Wealth for All Idowu Koyenikan, 2016 The author addresses how to live outside your comfort zone where many of the things we want in life are. We are not meant to live life according to only a portion of our ability. Instead, we are meant to live life at the edge of our ability where wealth, greatness, success and self-actualization lie.

Life Lessons of Wisdom & Motivation - Volume I M.I. Seka, 2014-02-19 A compilation of quotations and proverbs from the most enlightened, intelligent, and forward thinkers in human history regarding the most important aspects of life. Compiled and arranged to give the reader a clear direction in their life based on their internal needs, wants, and desires. While no one on Earth is special, everyone is unique. Nobody past, present, or future has gone through or has had the same thoughts and experiences as you, nor will they in the future. As a result, you see the world in a completely unique way. Studying these volumes will guide your mind's eye in distinguishing the most significant passages to you and your being as well as reaffirming or contradicting what you already know and believe, by the wisest people throughout history. Out of the thousands of quotes and proverbs within these volumes, your personality will subconsciously pick out the most relevant quotes and proverbs to you and you alone. It would be a mistake to concentrate on only one topic because all the subjects are connected to aid you in reaching your own epiphany. Many of the most profound quotes and proverbs are recorded under various topics throughout the book. Though you may only be interested in Success & Failure, many of the quotes and proverbs attributed to success can also be found under Leadership, Attitude, or even Life, Purpose, & Growth, for example. The aim of this huge collection of human wisdom is enlightenment: to assist the readers in realizing what is truly important in life, as well as to find their true self; to shatter the illusions that everyone builds for themselves through false assumptions and stereotypes; to find their true inner being; to find purpose; and, most importantly, to discover what makes them and them alone happy. To receive the full benefit of these volumes and to fully immerse yourself in self-discovery, you must commit to studying the entire collection. If you only want to scratch the surface of what is important in life, then limit yourself to a single volume. But if you want to master your true purpose, then study all four volumes.

Your Own Thought : A Lot of Thoughts Ansuman Bhagat,2021-04-08 "Your Own Thought refers to the thoughts you have in your mind. In today's run-of-the-clock and busy life, people do not understand their inner feelings, but take it as a competition to know how to reach them. In fact, everyone has the same power within them - the power of your own thought. Through this book, this thinking has clearly been put before the readers, the thinking which is present in every person. This thinking, especially by the motivation of your emotions, changes your behavior. Study of books is important for those who take time to formulate an idea. The process and spirit of writing begets enthusiasm in people. In the same way, people will receive help in understand themselves and be aware of their own thinking through the medium of this book. The book will make many people alter their thinking, but it is also important to keenly study it. Present this book and its importance to your friends and kin, for it has been said correctly, "Books are more valuable than even the most valuable gemstones."
