Eat, Drink, Run. Bryony Gordon,2019-09-10 The new hilarious and inspirational memoir from Sunday Times no. 1 bestselling author Bryony Gordon. 'A courageous account that will inspire us all - bloody brilliant' Fearne Cotton 'An honest and damn funny book about daring to dream, about chafing and Vaseline, and running through the pain. I raced through it without getting a stitch' Matt Haig Bryony Gordon was not a runner. A loafer, a dawdler, a drinker, a smoker, yes. A runner, no. But, as she recovered from the emotional rollercoaster of opening up her life in her mental health memoir MAD GIRL, she realised that there were things that might actually help her: getting outside, moving her body and talking to others who found life occasionally challenging. As she ran, she started to shake off the limitations that had always held her back and she saw she had actually imposed them on herself. Why couldn't she be a runner? In April 2017, Bryony Gordon ran all 26.2 miles of the London Marathon. In *Eat, Drink, Run.*, we join her as she trains for this daunting task and rises to the challenge one step at the time. Of course, on top of the aching muscles and blistered feet, there's also the small matter of getting a certain royal to open up about his mental health. Through it all, Bryony shows us that extraordinary things can happen to everyone, no matter what life throws our way. What readers are saying about *Eat, Drink, Run.*: 'One of the best things about this book is how Bryony manages to make you laugh, make you tearful, but ultimately hopeful about yourself and your own outlook on life and mental health' 'I laughed, I cried, I got inspired to run again' 'Bryony at her best by far! Honest, endearing, beautifully written. We all can relate in some way, if you are in doubt about how you feel, or indeed you are a person that says I can't - read this because you can, we all can'

Modern Rustic Emily Henson,2021-02-09 Rustic isn't what it used to be. Gone are the days when rustic style meant fusty dried flower arrangements, antlers over a stone fireplace and acres of tartan. At its heart, the modern rustic look celebrates the fabric of a home, from the roof beams to the brickwork. This style revels in earthy colours and rich textures; in natural materials such as wood and stone; and the ruggedly handsome bones of a building. In this book, stylist Emily Henson and writer Joanna Simmons first lead you through the Elements of the Modern Rustic look. Pure Rustic elegantly blends clean lines with muted shades of grey. Bohemian Rustic mixes texture and pattern with lush colour, while Pop Rustic teams raw wood with pops of neon and tongue-in-cheek artworks. Retro Rustic, meanwhile, brings a relaxed feel, showcasing beaten-up leather armchairs and brick floors. In Details, textiles, furniture, fabric and display are explored, while Living Spaces shows how Modern Rustic style translates beautifully to every room in the house.

Naked at Noon 1 Jean Le Baptiste,2014-04-19 Nudist, or naturist, magazines comprising photographs of naked men and women enjoying outdoor activities first appeared as far back as the beginning of the 20th century. Nudist culture boomed in the 1950s and early 1960s, following a landmark ruling which permitted such material to be freely distributed via the US mail. Of course, these publications were not aimed solely at fellow naturists; although their content and context was strictly non-sexual, the ample swathes of female flesh they offered nonetheless provided the average man with the only masturbatory material which was freely available. Jean le Baptiste has assembled from his own collection a stunning array of vintage photographs from these magazines, a collection which takes us back to the unashamed, unclothed splendour of more innocent decades in the sun. *Naked At Noon 1* contains over 60 classic images, with many in full colour. For those who prefer women with no tattoos, no silicone, and hair where nature intended.

Clara Zetkin Klara Zetkin,2015 Clara Zetkin (1857-1933) was an active member of the left wing of the German Social-Democratic Party before the First World War, and thereafter a leading figure in the German Communist Party, and the Communist International. This book presents mainly newly-translated material and academic essays. It will help to affirm her place amongst the leading revolutionary Marxists of the twentieth century. Almost all of the contents will be entirely new to English-language readers. The contents includes Writings on the Socialist Women's Movement, Critical perspectives on Social Democracy, Guidelines for the Communist Women's Movement, Letters to Lenin, and to the Communist Party of the Soviet Union, A Speech to the Executive Committee of the Communist International, and Her Opening Speech to the Reichstag, in 1932, and much else besides.

Naked Liberty and the World of Desire Simon Casey,2004-06-01 In this new and original study, Simon Casey explores the long-neglected link between D. H. Lawrence and philosophical anarchism. Focusing on the writings of some of the major anarchists-with particular emphasis on Stirner, Godwin, Bakunin and Thoreau-this book argues that the conceptual parallels between Lawrence and anarchism are strong and extensive and that reading Lawrence within the context of this tradition significantly enhances any understanding of his work. Lawrence's faith in the essential decency of human nature, his forceful defense of individual liberty, and his intolerance of all forms of domination and control all reflect the essential features of anarchism. *Naked Liberty and the World of Desire* looks at where these attitudes find explicit articulation in Lawrence's essays, poems, and letters, and shows how they are illustrated in his major works of fiction.
