**From Blood and Ash** Jennifer L. Armentrout, 2020-03-30 Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Instagram Tama Leaver,Tim Highfield,Crystal Abidin,2020-01-22 Instagram is at the heart of global digital culture, having made selfies, filters and square frames an inescapable part of everyday life since it was launched in 2010. In the first book-length examination of Instagram, Tama Leaver, Tim Highfield and Crystal Abidin trace how this quintessential mobile photography app has developed as a platform and a culture. They consider aspects such as the

new visual social media aesthetics, the rise of Influencers and new visual economies, and the complex politics of the platform as well as examining how Instagram's users change their use of the platform over time and respond to evolving features. The book highlights the different ways Instagram is used by subcultural groups around the world, and how museums, restaurants and public spaces are striving to be 'Insta-worthy'. Far from just capturing milestones and moments, the authors argue that Instagram has altered the ways people communicate and share, while also creating new approaches to marketing, advertising, politics and the design of spaces and venues. Rich with grounded examples from across the world, from birth pictures to selfies at funerals, Instagram is essential reading for students and scholars of media and communication.
