**The Mystery of the Tuscan Hills** Morris M. Weiss, M.D.,2006-12-01 In a world consumed by greed, materialism and instant self-gratification, there are many seekers who have chosen to sacrifice the riches of this planet and instead, embark on a journey of self-discovery. They are the people who have, deep within their souls, an awareness of a greater purpose, a greater meaning to our existence and have a burning desire to gain the appropriate wisdom that can provide them with the answers. One such person is Claude Danzas, someone who for years wanted to know why life is filled with so much suffering and misfortune. Through a series of tragedies, strange events as well as a journey to the other dimension, consisting of memories and dreams of past life experiences, Claude mysteriously encounters people who help him find the answers. His journey on the contemplative path offers a unique revelatory explanation of human spiritual development that could change your perspective on life.

*Day in Tuscany* Dario Castagno,Robert Rodi,2007-06-01 This second book from Dario Castagno is a delightfully honest mix of memoirs from life in the hills of Tuscany's legendary Chianti region. Set on the day the author arrived home after a three-month tour of the United States promoting his first book, *A Day in Tuscany* compels readers to experience this enchanted corner of Italy through the heart and mind of a true Tuscan. As Castagno sees his beloved hills with fresh eyes and reacquaints himself with the rhythms of home, a flood of recollections of its people and places come to him. Through his engaging narrative, we are transported as well. The sights he sees and people he meets as he takes a one-mile walk through his village during the course of this noteworthy day trigger memories of his childhood and adolescence in Tuscany during the seventies, his experiences as a tour guide in Chianti, and some of the more remarkable people he has known. In addition to stories from his own past, included are oral histories from several village elders. History and the present mingle in this part of the world, and these stories bring both alive. Sometimes funny, often poignant, *A Day in Tuscany* weaves a magical spell and offers a candid insider's look at the people and culture of a fascinating land.

*Travel as a Political Act* Rick Steves,2018-02-06 Change the world one trip at a time. In this illuminating collection of stories and lessons from the road, acclaimed travel writer Rick Steves shares a powerful message that resonates now more than ever. With the world facing divisive and often frightening events, from Trump, Brexit, and Erdogan, to climate change, nativism, and populism, there's never been a more important time to travel. Rick believes the risks of travel are widely exaggerated, and that fear is for people who don't get out much. After years of living out of a suitcase, he still marvels at how different cultures find different truths to be self-evident. By sharing his experiences from Europe, Central America, Asia, and the Middle East, Rick shows how we can learn more about our own country by viewing it from afar. With gripping stories from Rick's decades of exploration, this fully revised edition of *Travel as a Political Act* is an antidote to the current climate of xenophobia. When we travel thoughtfully, we bring back the most beautiful souvenir of all: a broader perspective on the world that we all call home. All royalties from the sale of *Travel as a Political Act* are donated to support the work of Bread for the World, a non-partisan organization working to end hunger at home and abroad.

*Central Tuscany* Scott Tiezzi Grabinger,2011-08-01 So, you are back to visit Tuscany. Where do you go on your next visit? This new guidebook answers this question by taking you to some of the most beautiful hill towns and sites in the central Tuscany areas of Le Crete, the Val d'Orcia, and Chianti: - Abbazia di Monte Oliveto Maggiore - Montalcino - Abbazia di Sant'Antimo - Pienza - San Quirico d'Orcia - Montepulciano - Greve in Chianti - Radda in Chianti- Castello Brollo Winery This unconventional guidebook includes authentic family recipes from my Tuscan family, stories and adventures of traveling in Italy, and background information. The book is based on Inside Tuscany's eight travel principles: 1. Travel is educational. 2. Travel cheap to get the most out of your visit. 3. Go slow and easy. Plan to return. 4. Adapt – try new things. 5. Visit to “live,” not to tour. 6. Put your camera down and look around. 7. Fly under the radar. 8. Does €25.00 really matter in the grand scheme of things? To learn more about the food, culture, festivals, and towns I suggest that you set up a base so you can live in a Tuscan hill town, if only for a few days. This saves travel time and immerses you into the culture. For more information go to [www.insidetuscanytours.com](http://www.insidetuscanytours.com)

Central Tuscany: Eight Tuscan Hill Towns Scott Grabinger,2016-05-10 *Central Tuscany: Eight Tuscan Hill Towns* New and Expanded 2016 to 2017 Edition Visit the Valdichiana towns of Civitella, Arezzo, Monte San Savino, Castiglion Fiorentino, Foiano, Lucignano, Cortona, and Chiusi. My books are for the repeat visitor to Tuscany. After you have seen Pisa, Siena, Florence, and San Gimignano where do you go? What do you do? My bet is that you want to see the smaller, less crowded sites and travel slower to enjoy the culture and some gelato. This volume of the *Inside Tuscany: A Second Time Around* series describes eight of the most beautiful hill towns in Tuscany helps you to enjoy the culture in the process: Set up a base up in Arezzo, neither too big nor too small, with excellent restaurants and a wealth of museums and churches. Visit Civitella in Valdichiana to learn its tragic history during a World War II massacre. Shop at the daily market in Monte San Savino while visiting the unique museum in its fortress tower. Find the Etruscan museum and dig in tiny Castiglion Fiorentino. Meander through small Foiano della Chiana and discover its hidden art treasures. Explore the small, well-preserved medieval town of Lucignano with its intact walls and fascinating Museo Civico. Spend a day at two of the best museums in Cortona, then sit in the Piazza Repubblica with a café and watch people go by. Study Etruscan artifacts at the superb Etruscan museum in Chiusi and then go underground to visit the old Roman labyrinth of tunnels and cistern. Information You'll Find in the Text: cook with 11 authentic recipes, some from my Italian cousins, find a place to stay with

