of her wisdom and experience. Book 2 The Amateur Authorpreneur: In this guide to the What, Why, When, Where, Who and How of self publishing, Sarah Jane Butfield really gets down to the nitty gritty. She begins with a general, and very useful, outline of the needs of a new writer trying to promote their book, and then she goes on to the first few items on her list and examines each of them in detail, especially Twitter, Facebook, and blogs. I have been a published writer for several years now and have read a good many books and blog posts about promoting books, but none of them have covered so much ground so clearly as this one. Sarah Jane is a very talented writer and I now have all the books that she has written so far. This book gives you a boost and makes you think outside the box. An amazing book and well worth a read. Book 3 The Intermediate Authorpreneur: ARC Readers said: This guide is just what I needed to set my goals for the future I am awe of what an indie author has to know and do on a daily basis, as a reader I applaud you all. A valuable guide and essential reading for all new authors or those that need to refocus their social media presence. The evidence based graphs and statistics were a nice, reassuring touch. Sarah definitely keeps it real.

cold as ice Maggie Adams,101-01-01 He wants her to be his lover...she wants to be his forever. Nick Coalson is abrasive, arrogant, and an absolute dynamo in the bedroom. Problem is, he knows it. Rebecca Morgan is sweet, shy, and immensely attracted to Nick, but he's trouble in tight jeans and she knows it. When Nick Coalson saves Rebecca Morgan from an assassin's bullet, he sets his sights on the shy partner of a detective agency. But he mistakes her kindness for weakness, and learns the hard way that although she may seem submissive, she's a voluptuous bundle of intelligence and determination. Rebecca tries to hide her feelings for Nick because he's the kind of man that makes a

smart girl do stupid things. After a sensual encounter, Nick grows distant, stating he wants a lover, not a wife. Rebecca realizes she's going to need to keep her wits about her if she wants Nick forever because it's too easy to lose herself to his dominant personality. When a stranger offers to help her win Nick, she accepts although she wonders what's in it for him. But Nick thinks it's too late for his love when he witnesses a tender moment between Rebecca and another man. His head tells him to step aside, but his heart aches for her tender touch. And as the killer closes in on the Coalson family, Nick wonders if it will be too late to save not only their love, but their very lives?

Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. **The Secret History** is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
