GCSE Business Studies Pat Bond,Jill Martin,1998

Edexcel GCSE Business Studies Chris J. Nuttall,2001-09-06 A student-friendly textbook that closely matches the specification from

Edexcel and provides comprehensive topic coverage. GCSE Business Studies is divided into eight sections, which are in turn divided into units. Each unit has a brief introduction followed by a Business in context section, which presents a real world or realistic setting for the topic covered. Questions which follow help students to understand the implications of the topic. There are also activities which encourage students to explore the topic in more detail and which support the development of key skills. Each unit contains definitions of key terms and ends with a summary of the topic covered.

Gcse Business Studies Neil Denby, Peter Thomas, 2007-01-26

A comprehensive Teacher's Resource to accompany the brand new textbook aimed at foundation level students.

Business Studies for GCSE Renée Huggett, 2001 Case studies encourage student awareness and understanding of key business situations or problems and prompt discussion. Study points test students' comprehension of data and concepts. Check points test understanding and lead on to further activities.