information on an agriturismo, hotel, and B&B in Arezzo, find good restaurants and pizzerias, use GPS coordinates to find your way around, participate in the evening passeggiata and local markets, eat at the best osteria in Arezzo, La Capannaccia, get an idea on the mobile accessibility of sites. What is the Valdichiana? The Valdichiana is a large flat valley stretching south from the Umbrian border at Lake Trasimeno near Cortona to the town of Civitella in Valdichiana in the north. Originally a swamp, it has been drained several times through the last couple of thousand years and is now the breadbasket of Italy, full of fruit and olive orchards, crops of grain and corn, vineyards, and grazing land for the famous chianina beef, the source of bistecca Fiorentina. Praise from Readers for the Second Time Around Series I was delighted to find your book on the area on Amazon before our visit earlier this month. We went to Arezzo a few years ago, but this time, armed with guidebook we visited again. I wanted to let you know how helpful the book was. I had not noticed the bas-reliefs on the barrel vault of the main door of Pieve Santa Maria or visited the Museo Ivan Bruschi before, let alone the Telecommunications Museum which, like you, we stumbled on unexpectedly. I just finished your book and wanted to tell you I enjoyed it very much. I am planning to go to the Tuscany area next June for a wedding and it gave me a lot of usual information. Because of your book I plan on setting up shop in Arezzo for a few days. I have your guide books which have been very useful. **A Thousand Days in Tuscany** Marlena de Blasi, 2005-09-27 They had met and married on perilously short acquaintance, she an American chef and food writer, he a Venetian banker. Now they were taking another audacious leap, unstitching their ties with exquisite Venice to live in a roughly renovated stable in Tuscany. Once again, it was love at first sight. Love for the timeless countryside and the ancient village of San Casciano dei Bagni, for the local vintage and the magnificent cooking, for the Tuscan sky and the friendly church bells. Love especially for old Barlozzo, the village mago, who escorts the newcomers to Tuscany's seasonal festivals; gives them roasted country bread drizzled with just-pressed olive oil; invites them to gather chestnuts, harvest grapes, hunt truffles; and teaches them to caress the simple pleasures of each precious day. It's Barlozzo who guides them across the minefields of village history and into the warm and fiercely beating heart of love itself. A Thousand Days in Tuscany is set in one of the most beautiful places on earth—and tucked into its fragrant corners are luscious recipes (including one for the only true bruschetta) directly from the author's private collection.

I Found Myself in Tuscany Lisa Condie, 2016-12-14 When Lisa Condie's marriage and a subsequent relationship disintegrated, she traveled to Italy to lick her wounds and implored her angels to help her discover what her next chapter of life might hold. As Lisa explored the streets of Florence, she felt invigorated and fulfilled wandering through the famed architecture and spectacular galleries; a deep sense of peace enveloped her as she discovered the rolling hills of the Tuscan countryside, where Condie sought out wineries and olive groves, and monasteries and churches for answers and inspiration. The imposing Duomo that dominated the Florence skyline and the city's awe-inspiring bridges and meandering rivers beckoned her to leave her Utah home. The sights of Florence not only healed her, they became her muse.

*Vanilla Beans and Brodo* Isabella Dusi, 2002 When Isobel Dusi visited Italy with her Australian husband Lou, little did they imagine that life would change forever. But, utterly besotted with the fragrant warmth and good-natured conviviality of Southern Tuscany, they decided to sell up their lives in the big city and move thousands of miles to follow the dream of a life more in keeping with ancient rhythms and time-honoured traditions of the Mediterranean. After months of searching they settled upon Montalcino, an intriguing hilltop medieval village with a reputation for some of the finest wine in Italy. VANILLA BEANS AND BRODO is an account of Isobel's hard-won acceptance into this tempestuous, warm-hearted and proudly independent community, whose voluble passions for home grown wine and Tuscan cuisine, for football and ancient traditions and festivals, puts paid to the myth that life in rural Tuscany is tranquil. Isobel and Lou are gradually transformed into Isabella and Luigi in this charming account of Tuscan village life that really gets to the beating heart of an Italian community - its joys, pleasures, anxieties, but above all, its absorbing eccentricities.

**Too Much Tuscan Sun** Dario Castagno, Robert Rodi, 2004-09-01 Over the past several years, the American in Tuscany has become a literary subgenre. Launched by the phenomenal success of Frances Mayes's *Under the Tuscan Sun*, bookstores now burgeon with nimble, witty accounts of this clash in cultures-Americans trying to do American things in Italy and bumping against a brick wall of tradition. *Too Much Tuscan Sun* is Dario's, a Tuscan guide whose client base is predominantly American, account of some of his more remarkable customers, from the obsessive and the oblivious to the downright lunatic.
